#### A BRIEF BIOGRAPHY OF OUR GRAND MASTER

Howard Olin Polk, of Irish and United Empire Loyalist descent, was born in Lombardy (Leeds County), the youngest of a family of three, where his Father, the late Henry Edwin Polk, married to the former Annie Mabel Burns, operated a General Store and Post Office

After completing his Primary education in the one room brick School, S.S. No. 6, Township of South Elmsley, he graduated with Ontario Honours Matriculation from the Smiths Falls Collegiate Institute, where he starred on the Track and Football Teams. At that time, the existing world economic situation prevented further academic advancement.

Our Brother enlisted in the Canadian Army in 1940, serving with the Royal Canadian Ordnance Corps until 1945. The last two years of service involved the disposal of Mechanized Equipment, in Canada, Great Britain, and Continental Europe, through the War Assets Corporation. Following discharge in 1945, Bro. Polk was united in marriage with the former Doris Ullett, a dental nurse. This union has made them both the proud parents of two daughters (Pamela Lea Hoffman, a former Air Stewardess, residing with her husband Carl, and two children, in Miami, Florida; and Penny Heather, who operates her own business in Montreal, Quebec).

Subsequently, our Brother entered the labour force, spending 18 years as a Sales Representative for a National Manufacturer of Paint and Protective Coatings throughout Eastern Ontario. During this time, he completed several extension courses in Sales and Sales Management, Business Management, and Common Law. In 1960, he was appointed a Justice of the Peace for the County of Carleton.

This training and experience led to his appointment as Clerk of the County Court, and Registrar of the Surrogate Court for the Judicial District of Ottawa-Carleton in 1963; and later as Local Registrar of the Supreme Court of Ontario, after having served as President of the Sheriffs' and Court Registrars' Association for the Province of Ontario, in 1976, in which he still maintains a vital interest, as he does in the many aspects of Civil Law.

Our Grand Master has devoted much thought and energy to his governmental and political undertakings, and he has dedicated the same degree of effort to his Masonic involvements during the past forty years, as can be noted from the hereunder listings:

- -Initiated in Otter Lodge No. 504, Lombardy in 1938,
  - and W.M. in 1959.
- -Affiliated with, and Treasurer of Temple Lodge
  - No. 665 Ottawa for 18 years.
- -Charter Member of Bytown Lodge No. 721, Ottawa.
- -Elected Grand Registrar, 1962.
- -Elected to the Board of General Purposes in 1964.
- -Re-elected to the Board of General Purposes in each alternate year from 1966 to 1978.

- —Served on the Committees of Audit and Finance, and Masonic Education
- -Chairman of the Committee on Warrants 1972-1976.
- —Chairman of the Committee on Printing and Supplies from 1977 1979.
- —Appointed Grand Representative in 1970 for the Grand Lodge of Utah.
- Elected Deputy Grand Master in July 1979, thereby becoming President of the Board of General Purposes.

#### Concordant Bodies-A. & A.S.R.

- —Past Thrice Puissant Grand Master, Ottawa Lodge of Perfection 14°
- -Member Mussay Chapter of Rose Croix, Ottawa 18°
- -Member Moore Sovereign Consistory, Hamilton 32°
- -Member of the Royal Order of Scotland.
- -Honorary Inspector General, 33°

#### RAM

—Member and Honorary Past First Principal of Carleton Chapter No. 16, Ottawa.

Bro. Polk has been a life long member of the Anglican Church, and has served on various Committees, as well as a Sunday School Teacher.

Vitally interested in the welfare of the National Capital, our Brother is involved in Community affairs, presently a member of the Children's Aid Society, the Men's Canadian Club of Ottawa, and the Central Canada Exhibition Association. His professed hobbies are: outdoor life at their summer cottage, gardening, furniture refinishing and reading — mostly biographies.

Our Grand Master's sincere dignity and service to Masonry over the years is well known, highly respected, and wide spread. We can be confident that he will maintain and uphold the high ideals practiced and sustained by his predecessors.

#### MINUTES

The Grand Secretary proceeded to read the Minutes of the last meeting held in Toronto on July 15, 1981, when it was moved by the Deputy Grand Master, seconded by M.W. Bro. R. E. Davies, and resolved: That inasmuch as the Minutes of the last Annual Communication held in Toronto have been printed and distributed to all constituent lodges the same be now taken as read and confirmed.

#### RULES OF ORDER

Rules of Order as prescribed by the Constitution governing the conduct of the meeting were read by the Grand Secretary.

#### ORDER OF BUSINESS

It was moved by R.W. Bro. R. E. Groshaw, seconded by M.W. Bro. R. E. Davies, and unanimously carried, that the Order of Business of this Annual Communication be changed at the discretion of the Grand Master.

#### GRAND MASTER'S ADDRESS

To the Officers and Members of the Most Worshipful Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

My dear Brethren:

It is with a deep sense of gratefulness to the Great Architect of the Universe that we convene here today and acknowledge His guidance in the management of our affairs for the year now ending, at this our 127th Annual Communication.

Welcome, to each of you. For those who are here for the first time you will be joining many who have attended before, to share in a session of the procedures pursued in the conduct of the affairs of your Grand Lodge. May the deliberations proceed in a spirit of unity of purpose, perfect fellowship and brotherly affection.

#### **Distinguished Guests**

A great honour has been accorded our Grand Lodge by the presence of many Distinguished Guests from Sister Jurisdictions, with which we enjoy a most pleasant fraternal relationship. Welcome. Being in our midst provides us the delightful opportunity of reciprocating the many courtesies extended to us while attending your respective Grand Assemblies. We hope you have found the provided accommodation to your liking, and that you will depart homeward with a rewarding perception of our methods and customs. Please take with you fraternal blessings to the Grand Lodges you represent.

Happy to meet — Sorry to part — Happy to meet again.

#### Necrology

During the past year, many Past Grand Lodge Officers and members have been called to the Celestial Lodge Above. Their names are listed in the report on Deceased Brethren. We sorrow for our loss.

In grateful tribute to their memory, I record the following.

#### V.W. Bro. Hugh L. Hastie

A Past Master of Zetland Lodge No. 326, Toronto District 5, our late brother was appointed to the Board of General Purposes in 1970 with the rank of Past Grand Senior Deacon. V.W. Bro. Hastie discharged the duties, and served faithfully, as Secretary-Treasurer of The Masonic Foundation of Ontario from July 1969 to April 1975. V.W. Bro. Hastie passed to the Grand Lodge Above on December 5, 1981.

#### V.W. Bro. J. T. Minaker

Our late brother was Initiated in Unity Lodge No. 606 in March 1922, served as Worshipful Master in 1938, and was appointed a Grand Steward in 1961.

For over 25 years, this congenial brother laboured effectively on the administration of the Grand Lodge Committee on Arrangements, attending at each Annual Communication, with infinite kindness to everyone he met.

V.W. Bro. Minaker, at the time of his demise, was the Grand Representative of the Grand Lodge of Saskatchewan near the Grand Lodge of Canada in the Province of Ontario.

On November 13, 1981, Bro. Minaker passed to his final rest.

We extend sympathy to the lodge members, families, relatives and friends of all departed brethren.

May we quote the words of John Bunyan, when he wrote, "And they passed over, and all the trumpets sounded for them, on the other side."

#### Bro. (Dr.) Ramon Curotto (Botto), Lima, Peru and the Brethren of the London West and East Districts

Bro. (Dr.) Ramon Curotto (Botto), Constitution Lodge No. 100, Grand Lodge of Peru, passed away in London, Ontario, on January 7, 1982, following unsuccessful surgery on an aneurysm.

Mrs. Curotto had travelled to London with her husband, leaving at home their two children, one aged 4 years, the other 9 months.

International government regulations restrained having the deceased brother's remains returned by air until January 17, 1982.

Mrs. Curotto, overcome with grief, sought help, through an interpreter, and was directed to R.W. Bro. Cappa, D.D.G.M. London West District, who offered to conduct a Masonic Memorial Service. A number in excess of 100 responded to the call on a stormy, snowy Saturday evening. The Service was conducted by V.W. Bro. Howard May, District Chaplain of London West District, assisted by R.W. Bros. Cappa, Morris (Grand Chaplain), Camp (Grand Senior Warden), Pellow (Member of the Board of General Purposes), Pennington (a P.D.D.G.M.), and V.W. Bros. Donnelly and Smuck, Grand Stewards.

Mrs. Curotto having been influenced to return home, with the remains of her late husband to follow a week later, departed on January 10, 1982 with the evergreen which the brethren had deposited, strengthened by this sympathetic, fraternal gesture of good will.

The brethren throughout this Grand Jurisdiction, I am certain, will join me in acknowledging and lauding this profound response to a family in desperate need of support.

Personally, and on behalf of Grand Lodge, I thank you, the brethren of London East and West Districts, for such kind affection and love for others.

#### The Past Grand Masters

The zeal, wisdom and fidelity on the part of our Past Grand Masters for the welfare of our Grand Lodge is unparalleled. I cannot refrain from expressing my thanks to them. My gratitude is further strengthened by the respect I hold for them, for their varied contributions.

A special thanks must be extended to our competent Grand Secretary, M.W. Bro. R. E. Davies; the Grand Treasurer, M.W. Bro. J. N. Allan; the Custodian of the Work, M.W. Bro. W. K. Bailey; and R.W. Bro. R. E. Groshaw, President of the Board of General Purposes and Deputy Grand Master, for the roles they perform in our Grand Lodge structure.

To our regret, M.W. Bro. Ewart Gladstone Dixon, Past Grand Master (Hon.) and Grand Secretary Emeritus, did not find it possible to attend Grand Lodge, due to restraining health. We wish him a favourable measure of comfort, peace of mind and contentment.

#### District Deputy Grand Masters

No Grand Master could possibly be favoured with a finer group of personal representatives, in the forty-three districts, than myself. The one regret I bear most heavily, besides the year having passed so quickly, is that the Grand Master had so little time to disperse with these energetic servants of our Craft. Each time in their presence it became manifest how conscious they were of their responsibilities, and how apprehensive they were for the advancement of Masonry in the lodges of the district represented by them. For their loyalty, complacent friendship and pride in the uplifting of the quality of the work their function entails, I extend my heartful thanks.

## The Grand Wardens, the Grand Chaplain, the Grand Registrar and the Appointed Officers

The same sentiments expressed in this address applies equally to the 1981-82 Grand Lodge Officers. While they do not perform the same official function as the District Deputy Grand Masters, nonetheless each of them fulfilled their assignments with a like element of devotion. The Grand Master has witnessed first hand, as well as having been informed of, their compliance to my request of promoting and indeed conducting special events, far beyond their respective places of residence.

My sincere thanks to each of them. Time will not erase my esteem for all they have contributed — attending with me and standing at my side.

The burden of leadership was entrusted to the Grand Lodge Officers for the year. Your talents were recognized first as distinctive, excelling the trust imposed upon you. Therein you faltered not, which has brought you now to your well-deserved Past Rank status.

## The Board of General Purposes and Autumn Meeting of the Board

Members of the Board of General Purposes, generally, and particularly the Chairmen of Committees, represent the epitome of service to our Craft. They serve with distinction, devotion and commitment. My assertion will be confirmed by you, upon hearing the reports that they will be presenting at this session.

To each of them, Grand Lodge will wish that I extend sincere thanks for their contributions.

An autumn meeting of the Board was convened at the call of the President, in the Royal York Hotel, Toronto, on November 14, 1981, with a near-full complement in attendance. Those unable to be present, preforwarded a valid reason.

Lively discussions evolved from a well-prepared agenda — continuously until closing. Noon luncheon, with the President as host, was enjoyed by all present.

Particularly for the District Deputy Grand Masters, as well as the newlyelected and appointed Members of the Board, such a meeting provides an effective means of acquiring a perspective of the function of the Board and of Grand Lodge. It further enables the individual to become acquainted with his counterparts from other areas of our massive geographic Grand Jurisdiction, strengthening the claim that Masonry is indeed universal in concept and that unity of resolution is paramount throughout.

The Grand Master recommends that an autumn meeting, or area meetings, of the Board be continued.

Each year, the Board endures a limited turnover in personnel. This year, retirements are more numerous. For personal as well as other reasons, the following are not at this time offering themselves for re-election to the Board. R.W. Bros. John B. Hunter, Colin C. Lillico, Wallace E. McLeod and C. John Woodburn. These brethren have given unselfishly of their time, talents and energy in the performance of any responsibilities allotted them, some of the number over a prolonged period of time. We thank them for their service and wish them well in their future endeavours.

R.W. Bro. C. W. Emmett, who served the Board of Grand Lodge with outstanding distinction, requested not to be reappointed for the year 1981-82. Our R.W. Brother will be remembered for his planning, organization, direction and labour, on programmes leading to and events in connection with the 125th Anniversary of Grand Lodge. In addition, he served with earnest zeal as Chairman of the Benevolent Committee. We extend to him our sincere thanks for his varied contributions.

## The District Receptions and the Worshipful Masters

The District Receptions (Appendix 3) held in honour of the Grand Master present a welcome opportunity to meet the Worshipful Masters and Immediate Past Masters, together with brother Masons, from a wide variety of areas throughout the Grand Jurisdiction. Each district I have been in an element of enthusiasm and fraternity prevails. This is a tremendous source of encouragement for myself, as well as the Grand Lodge Officers and Members of the Board of General Purposes who attend with me, to witness an assembly of men of faith sharing the great joy of happiness.

To the various Committees on Arrangements, Masters', Past Masters' and Wardens' Associations, I extend sincere thanks for making my presence in your company so very pleasant. The generous gifts of remembrance, with which my wife, Doris, is pleased to share, have overjoyed our hearts with gratitude.

The Worshipful Masters and Immediate Past Masters I have met have strengthened my appreciation of the importance of those offices, and their resolve to meet the challenges with which they are confronted. My gratitude is extended to each of you. May the dedication to the call of service to your lodge enrich your lives abundantly.

#### The Seven Toronto Districts

Each succeeding year the members of the Past Masters' Association A.F. & A.M. of the Districts of Metropolitan Toronto put forth an exertive effort as a Committee on Arrangements to provide comfort and enjoyment for the brethren in the Grand Jurisdiction, at our Annual Communication.

For all you have contributed, and for your faithful labour of love, so evident in this year's flawless preparations, it is my pleasure to extend a sincere thank you to everyone who has so unselfishly given of his time and effort.

## **Appointments**

Due to a vacancy created on the Board of General Purposes by the decision of a former member not to accept reappointment, I forthwith appointed R.W. Bro. Arthur G. Broomhead to fill the vacancy.

In recognition of his dedicated, devoted service to his lodge, and in view of his untiring efforts in the renovation of the new Temple that will henceforth be the meeting place of Scotland Lodge No. 193, on the occasion of the Dedication Ceremony, I appointed and invested Wor. Bro. Clyde Bowman a Grand Steward of the Grand Lodge of Canada in the Province of Ontario.

I ask approval from Grand Lodge of these appointments, and that in the instance of the latter he be given Past Rank as from termination of this Annual Communication.

## Honorary Rank

To recognize his eminent contributions to Masonry, in more than one lodge, service to his Church, his community, and philanthropy of the inherent character of quietude, I hereby recommend that the Honorary Rank of Past Grand Senior Warden be conferred on V.W. Bro. Hunter Reid of Plantagenet Lodge No. 186, Eastern District, pursuant to Section 73(a) of the Constitution.

#### Past Rank

I am happy to recommend Past Rank be granted to several brethren who have served the Craft with distinction, but for various reasons were not in office for twelve months. I am satisfied that the contribution these brethren have made amply warrants the conferring of the rank of Past Master and I am pleased to so recommend the following:

Wor. Bro. C. E. Pollock - Northern Light Lodge No. 93.

Wor. Bro. William Soble — Lake Lodge No. 215.

Wor. Bro. William Ralph Brown — Espanola Lodge No. 527.

Wor. Bro. Sheldon Shapland — Phoenix Lodge No. 535.

Wor. Bro. John A. Hiley — North Gate Lodge No. 591.

and — posthumously —

Wor. Bro. William W. Donaldson — Phoenix Lodge No. 535.

# **Grand Representatives**

I have recommended to the Grand Masters of the jurisdictions listed appointments of a Grand Representative near the Grand Lodge of Canada in the Province of Ontario for their particular jurisdiction.

Alaska—V.W. Bro. Cecil J. Hill Chile—R.W. Bro. Stanley G. Black Maine—R.W. Bro. Leonard W. Westwell Saskatchewan—R.W. Bro. Ronald E. Groshaw Sweden—R.W. Bro. E. James Scarborough Utah—R.W. Bro. Clarence A. Reith

On the recommendation of the respective Grand Lodges, I am pleased to appoint the following Grand Representatives near their Grand Lodge.

Arkansas—Wor. Bro. Walter R. Baugus
Ceara (Brazil)—R.W. Bro. Jose Linhares De Vasconcelos Filho
Florida—R.W. Bro. Redmond Jay Manning
Israel—M.W. Bro. Shlomo L. Gross
Massachusetts—R.W. Bro. James A. Vytal
Nebraska—Bro. Paul R. Eveland
Norway—Bro. Øyvind Nittenberg
Quebec—M.W. Bro. William Worwood
West Virginia—Wor. Bro. Eldridge M. Casdorph

### William Mercer Wilson Medal

Congratulations to the following recipients of the William Mercer Wilson Medal.

Ev. Wilfred Graham—Battlefield Lodge No. 714—Stoney Creek Dawson Charles Kerr—True Britons' Lodge No. 14—Perth Harold Hilliard Peever—Faithful Brethren Lodge No. 77—Lindsay

## The Black Creek Pioneer Village Project

This project, details of which you will be hearing in the forthcoming months, was presented to the Board of General Purposes, at the November meeting, for approval to proceed and funding. The Board so approved.

After careful consideration, I authorized Heritage Lodge A.F. & A.M. No. 730 to undertake it as a lodge project, with the understanding that it not be construed as a precedent for similar future projects, upon the following conditions being adhered to:

- 1. That it was to be deemed a project of Heritage Lodge No. 730, with no financial assistance from the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.
- 2. That Heritage Lodge No. 730 could appeal to lodges of the jurisdiction to allow them an opportunity to participate financially, but not by way of general canvass.

- 3. That Heritage Lodge No. 730 petition for a charter for the formation of a nonprofit Holding Corporation, without share capital, to establish a vehicle to conduct the business of the Corporation in such matters of detail as leasing, collecting the funds, and contractual dealings with the Conservation Authority.
- 4. That such proper insurance protection be maintained at all times; e.g. fire, third-party liability, and contractors onsight and enroute coverage.
- 5. That the Corporation seek a 99-year lease from the Conservation Authority to comply with the Planning Act of the appropriate municipality.
- 6. That payments to the General Contractor be made in compliance with the requirements of the Mechanics' Lien Act, Statutes of the Province of Ontario.
- 7. That the Grand Master be kept informed as to the progress of the project.

The name of "Masonic Heritage Corporation" has been approved by the Ministry, but at the time of this writing the completed Consent forms have not been received.

As Grand Master, I feel secure in my determination that upon proper articles of the formation of the Corporation being properly drawn, and the necessary protective measures being adhered to, the project will commence on a solid foundation and that Grand Lodge will have the required security necessary in the circumstances, or contingencies, as the project proceeds.

I ask that this authorization in its entirety be approved by Grand Lodge.

#### Toasts and Anthems

Since the arrival of the new Canadian Constitution, enquiries have come forth whether Grand Lodge would be issuing direction with respect to "Toasts to the Queen and the Craft," and the singing of "God Save the Queen" and "O Canada."

By way of clarification, we relate the following:

The records of Grand Lodge include an information release under date of January 6, 1911, reciting the significance of this time-honoured Toast in which it established that the Toast is an ancient usage and custom of ancient Freemasonry. Secondly, the Charge to the newly initiate in the First Degree states — "Monarchs themselves have been promoters of the art." Furthermore, Her Majesty the Queen is still the Queen of Canada.

It is, therefore, incumbent upon us to be very cautious not to take any steps, however trivial they may appear, which might give semblance to the idea that the indissoluble connection of the Queen and the Craft is not subsisting as it was in the days of our forefathers. Therefore, the Toast should be continued, unaltered and undisturbed.

The Ritual and our Constitution bears no reference to Anthems. It has not been and is not now the intent or prerogative of Grand Lodge to interfere with the discretion of Worshipful Masters of lodges on customs which pertain to the conviviality of Freemasonry.

For guidance, if accepted as such, as Grand Master I feel the ideal, without offending any where it is customary to sing anthems, would be to use the Royal Anthem at the opening and close with O Canada.

On occasions at which this Grand Master is in attendance at an official function, or as an invited guest, I will request that such formality be pursued.

# Conferences of Grand Masters and Grand Secretaries of Masons in North America

This year these were held February 21 to 24, in Washington, D.C.; concurrent but separate Conferences of Grand Masters and Grand Secretaries of the fifty Grand Lodges of the U.S.A., the nine of Canada, Puerto Rico and the York Grand Lodge of Mexico. In addition, representatives were present from many of the Sister Grand Jurisdictions throughout the Masonic world, with credentials for non-voting rights.

The purpose of the Conference is to provide a forum for the discussion of the many problems that continually arise, as well as rendering mutual guidance by the contributing of such means of confronting them as the meeting together of such a vast array of representatives affords.

Your Grand Lodge was represented by the Grand Master; the Deputy Grand Master, R.W. Bro. R. E. Groshaw; and M.W. Bro. R. E. Davies, the Grand Secretary.

The keynote address "Freemasonry the Sleeping Giant" was given by M.W. Bro. Richard A. Kidwell, Grand Master of Masons of the State of Arizona. This message excited the interest and enthusiasm of those present, became the discussion highlight of the Conference, as being timely, well-documented, and in accord with the realities of the state of the Order, in the decade of the 1980's.

Your Grand Master was selected to present a paper on "Canadian Freemasonry Today," the sole representative of a Canadian Grand Lodge, on the agenda. As well, your Grand Master was nominated to a Committee of six, under the Chairmanship of M.W. Bro. William J. Hill, Grand Master of Masons of the State of Missouri, to draft Conference By-laws for succeeding years.

M.W. Bro. Davies related to me highlights of the Grand Secretaries' Conference which he felt were most beneficial to assist in the orderly functioning of a Grand Secretary's office, which becomes increasingly complex each passing year.

The 1983 Conference will convene in Dallas, Texas.

## Special All Canada Conference

A Biennial Conference of Canadian and District Grand Lodges has been held since 1949. A special one convened on February 19th and 20th, 1982, at the call of the President, M.W. Bro. D. J. MacLaurin, Grand Master of the Grand Lodge of British Columbia, in the Royal York Hotel, Toronto, with representatives from all Grand Lodges in attendance.

The compelling force of the Special Conference was to deliberate on the merit of holding the Conference annually, as well as to partake of submissions by delegates on a pre-prepared agenda as heretofore. The decision reached was that the Conference should be held each year.

Your Grand Lodge was represented by the Grand Master; the Deputy Grand Master, R.W. Bro. R. E. Groshaw; the Grand Secretary, M.W. Bro. R. E. Davies (the Conference Treasurer), and Past Grand Master, M.W. Bro. J. A. Irvine, who volunteered his fraternal presence to give the Conference the benefit of his experience and counsel, as a Past Treasurer, on the possible ramifications of funding that might result should the Conference become an annual one.

Our contribution to the agenda was a paper by the Grand Master on "The Training of Lodge Officers." Another by R.W. Bro. R. E. Groshaw on "Special Projects in Ontario." Finally, a presentation by M.W. Bro. R. E. Davies on "Past and Present Financing Arrangements."

The Conference provides a useful agora for the exchange of procedures, presently in effect or intended for the future, for all Grand Lodges in Canada as well as to project the universality of Freemasonry. It also presents several of the Grand Lodges their sole means of meeting together with others who for various reasons cannot attend the North American Conference.

If any member of Grand Lodge or a constituent lodge would like a copy of the Proceedings, the Grand Secretary will forward such, in reproduction form, unbound, at a cost of \$5.00, by prepaid post.

The 1983 Conference will be held in Vancouver, B. C., on February 19 and 20, 1983.

## The Library

A situation of considerable concern has existed for some time with respect to the operation of the Grand Lodge Library, presently located at 888 Yonge Street, Toronto.

Depending upon recommendations in this year's Report of the Library (R.W. Bro. Frank Bruce, Chairman) changes of consequence may result, action on which will then be reported at the 128th Communication of Grand Lodge.

# Recognition of 100 Years of Active Existence

Permission is hereby granted to Spry Lodge No. 406, Fenelon Falls, of Victoria District, to wear gold braid, effective July 14, 1984, as provided by Section 394 of the Constitution.

Congratulations and best wishes on this distinctive achievement.

Please refer to "Note" on Appendix 3 of this address.

## Lodge Room Dedicated

Scotland Lodge No. 193, Scotland, Brant District, by the Grand Master, on April 3rd, 1982.

The brethren of Scotland Lodge No. 193 are to be commended for their initiative and vision in providing such a practical well-designed Temple for their new home

## **New Printings**

- 1. A newly-published Handbook on the Ceremony of Installation and Investiture of the Officers of a lodge was authorized for distribution by the Grand Master, in July 1980.
- 2. The revised Ritual or Book of the Work, which now includes Charges in the Three Degrees, plus some streamlining in content of the issue formerly in use, and a M.M. Ritual are now available for purchase by constituent lodges.

We take this means to thank the Committees charged with the preparation, editing and the making available of these new printings, for the many hours of work entailed.

## The Grand Master's Banquet

The speaker at this year's banquet will be one of our esteemed Past Grand Masters, M.W. Bro. (Dr.) E. W. Nancekivell. This devoted servant of

Grand Lodge is well known to many who will be in attendance. Perhaps best known for his eloquence, wit, and unusual charm. You will depart, I submit, satisfied that M.W. Bro. Nancekivell did indeed uphold the long standing tradition of having outstanding speakers grace the lectern as the highlight refreshment phase of our Grand Communication.

## Closing Remarks

Before concluding this address, I feel compelled to express my gratitude to you brethren for permitting me the privilege of serving this Grand Lodge as Grand Master.

As we enter another Masonic year we dare not do so with casual unconcern. Throughout the world people are living in anxiety and fear lest present local wars turn into another world holocaust.

Individuals all about us have come to rely on technical advancements in search of the good life, based on material possessions. The solution to the problems of mankind, however, depends fundamentally on an improvement in human relations and morality rather than technical skills.

Has Freemasonry anything to offer in times like these? Insofar as its influence extends, surely it does. In attitude, I sense many Masons require a slight turning back. Too many expect Masonry to conform to the modern world, rather than that they should comply with our system of morality.

We, as Masons, profess to have principles we cherish; a belief in a Supreme Being, Brotherhood, concern for our widows, respect for law and order, ideals of honour, integrity and morality. Those attributes have brought out the good in man — inspiration, patriotism, liberty and the will to live by the Golden Rule. Would anyone change them? Your answer is no, you would not.

The practice of Brotherhood is essential to maintaining a vigorous fraternity. When we exemplify Masonry in such a manner we indicate to non-masons that we are builders, with a deep concern for others.

This is the challenge that confronts Ancient Freemasonry today — an exciting and hopeful one! By practicing what we learn in our Temples we are building that better, happier, rewarding world each of us so earnestly seeks.

May the Blessing of the Great Architect of the Universe abide in each of you, your families and friends, throughout the coming year.

Respectfully and fraternally,

HOWARD O. POLK, Grand Master.

# APPOINTMENT OF COMMITTEE ON THE GRAND MASTER'S ADDRESS

At the conclusion of the Address it was moved by M.W. Bro. J. N. Allan, seconded by M.W. Bro. B. B. Foster, and carried: That a committee, composed of all the Past Grand Masters present, consider and report to Grand Lodge on the Grand Master's Address. The motion was put by the Deputy Grand Master.

# REPORT OF THE COMMITTEE ON DECEASED BRETHREN

This Report was presented by R.W. Bro. W. A. Isbister, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Isbister, it was received and adopted.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

Brethren, in an attempt to create an atmosphere suitable for remembering our departed brethren amidst the noisy confusion of the Large City life I shall recite to you the first and last verse of the inspiring hymn — "O Valiant Hearts."

O valiant hearts, who to your glory came Through dust of conflict and through battle flame; Tranquil you lie, your knightly virtue proved, Your memory hallowed in the land you loved.

O risen Lord, O Shepherd of our dead, Whose Cross has bought them and whose staff has led, In glorious hope their proud and sorrowing land Commits her children to thy gracious hand.

We shall remember them, each for his individual contribution. The Jimmy Trebel's for their gentlemanly grace and sound counsel. Each brother we shall remember for the manner in which he touched our lives and thereby indicated in his actions his interpretation of acceptable Masonic behaviour.

I render acknowledgement of appreciation for the assistance and support on this committee from the Past Chairmen and to Rt. Wor. Bro. George Morris, our Grand Chaplain, for his enthusiastic and substantial contribution.

Annual individual Lodge Memorial Services paying tribute to Departed Brethren are being conducted by an increasing number of lodges. In several Districts a combined Memorial Service has been conducted with enthusiastic participation. Both these manners of approach demonstrating reverence to our Departed Brethren are encouraged.

Many Masonic Services are being held in funeral homes with District Deputy Grand Masters present when possible. One D.D.G.M. reports having attended sixty-three services during his first six months in office. Our committee commends the lodges taking part on the solemnity and reverence of manner such Services are being conducted. The families of deceased brethren are generally most appreciative.

London East and West Districts held a Masonic Memorial Service conducted by Rt. Wor. Bro. Filip Cappa, D.D.G.M. of London West, for the late Bro. Dr. Ramon Curotto Botto, of Peru. Dr. Botto had been admitted to Western University Hospital for treatment of an aneurysm. Through an interpreter the brethren were able to communicate with Mrs. Botto who was extremely grateful and expressed a desire to

be given the pieces of evergreen the brethren had deposited on the casket to serve as a memento of their respect for our brother, her late husband.

Brethren, may your committee respectfully make reference to the paramount need of the deceased brother's Worshipful Master, or his delegate, being in communication as soon as discretionately possible with the widow or other appropriate member of the family. In cases of brethren having been ill prior to death the families' needs and desires may be known before hand. Otherwise, a discretionate assessment of the reaction to enquiries, such as, if a Masonic funeral may be desired, will be the guide to pursue.

Of equal importance is the absolute need of continuing devotion regarding thoughtful attention afterward. To this need we must be constantly reminding ourselves to make a visit, a phone call, or send a message through our confused mail system.

In our endeavour to widen the meaningful image of Free Masonry in our communities let us become more active by demonstration. Let us widen the sphere of our present indulgence in visitation and courtesies to include people in the community with whom we have contact. When thanked for a courtesy or good deed, however small, just reply Thank You! I am a "Mason." We try to help people! Some brethren have been extending our horizons. A number have been awarded the William Mercer Wilson medal. Let more of us increase our endeavours in this humanitarian effort.

This, then, is the challenge; to practice that which we profess — "Charity" — by demonstration. How can we better remember our Departed Brethren than by helping the living?

We will observe a one minute silence in memory of those Departed Brethren whose names have been engraved in the printed form.

May we remember them — by serving!

# Memorial Service

## Opening:

Sustained by a faith that is stronger than death, And comforted by the hope of a life that shall endless be, Let us cherish the memories, forever sacred, Of those whom we now remember in this memorial service

## Invocation: Psalm 23 (In unison)

The Lord is my shepherd, I shall not want; he makes me lie down in green pastures. He leads me beside still waters; he restores my soul. He leads me in paths of righteousness for his name's sake.

Even though I walk through the valley of the shadow of death, I fear no evil; for thou art with me; thy rod and thy staff, they comfort me.

Thou preparest a table before me in the presence of my enemies; thou anointest my head with oil, my cup overflows. Surely goodness and mercy shall follow me all the days of my life; and I shall dwell in the house of the Lord for ever.

### The Prayer of Remembrance

Almighty and Supreme Ruler of the Universe, we come to pay tribute to those who have passed to the Grand Lodge Above. Guide us to deepen our memories of them and what they have meant to our brotherhood. We ask your special blessing upon their widows and families. May you comfort them and bring them strength and guidance in their time of need.

We thank you for all the things you have accomplished through their lives; their commitment, their acts of true service to our communities, and for all their achievements in the cause of brotherhood and truth.

We thank you for the privilege of knowing them and of sharing in their lives.

We cherish these memories in our hearts.

SO MOTE IT BE (In Unison)

## The Responsive Psalm 121

- 1. I will lift up my eyes unto the hills, from whence cometh my help.
- 2. MY HELP cometh from the Lord, which made heaven and earth.
- 3. He will not suffer thy foot to be moved; He that keepeth thee will not slumber.
- 4. BEHOLD HE that keepeth Israel shall neither slumber nor sleep.
- 5. The Lord is thy keeper. The Lord shall preserve thee from all evil.

6. THE LORD shall preserve thy going out and thy coming in from this time forth, and even for ever more.

### The Prayer of Dedication

Almighty God, our creator, in this hour of solemn remembrance may Your Presence make our days bright and rich in the fruits of Your Spirit and tender in human ministry. Give us strength for all the tasks that lie before us. Fill our whole being with new vision, new hope. Challenge us to live a love-centered life of sharing and caring; that our lives may truly honour and glorify Your Holy Name.

The brethren join in repeating the Universal Prayer:

Our Father Who Art In Heaven

The Hymn-"Guide Me, O Thou Great Jehovah"

CWM RHONDDA 878787 and repeat

Guide me, O Thou great Jehovah, Pilgrim through this barren land; I am weak, but thou art mighty; Hold me with thy powerful hand: Bread of Heaven, bread of Heaven, Feed me till I want no more, Feed me till I want no more.

Open now the crystal fountain Whence the healing stream doth flow; Let the fiery cloudy pillar Lead me all my journey through: Strong deliverer, Be thou still my strength and shield.

When I tread the verge of Jordan, Bid my anxious fears subside; Death of deaths, and hell's destruction, Land me safe on Canaan's side: Songs of praises, I will ever give to thee.

### The Benediction

May the blessing of the Great Architect of the Universe rest upon us and upon all our work and worship done in His Name. May he give us light to guide us, courage to support us, and love to unite us, now and evermore.

Amen

GEORGE MORRIS, Grand Chaplain.

All of which is respectfully submitted on behalf of the Committee on Deceased Brethren.

W. A. ISBISTER, Chairman.

#### RECEPTION OF GRAND REPRESENTATIVES

As the Grand Secretary called the roll of Grand Representatives of other Grand Lodges those who were present stood up and were welcomed by the Grand Master. Grand Honours were then given under the direction of the Grand Director of Ceremonies.

## AUDITORS' REPORT

To the Most Worshipful the Grand Master, Officers and Members of Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

We have examined the summary of resources of Grand Lodge A.F. & A.M. of Canada in the Province of Ontario as at April 30, 1982 and the various statements of receipts and disbursements as indexed for the year then ended. Our examination was made in accordance with generally accepted auditing standards, and accordingly included such tests and other procedures as we considered necessary in the circumstances.

In our opinion these financial statements present fairly the financial position of Grand Lodge A.F. & A.M. of Canada in the Province of Ontario as at April 30, 1982 and the results of its operations for the year then ended in accordance with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

#### GRAND TREASURER'S REPORT

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

I am happy to report the deficit in the operation of Grand Lodge forecast in the budget one year ago did not materialize. I must, however, inform you that the surplus indicated in the amount of \$24,560 requires an explanation.

It was expected that cost of printing the new edition of The Work, which was approximately \$30,000, would be paid for in the year 1981-82. Instead, payment is being made in the current Masonic year — our period of opulence is, therefore, short-lived.

The long-established practice of presenting our financial statement on a cash basis, with no reference to our inventory position, can result in our statement being more favourable or less favourable than it would be if the inventory was taken into account. Certain other payments amounting to more than \$10,000 were in a category similar to The Work.

The full benefit resulting from the increasing of fifty cents per member in dues to Grand Lodge was effective and increased this source of revenue to Grand Lodge by \$18,000. I wish, however, to forcefully draw your attention to the effect of inflation on our expenditures. Increases in salaries of staff, in grants for Benevolence, in printing, particularly the Proceedings of Grand Lodge, in the expenses in connection with the convocation of Grand Lodge and in postage exceeded the increase in revenue resulting from the raising of the members' dues from \$2.00 per year to \$2.50 per year.

Care is exercised to reinvest investments as they mature. All have been at a much higher rate of interest which benefits the revenue of Grand Lodge — unfortunately very few matured in this year.

I wish to again draw your attention to the increase in value of the investments held by the Commutation Fund. Action taken by M.W. Bro. Cleeve Hooper when he was Grand Treasurer is responsible for this creditable development. He instituted the segregation of payments into the fund and while still making substantial payments to Grand Lodge each year he invested the balance in sound interest bearing securities. The Auditor's Report now states that investments held by the fund total \$199,000, producing an income of \$19,618. This amount is included in the receipts of Grand Lodge and serves to compensate, in part, for the loss of revenue by Grand Lodge of members' dues that have been commuted.

I wish to again record my thanks to the Grand Secretary and his staff for their assistance in facilitating the work of the Grand Treasurer, and the Chairman of the Committee on Audit and Finance for his wise counsel.

I wish also to record my appreciation of the services rendered by our Auditors in the preparation of the Annual Financial Report for presentation to Grand Lodge. The report sets out our financial operations during the year and the state of our finances at year end. I recommend the careful perusal of this statement by the brethren.

Respectfully and fraternally submitted.

JAMES N. ALLAN, Grand Treasurer.

The Special Retirement Fund has been established (as budgeted) to set aside \$25,000 capital and accumulate income thereon in order to provide funds to be invested at future retirement dates with the income then earned to augment retirement pensions for three long time employees. Capital and accumulated income so invested will revert to the General Fund when each particular pension terminates.

On motion of the Deputy Grand Master, seconded by the Grand Treasurer, the Report and the Auditor's Report were received and adopted by Grand Lodge.

Semiannual returns have been received from all 647 constituent lodges and the information contained therein has been entered in the books of Grand Lodge. Statistical information may be found in the audited statement presented by the Grand Treasurer and in other tables printed in the Annual Proceedings of Grand Lodge.

In conclusion, the untiring efforts of our office staff, in discharging their duties, with cheerfulness and efficiency, must be recognized. Their chore has not been easy, especially in this era of change: the ever-changing ranks of Lodge Secretaries, together with changing modes and methods of operation — not to mention the requirement for rapid and constant change and updating of lodge bylaws, as well as the ever-present human trait, that of disregard for the necessity of proper detail and the lack of observation of the required time parameters necessitated by printing schedules etc. — is an ever-increasing challenge to a dedicated staff. Nevertheless, the challenge is accepted and the many and varied talents of your office staff makes their continued service and dedication possible.

Once again it has been my pleasure to work with our Grand Master, Deputy Grand Master, Past Grand Masters and all members of the Board of General Purposes in the discharge of my responsibilities. A very special tribute must be paid to our Lodge Secretaries who labor so diligently in the furtherance of Freemasonry in their areas. The effort, skill and kindness of all the brethren is indeed appreciated by your Grand Secretary as he strives to serve our Craft.

Respectfully and fraternally submitted.

RESlavies
Grand Secretary.

On motion of the Deputy Grand Master, seconded by the Grand Secretary, the Report was received and adopted by Grand Lodge.

# REPORTS OF THE DISTRICT DEPUTY GRAND MASTERS

The Reports of the 43 District Deputy Grand Masters were presented by the Grand Secretary and on motion of the Deputy Grand Master, seconded by the Grand Secretary, they were received and referred to the Board of General Purposes.

### COMMITTEE OF SCRUTINEERS

The Grand Master appointed R.W. Bro. Robert Strachan, Chairman of the Committee of Scrutineers, to supervise and count the vote at the election of Grand Lodge officers, with power to name the members of the Committee.

# REPORT OF THE COMMITTEE ON FRATERNAL CORRESPONDENCE

M.W. Bro. B. B. Foster presented this Report and read the Foreword to the Reviews. The Deputy Grand Master then moved, seconded by M.W. Bro. B. B. Foster, that the Report be received and adopted: Carried.

# REPORT OF THE COMMITTEE ON FRATERNAL RELATIONS

This Report was presented by M.W. Bro. E. W. Nancekivell, Chairman, and on motion of the Deputy Grand Master, seconded by M.W. Bro. Nancekivell, it was received and adopted.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

The Committee on Fraternal Relations reports that there have been no requests from other Grand Lodges for recognition this year and no indication that recognition should be suspended or withdrawn from any Grand Lodge presently recognized by the Grand Lodge of Canada in the Province of Ontario.

We received the Annual Report of the Commission on Information for Recognition of the Conference of the Grand Masters of Masons in North America which met in Washington in February 1982, and this report likewise did not recommend any change in Recognition to the Constituent Grand Lodges of the Conference which includes our Grand Lodge.

Respectfully and fraternally submitted,

ERIC W. NANCEKIVELL,
Chairman.

### REPORT OF THE COMMITTEE ON WARRANTS

This Report was presented by R.W. Bro. R. Colledge, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Colledge, it was received and adopted.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge, A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

It is my privilege to present, on behalf of the Committee on Warrants, our report to the 127th Annual Communication of this Grand Lodge.

Your Committee is composed of R.W. Bro. Norman V. R. Camp, Grand Senior Warden; R.W. Bro. Blakely D. Lamont, Grand Junior Warden, and myself as chairman.

We regret to report that at this time there are no lodges operating under dispensation, therefore there are no requests for Warrants at this Communication of Grand Lodge.

We understand however, that there are three or four lodges in various stages of development which your Committee finds to be encouraging and gratifying for the future welfare of our beloved Craft. We look forward to further advancement in the coming year and offer all possible assistance in their efforts.

The members of the Committee heartily congratulate the energetic members who are responsible for the formation of these new lodges. Our hope is that each Charter Member, and the appointed officers will find the experience challenging and rewarding.

It has been suggested that a substitute Warrant be made available to the lodges in order that the original Warrant may be placed in safe-keeping. Your committee has made some progress but there are still some problems to overcome. If we are able to produce a suitable substitute, it must still pass the Committee on Constitution and Jurisprudence, and would then necessitate an amendment to the Book of Constitution and a slight change in the Installation Ceremony. We hope that this subject can be brought up for discussion at the Fall Meeting of the Board of General Purposes.

As a Committee we feel that our duty is not only to assist in the granting of new Warrants, but to assist in the keeping of the old. No doubt some of you have heard of the possibility of a lodge surrendering its Warrant, usually for financial reasons. If, by chance, you know of such a case, please my Brethren, notify Grand Lodge before it is too late. It is quite possible that some help can be provided. We do not want to lose any of our lodges.

We wish to express our sincere gratitude to the Grand Secretary and his staff for the advice, assistance, and encouragement afforded us during this past year. We are indeed fortunate to be able to avail ourselves of their wealth of experience.

Respectfully and fraternally submitted,

ROBERT COLLEDGE, Chairman.

# REPORT OF THE COMMITTEE ON GRIEVANCES AND APPEALS

This report was presented by R.W. Bro. N. E. Byrne, Chairman, and on motion of the Deputy Grand Master, each part, together with the report in its entirety, was received and adopted.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

Your Committee is charged with reviewing the decisions of Boards of Appeal resulting from Masonic trials held in this Grand Jurisdiction from time to time.

Two Boards of Appeal held hearings during the last Masonic year resulting from decisions of Trial Commissions where the punishment imposed included a recommendation for expulsion. The particulars relating to these two matters are as follows:

### PART I

RE: BRO. HENRY KATZ Electric Lodge No. 495

A Charge under Section 410(m) (a criminal offence) was laid against Bro. Henry Katz of Electric Lodge No. 495.

A Trial Commission was appointed by the Worshipful Master of this lodge and the composition of the committee was approved by the members of the lodge, as required by the Rules Respecting Trials.

The Trial Commission held its hearing November 18, 1981. Bro. Henry Katz was not present, although, Notice of Trial was sent to him, as required by the Rules. A Certificate of Conviction by a Court of competent jurisdiction was produced to the Trial Commission showing that Bro. Henry Katz has been convicted of several charges of fraud and theft by fraud of large sums of money.

The Trial Commission unanimously found Bro. Henry Katz guilty as charged and rendered the punishment of indefinite suspension with a recommendation to Grand Lodge that he be expelled.

Bro. Katz did not appeal this decision, but as this type of punishment requires an automatic appeal, I, as Chairman of the Committee on Grievances and Appeals, convened a Board of Appeal and appointed R.W. Bro. Rod J. Connor as Chairman.

Bro. Henry Katz was notified, as required by the Rules, by the Chairman of the Board of Appeal of the time and place of the appeal hearing and of his right to be present or represented. He did not appear on June 29th, 1982 when the Board convened and the Board of Appeal, after consideration, unanimously affirmed the decision of the Trial Commission, that is a finding of guilt and the punishment of indefinite suspension plus a recommendation for expulsion.

Your Committee recommends approval by Grand Lodge to the expulsion of Bro. Henry Katz as found by both the Trial Commission and the Board of Appeal.

### PART II

RE: WOR. BRO. FREEMAN K. BAILEY Golden Rule Lodge No. 126

In the Fall of 1981, as a result of a Reviewing Committee appointed by the Master of Golden Rule Lodge No. 126, a charge of unmasonic conduct, under Section 410(n) (sexual immorality) was found against Wor. Bro. Freeman K. Bailey.

The Trial Commission held a hearing March 4th, 1982, notice of the time and place of which was given to the accused Brother. The accused did not appear, but was ably represented by a Brother Mason. A Certificate of Conviction for Indecent Assault on a female contrary to Section 149 of The Criminal Code of Canada by a County Court Judge, a Court of competent jurisdiction, was presented in evidence to the Trial Commission.

After due deliberation, the Trial Commission, under the Chairmanship of Wor. Bro. D. Sharp, found Wor. Bro. F. K. Bailey guilty as charged. The punishment imposed by the Trial Commission was indefinite suspension plus a recommendation for expulsion.

Again, this type of punishment requires an automatic appeal. Wor. Bro. Bailey was advised of his right to appeal as well as his right to be present or represented.

As Chairman of the Committee on Grievances and Appeals, I appointed a Board of Appeal to hear this matter and again appointed R. Wor. Bro. Rod J. Connor as Chairman.

The Board of Appeal met in Peterborough to afford easy opportunity for the accused Brother to be present on July 6th, 1982. The Board satisfied itself that the accused has been advised of his right to be present or represented and although Wor. Bro. Bailey chose neither course, the Board considered the trial transcript and evidence of the Trial Commission and, after due deliberation, unanimously affirmed the decision of the Trial Commission as to the guilt and as to punishment.

Your Committee recommends approval by Grand Lodge to the expulsion of Wor. Bro. Freeman K. Bailey as found by both the Trial Commission and the Board of Appeal.

As Chairman of your Committee, I wish to express this Committee's sincere appreciation of the work completed by both Boards of Appeal in their conducting a final deliberation and consideration of these serious matters.

Their task was not sought out nor a pleasant one, and they are to be commended for responding to their Masonic duty. A special thanks is extended to Rt. Wor. Bro. R. J. Connor, an experienced member of this Committee, for the special care and precise dedication in arranging for the conduct of both Boards of Appeal, a contribution involving considerable time, expertise and travelling.

Your Committee will continue its work in the year ahead and it is hoped that the proposed amendments to the Rules Respecting Grand Lodge Trials, if passed by Grand Lodge, will allow it to direct its efforts to the cause that all Masons who unfortunately turn aside into the paths of error may be dealt with as brother Masons with justice, with honour, and with mercy.

Where Masonic offences have occurred, complaints should be laid. If a Reviewing Committee finds reasonable grounds to support a charge, a Masonic trial will ultimately ensue.

Masonry will thus deal with those of its members who may have transgressed the rules and regulations of our Order or offended the principles of morality that Masonry strives to impart in the minds of men.

The decision of the Trial Commission may be guilt or innocence, but one way or the other the matter will have been dealt with Masonically.

All errors are not equally innocuous. Masonry teaches us that the penalty should fit the offence, and in this way while a brother Mason may have been found guilty after a Masonic trial, he may suffer little or no real serious punishment if the various degrees of punishment are considered by all Trial Commissions in their deliberations.

Your Committee feels strongly that Masonic offences should not be ignored or swept under the rug. They should be dealt with so that after the sentence of the Trial Commission has been completed, the brother Mason who once offended, may be accepted once again by his brethren with that degree of friendship and charity that forms part of our ancient tradition.

Your Committee acknowledges the special efforts provided by the Grand Secretary, M. Wor. Bro. Robert E. Davies and his supportive staff. Without their assistance, your Committee would not have been able to serve this Grand Jurisdiction nearly as well, and its tasks would have been accordingly more difficult.

All of which is respectfully submitted on behalf of the Committee.

NORMAN E. BYRNE, Chairman.

# REPORT OF THE COMMITTEE ON PRINTING AND PUBLICATIONS

This Report was presented by R.W. Bro. R. T. Runciman, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Runciman, it was received and adopted.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

On behalf of the Committee on Printing and Publications, I, as Chairman, beg leave to submit this report to the 127th Annual Communication of Grand Lodge.

Printing costs for the year and comparative figures for the preceding year are summarized as follows:

	1980-81	1981-82
Grand Lodge Bulletins	\$ 4,971.00	\$ 2,521.00
Postage (Bulletins)	1,998.10	748.00
Fraternal Reviews (3400)	3,963.28	5,003.00
Preliminary Reports (3400)	4,903.13	6,313.00
Proceedings (1300)	11,644.34	12,128.00
Printing, Stationery		
& Office Supplies	8,736.77	6,623.00
	\$36,216.62	\$33,336.00

The inventory of Grand Lodge publications for resale and comparative figures for last year and the number of volumes sold is summarized as follows:

	1980-81	1981-82	Volumes sold
Meeting the Challenge	5,550	5,040	510
First Grand Master	1,460	1,040	420
Beyond the Pillars	800	350	450
The Work	1,750	_	1,750
New Constitutions	2,700	1,100	1,600
Whence Come We?	17,000	16,000	1,000

### Sale of Proceedings

1981 — 48 Books @ \$5.00 \$240.00 1982 — 97 Books @ \$5.00 \$485.00

The final audited figures for all of the above amounts for the year ended April 30, 1982 appear in the Grand Treasurer's Report.

It is to be observed that the cost of printing the "Fraternal Reviews," the "Preliminary Proceedings" and "The Proceedings" has increased significantly. The price at which "The Proceedings" are sold to members of the Craft is just over fifty per cent of the cost of printing. It is respectfully suggested that the sale price of "The Proceedings" be increased to a more realistic amount to assist in defraying the cost of printing.

The inventory of "The Work" is shown in the figures as being depleted. An order was placed for new inventory during the fiscal year but it was not received until after the year end. The actual figures will be reported in the 1982-83 report. We are advised, however, that the back orders have been filled.

The Committee is disappointed that the sale of Grand Lodge publications is down from last year and the sale of "Whence Come We?" is indeed disappointing. We urge the District Deputy Grand Masters and the District Chairmen of Masonic Education to redouble their efforts in order to reduce this high inventory and generate cash flow.

At this time because of high costs we do not believe it is wise to consider replenishing inventory levels of other publications until the inventory on "Whence Come We?" is brought to a much lower level.

Last year printed forms were made available to all District Deputy Grand Masters for distribution to all the lodges to facilitate ordering Grand Lodge publications and we recommend that this be continued next year.

At the Board of General Purposes meeting in November 1981, a motion was passed requesting this Committee to investigate the viability of the "Masonic Passport." The response from the District Deputy Grand Masters indicates that, at the present time, there is not sufficient interest to pursue the matter further.

We commend the Grand Secretary and his staff for their vigilance in controlling costs. It is refreshing to observe that the cost of printing, stationery and office supplies is reduced. The committee also wishes to thank the Grand Secretary and his staff for their continued cooperation and assistance.

We also wish to thank the members of the Masonic Education Committee for their efforts in selling Grand Lodge publications.

All of which is respectfully submitted.

ROBERT T. RUNCIMAN, Chairman.

# REPORT OF THE COMMITTEE ON MASONIC EDUCATION

This Report was presented by R.W. Bro. W. R. Pellow, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Pellow, it was received and adopted.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

On behalf of the Committee on Masonic Education, it is a distinct privilege to report to the 127th Annual Communication of Grand Lodge as follows:

The Committee was composed of M.W. Bros. W. L. Wright, W. K. Bailey, N. R. Richards; R.W. Bros. F. J. Bruce, W. E. McLeod, E. C. Steen, D. C. Bradley, and V.W. Bro. E. J. Brown with the undersigned as Chairman.

To answer to you on every constituent lodge and district Masonic Education program, function, and agendum that has transpired in our vast jurisdiction in the past year would create an impressive but highly impractical and lengthy report. I shall concentrate on the highlights for brevity.

Your committee was activated in August, 1981, three weeks after the close of the 126th Annual Communication of Grand Lodge. The committee met formally in Toronto on three separate occasions, September 5, 1981, January 9, and April 1, 1982. Several other mini-meetings were arranged with the committee members.

The success and progress established this year in the field of Masonic Education can be attributed, in part, to the directives and foresight of previous Grand Lodge

committee members of Masonic Education and especially upon the recommendations contained in the 1981 report presented to Grand Lodge by the then Chairman, R.W. Bro. Wallace McLeod.

We are fortunate to have several major Masonic publications at our disposal which are particularly appropriate for Masonic Education in our jurisdiction. In the business world, the publishing could be termed "production". It has been production of quality and expertise, of matters relating to history, philosophy, valuable information, counsel and the symbolism of Masonry. It was our duty to progress into another field of business this year, that of "marketing". It is imperative to disseminate this Masonic information to the constituent lodges and members to provide enjoyment and to whet the appetite for further Masonic knowledge.

To this end and to administer our supplemental education programs efficiently throughout our jurisdiction, which encompasses hundreds of thousands of square miles, your committee decided that the jurisdiction be regionalized. Six regions were formed with approximately seven Masonic Districts in each region. Each region is administered by a Regional Director. Due to the geographical expanse of the far north and west, co-regional Directors were appointed. The Regional Directors are:

Western:
Northern:
R.W. Bro. J. D. Jackson
R.W. Bro. G. Y. Masters
Mid-Ontario, Central:
V.W. Bro. E. Gutpell
Wor. Bro. H. F. Whitmore
R.W. Bro. Paul Curry
London, Windsor:
R.W. Bro. Edsel Steen
R.W. Bro. D. R. Hall

Each of the above were recommended for their skill and ability which was revealed and culminated in their successful private avocations as educators and administrators. Your committee unanimously congratulates them for their several accomplishments in their respective regions.

All were welcome to participate at our committee meetings. Their contributions were extremely profitable.

The Grand Lodge Committee on Masonic Education provided a Five Point Program, which included:

- 1. The Study Group
- 2. The Newsletter
- 3. Deacons' Program
- 4. Masonic Workshops
- 5. Grand Lodge Speakers' Program

Permit me to expand and explain:

### 1. The Study Group

A course of Masonic Study involving nine assignments was spearheaded by Program Director, V.W. Bro. Ernest J. Brown. Over 400 Masons have registered for the course. The D.D.G.M.s' reports reveal that several of the course graduates have been presented with certificates of merit on especial occasions. Your committee recognizes the tireless efforts of V.W. Bro. Brown and his devoted group of scrutineers

and administrative personnel. R.W. Bro. Arthur Youngs has served with unboundless energy as Chief Scrutineer since the course began. He now has an understudy, R.W. Bro. George Inrig, and the following Assistant Scrutineers Bros. F. J. Bruce, E. S. P. Carson, D. M. Copeman, R. C. Corbeil, R. B. Forster, E. H. Harper, L. A. Hirst, R. H. Hunt, T. A. Johnson, and C. A. Sankey. R.W. Bros. Angus Ogilvie and F. A. Hamilton serve as the perennial Treasurer and Auditor, respectively.

There can be no denial that the course has generated much enthusiasm and has led us to realize that there is a need and desire for such a program in our jurisdiction.

Your committee has chosen to evaluate the past and present operations of The Study Group in detail. An Ad Hoc Committee was formed under the Chairmanship of M.W. Bro. N. R. Richards on September 5, 1981. Following discussion as related to The Study Group at the January and April meetings of the Committee on Masonic Education we recommend that:

- 1. The Committee on Masonic Education review the status of The Study Group and advise on the future of this activity with particular reference to curriculum, operation, and location.
- 2. The Committee further recommends that the topic of The Study Group be an agenda item at the fall meeting of The Board of General Purposes.
- 3. At least 50% of the new course content should be based on material contained in Grand Lodge Publications.
- 4. The present course be terminated December, 1983. This will allow ample time for all registered students to complete their assignments, and to determine the kind of course that might be offered in the future.

From the foregoing it is apparent there will be no interruption of The Study Group in 1982-83.

### 2. The Newsletter, Editor, R.W. Bro. D. C. Bradley

Volume I, Edition 5 is in circulation and you will recognize the Newsletter subscription booth this year at Grand Lodge, where Volume II, Edition 1 is available.

You may avail yourself of these solidly packed education booklets by making a \$5.00 cheque payable to the Chairman of Masonic Education which will ensure you a year subscription of at least three additional issues.

All enquiries should be addressed to:

D. C. Bradley, Editor 81 Hillsdale Avenue West Toronto, Ontario M5P 1G2

The Editor welcomes contributions and comments. The exciting fact concerning this Newsletter is its originality within our membership and the brethren have some control on its content. Extracts from it have been used in Lodge Summons; for short educational talks in lodge, some have been used as ideas for speeches, but most important, all for your Masonic enjoyment and reading pleasures.

The committee congratulates the Editor for his selection, research capabilities and the intellect to be able to transpose his ideas to pen and paper.

With the abundance of early replies, favorable comments and advance subscriptions we are extremely optimistic for the Newsletter's future success. We strongly recommend that Lodge Chairmen of Masonic Education publicize and assist by promoting at least 10 or 12 subscriptions in each lodge annually.

### 3. Deacons' Program:

The official text is "Towards The Square", outlining five themes which are recommended to be covered in five separate evenings:

- a. The Worshipful Master
- b. Meetings
- c. Lodge Committees
- d. Lodge Officers
- e. Grand Lodge

This program has shown great strides in generating enthusiasm and interest among those participating in the sessions. Several Districts grouped together to take advantage of expert mentors for the course, while others rearranged the five sessions into three or four, and Ontario District decided on an all-day seminar. Georgian District has conducted the Deacons' Program for the past two years, "and recommends it continue." Hamilton "A," "B," and "C" conducted four sessions May through June. Niagara "B," Algoma, Chatham, Sarnia, Ontario, Frontenac, Toronto 2, and Windsor all have instituted the program. Windsor plans to complete sessions four and five in the Spring of 1983. Author, R.W. Bro. D. C. Bradley, has piloted many of the first sessions off the ground in several districts.

One thousand seven hundred and fifty (1,750) copies of "Towards The Square" have been printed to date.

### 4. Masonic Workshops:

Two multi-district workshops were conducted in London and Waterloo.

- a. London: The London East, London West, St. Thomas and South Huron Workshop was titled, "Masonic Windows," under the very capable Chairmanship of R.W. Bro. William Deller, who has served several years as supervisor of Masonic Education in the London area. The four topics presented were:
  - Images of Free Masonry in Our Society. R.W. Bro. Rev. George Morris, Grand Chaplain
  - The Social Hour R.W. Bro. A. Lou Copeland
  - 3. The Investigating Committee M.W. Bro. N. R. Richards

4. The Lodge Historian R.W. Bro. J. J. Talman

Attendance 179, \$500.00 worth of Masonic publications were sold on that day. One interesting observation, M.W. Bro. Richards made reference to "Whence Come We?" in his address, later all copies on hand were sold. This tells a story about promotion and generating interest through our Masonic Education resources. Enthusiasm and active participation was overtly evident.

- b. Waterloo: The workshop was titled, "Freemasonry and You in '82," under the guidance of Workshop Chairman, R.W. Bro. G. J. Powell. Four speakers presented the following:
  - 1. "Grand Lodge a Critical Review" R.W. Bro. D. C. Bradley
  - 2. Image of Free Masonry V.W. Bro. J. Carpenter
  - 3. Youth Activities

    Bro. Roy Doherty
  - 4. Masonic Prospectus R.W. Bro. Earl Wilson

Attendance 144. This is the fourth successful regional workshop to be conducted for Grey, Brant, Bruce, Wilson, Waterloo, Wellington, and North Huron Districts.

Both Workshops followed the same format, four principal speakers, then mentors and scribes conducting small discussion groups.

Your committee recommends "The Image of Freemasonry," common to both workshops be studied for constructive ideas by the 1983 Committee on Masonic Education.

### 5. Speakers' Program:

Geographical obstacles, especially the great distances between lodges in the far north and west region of our jurisdiction, created problems in these areas for the successful completion of an organized Speakers' Program. There are four or five hundred miles between some lodges in these districts. However, in the more densely populated areas this program has found tremendous success.

One Regional Director, R.W. Bro. Paul Curry (Seven Toronto Districts) has compiled a list of speakers under topic headings from Audio-Visual to Mystic Masonry. Another, V.W. Bro. Elmer Gutpell, had the highest percentage of acceptances in Mid-Ontario, Central region with over 65% affirmative responses. A fantastic accomplishment.

Communications between Lodge Masonic Chairmen, the Regional Directors, and the Speakers have greatly improved with new application forms, new ideas and tried methods.

This Committee recommends:

- a. At least six weeks lead time to organize, publicize, and arrange for the reception of talented, knowledgeable, and interesting speakers.
- b. More than one lodge should be invited to share the speaker's message.
- c. Talks should be kept alive and be enthusiastically presented with a duration averaging 15 minutes.
- d. A general promotion letter be forwarded to all lodges in August-September to start the program off early in the Masonic year.

Comments from Guelph: "This is the most popular thing we are doing and the most visible," Toronto 5 relates, "where a speaker is to provide the bulk of the evening's program he might assist his audience by arranging his program to involve active participants from the audience. Five Districts reported more publicity is required, one pleaded for help, another indicated there was little time on the Education agenda this year for supplemental assistance from Grand Lodge. London East and London West for the past six years have organized inter-lodge Masonic Education Speakers' Programs and since 1979 the Windsor District has "recruited eight very capable speakers who are available to any Lodge in the District."

The general consensus is very favourable and has been unanimously endorsed by all D.D.G.M.s; all advocate that the Speakers' Program be reinstituted in 1982-83.

The most popular form of Masonic Education still is the presentation of short talks by constituent lodge Chairmen or District Supervisors of Masonic Education. Your Chairman cannot but reflect. Are we becoming inbred in hearing familiar speakers in our districts using the same format year after year? Are all our Lodge Educators interesting? Are we providing an opportunity for new Masons to give us their reactions? What do we do about it? I recommend the succeeding Grand Lodge Committee of Masonic Education devise a "diplomatic" peer review in this field for the good of the Craft. But I caution, as one D.D.G.M. reported "one must assess discreetly how much pressure can be applied through Grand Lodge as well as the District Chairman in urging more emphasis on Masonic Education."

District Masonic Education Nights were plentiful and several diversified themes were presented.

Evolution of the Apron, The Three Great Lights, Role of Grand Master, were held in Frontenac District. The 1st Degree and Installation and Investiture (Georgian); Symbolism, History, and Philosophy, a participation by members (Hamilton A). This same format of instruction was hosted by Galt Lodge No. 257, September, 1981 in Waterloo District. Hamilton "C" had four smashing successes in a.), Masonic Education and Instruction, b.) Dialogue with the D.D.G.M. (an afternoon session), c.) Brotherhood night for Masons and friends of Masons (attendance, 200) and d.) LOAM night, L.O.A.M. (Ladies of Active Masons). Bro. Bill Hartnoll educated the group with garden hints and recommendations. An interesting evening with a different twist, well received, and 150 in attendance. R.W. Bro. Wayne Elgie provided your Chairman with a most detailed report. He also launched the AC-DC Newsletter to keep his District Brethren well informed. A

commendable year in Masonic Education. Symbolism on collars, regalia, jewels was presented in Niagara A. A motivation-education seminar (Niagara B) and no less than 10 seminars on various topics held in the Ontario District organized by Wor. Bro. William Baluk. Ontario District Masons were extremely motivated by excellent topic choices in Masonic Education this year. Peterborough, a film "The Saga of the Holy Royal Arch" was presented by Corinthian Chapter No. 36. In Dufferin Lodge No. 364, St. Thomas District an open question and answer in the Three Degrees, enthusiastically received. R.W. Bro. George King comments, "We had a ball." (Toronto I) A "Whence Come We?" panel (very well received) 110 in attendance, and a second Audio-Visual evening on "Members Night."

"The Building of The Temple" was held May 11, 1982 in Toronto 2. (Toronto 5) exhibited a competitive "quiz" between the North and South side of the lodge room and on another evening a session of instruction on collecting the P.G. and P.W. by the Deacons and the proper method to conduct a Masonic Memorial Service. The highlight in Toronto District 6 was the 19th Century Degree portrayed by the Wellington District Degree Team and on another evening a well-prepared, well-organized question and answer session in the Three Degrees.

At York Temple, Toronto 7, 230 Masons witnessed a portrayal of "The Russian Initiation Ceremony of 1810" taken from Tolstoy's War and Peace.

Heritage Lodge No. 730 continues to lead the field in educational research papers and the following were presented:

- Sudbury, October 3, 1981
   "Women in Freemasonry"
   R.W. Bro. J. Lawrence Runnalls
- Cambridge, November 18, 1981
   "The Worshipful Master's Inaugural Address"
   Wor. Bro. George E. Zwicker
- 3. Cambridge, March 17, 1982, a dual presentation
  "The Order of DeMolay"
  Bro. Roy Doherty
  "Ceremony of Lights"
  demonstrated by Paul Bessler
  (A Master Councillor of DeMolay)
- Peterborough, May 15, 1982
   "The Irish Fact in Early Canadian Masonry"
   Wor. Bro. Allan J. Cohoe.

In the summation of District activities, we congratulate the 43 D.D.G.M.s for their well researched and skillfully prepared talks to the constituent lodges on their respective official visitations.

Lodges of Instruction continue to be of great interest and several were conducted by our Custodian of The Work, M.W. Bro. W. K. Bailey.

Yes, my brethren, your Committee does report interest, solidarity, and enthusiasm in many sections of education throughout our jurisdiction.

The unrecorded wealth of Masonic Education and knowledge by Masons who eternalize our Craft is still derived from personal reading and enjoyment.

We salute Bro. Wilson McConnell, editor of The Bulletin, for his composition of Masonic facts and detail for our enlightenment.

We recommend the resource information for your education in the published Volumes of Quatuor Coronati Lodge No. 2076. Any Mason may join the Correspondence Circle and receive these publications, all which are included on payment of the yearly dues.

Thursday, November 11, 1982 at 5:00 p.m., R.W. Bro. Wallace McLeod will be installed at Freemasons' Hall, London, England as the Worshipful Master of Quatuor Coronati Lodge. A momentous tribute to our immediate past Chairman of this Committee and the first Canadian to receive this honour. Several Masons will be enlarging their international Masonic Education by attending this impressive ceremony.

Your Committee extends sincere congratulations and best wishes to Bro. McLeod and Quatuor Coronati Lodge.

Now, I draw the strings together with a Pot Pourri of facts and observations.

It is a fact your Chairman was realistically awakened to the tremendous administrative problems of attempting to instigate innovative programs when Grand Lodge and the majority of constituent lodges have totally different year ends. This fact alone continues to foster isolationism of lodges under the umbrella of Grand Lodge Activities. Approximately 10,000 copies of forms, directives, information, letters, and instructions were sent from this office to all 647 lodges, to the respective Worshipful Masters, Secretaries, District Supervisors, and Lodge Chairmen of Education to the 43 D.D.G.M.s and to all members of the Board of General Purposes of Grand Lodge. Duplication of services, especially to the two groups of Masonic Education personnel within the one calendar year, is extremely costly, unnecessary and very time consuming.

This observation is not set forth to "rock the boat" but the individual lodges should review this one fact for consideration in the light of efficiency, service, and economy.

Your Chairman has produced a set of Guidelines for the direction of this Committee for the future.

Sundry items of information are currently under review, for example, a lodge location map by Districts. A pilot project to assist the Grand Lodge Speakers to find a lodge within the community. Some lodges are not easy to find. A sample will be distributed soon.

A syllabus on dress seems to be required to avoid confusion at regular meetings and convocations, education perhaps, in any event a sharing of knowledge. The undersigned shall present same in 1982.

Your Committee continues to offer information and assistance to organize District educational sessions and has provided individual members several items of resource education material.

A cataloguing of material in 1982 has provided the Library with many Grand Lodge Masonic Education papers this year.

The Iowa Masonic Library Museum and Administration Building at Cedar Rapids, Iowa appears to have an ideal approach to providing Masonic Education under one umbrella, an extremely interesting concept. I recommend the 1983 Committee on Masonic Education review this concept and work in close liaison with our Committee on Library and Printing and Publications with the idea of utilizing the facilities in our Memorial Building in Hamilton.

I recommend that the entire correspondence for this Committee, filtered to and from your Chairman's office should be organized and forwarded to the Grand Lodge Library Chairman for storage. A wealth of information has crossed this desk in the past 12 months and should be retained as historical records.

Good news is always the Best News to report. Your Committee this year has functioned most admirably and progressively and have accomplished an extremely high percentage of the goals and objectives set forth at our first meeting in 1981. The appointment of R.W. Bro. Edsel Steen as Committee Secretary was a stroke of good fortune. He has provided impeccable service.

New ice has been broken by innovative and imaginative programs and the enthusiastic recipients have made your Committee proud.

The Cause and Effect phenomenon is ever present in our Masonic Education Circles. Positive thinking, individual motivation, and enthusiasm are still our key swords for combat.

Forsaking all other Grand Lodge statistics we did have an impressive two thousand one hundred and eighty-two fine men initiated into Masonry in 1981 and they will be seeking Masonic Education. We continue to offer our services to you and to them.

Respectfully and fraternally submitted on behalf of the Committee on Masonic Education.

WILLIAM R. PELLOW, Chairman.

### REPORT OF THE LONG RANGE PLANNING COMMITTEE

This Report was presented by R.W. Bro. R. E. Groshaw, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Wm. Fairley, it was received and adopted.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada, in the Province of Ontario.

Most Worshipful Sir and Brethren:

The Committee was first established in July, 1979, by the Grand Master, with broad directions. To begin the second term, and in view of a significant change of membership, the role of the Long Range Planning Committee was re-examined. It was confirmed that, recognizing that Grand Lodge wishes to maintain the fundamental principles of Freemasonry, it must be the responsibility of the Long Range Planning Committee to examine all aspects of our mode of operation, and to make recommendations to the Board of General Purposes respecting plans for the present and future needs of the Craft.

Six meetings of the Committee were held during the period of September, 1981 to May 1982, and the following reflect their studies.

### (A) Masonic Visibility in the Community

### (1) Responsibility to Youth

The Committee received oral presentations from a number of Masons who are giving leadership in activities involving youth. The relevance of Masonry to youth is particularly significant today because of our changing environment. We live in a multi-cultural society. By the end of this century, the youth of today will have been exposed to the moral philosophies and religious norms from every continent in the world, which will have changed Canada radically from even our present society. Masonry, believing in the brotherhood of man, must use every means at its disposal to benefit from, or capitalize on, these changes in creative ways.

Men who know Masonry best should be setting the stage for attracting future Masons from today's youth, by their involvement and actions in their own homes and by applying Masonic principles in their communities. We must rid ourselves of the concept that a Mason's Masonic life is in isolation from the rest of his relationships with family and friends. In view of the foregoing, the Committee recommends that:

- (1) Masons should be encouraged to share with their families and friends how Masonry teaches such subjects as moral conduct, respect for those in authority, and reverence for all religious principles.
- (2) More Masons should be encouraged to participate in youth work, giving practical support and leadership along with non-masonic adults in religious endeavours, sports activities, scouting, Y groups, DeMolay, 4H groups, etc., in fact all character building activities among young people.
- (3) Grand Lodge should use its means of communicating with the general membership (e.g. The Bulletin) to make known to all Masons that they should become involved and participate in youth work throughout their communities.

### (2) Pioneer Lodge Room

Your Committee is enthused about the prospect of the installation of a lodge room at the Black Creek Pioneer Village. It will endeavour in all ways possible to assist those directly involved with the planning and negotiations as well as the Committee charged with the responsibility of raising the required funds. We shall monitor this and attempt to determine if other pioneer and historical parks should be encouraged to do similar projects at some time in the future.

### (3) Lodge Accommodation

A study has been undertaken to determine the feasibility of incorporating lodge premises in senior type housing accommodations as well as in the commercial developments as recommended by the Advisory Committee on Lodge Buildings last year. Masons in the architectural and development disciplines have been utilized and the study is ongoing.

### (B) Board of General Purposes

(1) Your Committee recommends consideration be given to the establishment of an executive committee selected from the total membership of the Board, and that this executive body include a representation of the Chairmen of the Committees of that Board.

### (2) Regional Representation

The recommendation put forward by this Committee last year for consideration that division of this jurisdiction into areas and the subsequent election of representatives to the Board of General Purposes by these areas has been "referred back to the Long Range Planning Committee for further study and the eventual recommendation as to a means of implementation." The subject has received great attention by your Committee. However, complexities and ramifications beyond the control of the Committee do indicate that implementation may have to be delayed. This proposed major change in our Constitution requires a more detailed understanding of its possible effects on attracting members with gifts of leadership, and to make it practical in terms of administration.

### (C) Utilization of Resources Within Our Fraternity

(1) Association of Past District Deputy Grand Masters and / or Past Grand Lodge Officers. At the present time, such associations are operational in some districts in this Masonic Jurisdiction. Where associations do exist, the membership has been decided by the particular needs of the individual district. In addition to serving a recognized social need, an association operating under the authority and approval of the District Deputy Grand Master can be a definite asset in the smooth operation of district matters.

The varied submissions reviewed by your Long Range Planning Committee have been invaluable to this Committee in attempting to serve the present and future needs of this Grand Jurisdiction. This report is submitted in the trust that we may look forward to your continued co-operation and assistance, by providing input that will enable the Committee to continue to be viable and worthwhile in the future.

Respectfully submitted.

RONALD E. GROSHAW, Chairman.

### CALLED ON

# REPORT OF THE COMMITTEE ON CONSTITUTION AND JURISPRUDENCE

This report was presented by M.W. Bro. W. L. Wright, Chairman, and on motion of the Deputy Grand Master, each part, together with the report in its entirety, was received and adopted.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

The Committee on Constitution and Jurisprudence begs leave to report as follows:

### PART I

Inasmuch as the notice of motion by R.W. Bro. N. E. Byrne (consisting of seven sections and numerous subsections) has been distributed and the brethren having read the proposed changes, your Committee on Constitution and Jurisprudence asks your permission not to read this proposed amendment but only to comment thereon.

1. Amend Section 136(h) by striking out the word "and" at the end of the first paragraph and by striking out the second paragraph and substituting therefor the following two paragraphs:

To review the verdict and the punishment imposed, if any, by a lodge or a Trial Commission following the trial of any brother charged with a Masonic offence, where there is no automatic appeal and no appeal has been taken by the accuser or the accused, and notify the Grand Secretary of its decision; and

To review any application to a lodge for restoration after indefinite suspension and to consider any application to Grand Lodge for restoration after indefinite suspension or after expulsion and notify the Grand Secretary of its decision or report its recommendation in respect thereof to Grand Lodge.

- 2. Section 411 shall be amended by adding thereto paragraph "g" "Where information is received by a lodge or any one of its members, and it appears that there is sufficient evidence to make a complaint, but no member of the lodge is prepared to make a complaint, the Junior Warden, in his office as Junior Warden, shall make such complaint in the manner set out in this section."
- 3. Amend Section 422(h) by deleting the period at the end thereof and by adding the following words "and a copy of such notice, together with proof of such service, shall be sent to the Grand Secretary immediately thereafter."
- 4. Amend Section 423(c) by striking out the present clause and inserting the following:

"No punishment imposed by a lodge or a Trial Commission shall be carried out or take effect until the lodge has been notified by the Grand Secretary that the punishment so imposed has been confirmed or varied after review by the Committee on Grievances and Appeals."

- 5. Amend Section 424 by striking out clauses (n), (o), (p), (q), (r) and (s).
- 6. Add a new Section 424.1 immediately following section 424(m) preceded by a new heading in bold print similar to the heading "Board of Appeal" which precedes section 424 as follows:

### "Committee on Grievances and Appeals"

- "424.1(a) On receipt of a recommendation from a Board of Appeal, the Committee on Grievances and Appeals may accept, reject or vary such recommendation and the decision of the Committee on Grievances and Appeals shall be final except where the Committee recommends expulsion.
- (b) Where there is no automatic appeal and no appeal has been taken from any verdict of a lodge or a Trial Commission or from any punishment imposed by it within the time limited for so doing, the Grand Secretary shall refer the case to the Committee on Grievances and Appeals for review and the decision of that Committee shall be final.
- (c) The Chairman of the Committee on Grievances and Appeals shall notify the Grand Secretary of its decision and shall return to him all documents relating to the case.
- (d) Where the Committee on Grievances and Appeals directs a new trial, the Grand Master shall appoint a new Trial Commission.
- (e) Where a new trial has been directed, no amendment shall be made to the original charge unless the accused is given due and timely notice thereof.

- (f) The Grand Secretary shall notify the parties and the lodge concerned of the decision of the Committee on Grievances and Appeals.
- (g) Except where a new trial has been directed, no brother shall be tried twice for the same offence."
- 7. Amend Section 425 by striking out Clause (b) thereof and substituting the following:
  - "(b) An application for restoration by a brother who has been suspended indefinitely may only be made after the expiration of five years from the date upon which the suspension took effect and shall be made in writing to the lodge from which he was suspended.
  - (i) Notice of the application for restoration shall be inserted in the lodge summons preceding the regular meeting at which the application will be voted upon.
  - (ii) The vote on a resolution to accept the application for restoration shall be by secret ballot and it shall require a two-thirds vote of the members present for its adoption.
  - (iii) Forthwith after the meeting at which such resolution is adopted or defeated, the Secretary of the lodge shall send to the Grand Secretary a copy of the application and any relevant material in respect thereof together with a copy of the resolution and the result of the ballot thereon.
  - (iv) Upon receipt thereof, the Grand Secretary shall refer the matter to the Committee on Grievances and Appeals for review and, for that purpose, the Committee shall make such enquiries as may seem necessary.
  - (v) Where the Committee on Grievances and Appeals decides to approve a resolution of the lodge accepting the application, its decision shall be final.
  - (vi) The applicant shall not be restored to membership in his lodge or to his other Masonic rights and privileges until he has been notified by the Grand Secretary that the resolution of his lodge accepting his application has been approved by the Committee on Grievances and Appeals.
  - (vii) Where a resolution to accept the application was defeated by the lodge or where the Committee on Grievances and Appeals is not prepared to approve a resolution of the lodge accepting the application, it shall report its recommendation in respect thereof to Grand Lodge.
  - (viii) Where the lodge from which he was suspended has ceased to exist, such application may be made to Grand Lodge through the Grand Secretary, in which case, the application shall be referred to the Committee on Grievances and Appeals which shall

report its recommendation in respect thereof to Grand Lodge after having made such enquiries as may seem necessary.

(ix) Where a brother is restored by Grand Lodge after a resolution to accept his application was defeated by his lodge or where the lodge from which he was suspended has ceased to exist, he shall have the status of a non-affiliated brother."

Your Committee finds no constitutional objection to this notice of motion.

### PART II

Inasmuch as the notice of motion by M.W. Bro. W. K. Bailey has been distributed and the brethren having read the proposed changes, your Committee on Constitution and Jurisprudence again asks your permission not to read this proposed amendment but only to comment thereon.

### By M.W. Bro. William K. Bailey:

I hereby give notice of motion that I will move or cause to be moved at the next Annual Meeting of Grand Lodge that the Constitution be amended as follows:

- 1. By striking out the words of Section 44(c) and by substituting the following words:
  - "The elected and appointed members of the Board of General Purposes shall be elected or appointed for two years and shall be eligible for re-election or reappointment to a maximum of twelve years."
- 2. By striking out the words of Section 56(a) and (b) and by substituting the following words:
  - "56(a) Each lodge shall be entitled to three votes to be cast by the Master and Wardens if present. If any one of them be absent his vote shall be given to the senior officer present. If all three be absent the three votes of the lodge may be cast by the proxy delegated by the lodge.
  - (b) In addition thereto, each Past Master who is an Installed Master under the jurisdiction of this Grand Lodge and who is not holding office as a Master or Warden of a lodge shall be entitled to one vote as a Past Master of one lodge only."
    - Re proposed amendment to Section 44(c)

A very similar amendment to Section 44(c) as is proposed was considered by this Committee and by Grand Lodge in 1981 at the Annual Communication and found to be constitutionally objectionable and accordingly, under Section 71 of our Constitution "any proposed amendment... which has been rejected by Grand Lodge, shall not be re-considered at any time within three years after such rejection, except by leave of Grand Lodge by a two-thirds vote," this Committee cannot recommend this part of the proposed amendment for consideration by Grand Lodge at this time.

With the above-noted exception your Committee finds no constitutional objection to this notice of motion.

### PART III

V.W. Bro. A. Foster Rodger has given notice of motion to amend the Constitution as follows:

Revoke Section 14 and substitute the following:

- 14. The privileges of Masonic rank under this Grand Lodge shall be restricted to:
- (a) those who have attained rank under this jurisdiction; or
- (b) those who have attained the rank of Past Master under the jurisdiction of any Grand Lodge recognized by this Grand Lodge,
  - (i) from the date of attaining such rank, if on that date he was a member in good standing of a lodge under the jurisdiction of this Grand Lodge; or
  - (ii) upon affiliation with any lodge under the jurisdiction of this Grand Lodge.

Your Committee finds no constitutional objection to this notice of motion.

### PART IV

Following the recommendation put forth by the Long Range Planning Committee one year ago concerning concurrent jurisdiction, your Committee undertook a study.

During the past thirty-six years Grand Lodge has granted extended jurisdiction to many lodges and districts. Most of these extensions have been superseded through the establishment in 1978 of concurrent jurisdiction throughout each district. There are however a few extensions which have cut across districts. Several of them arose from a 1973 decision of Grand Lodge to grant concurrent jurisdiction to lodges which are situated in areas of regional municipalities.

There is a further complication in Hamilton, Ottawa and Toronto, each of which includes parts of two or more districts. In them, all the lodges in the regional municipality or the metropolitan region have concurrent jurisdiction; in the case of Toronto, certain suburban lodges are included as well. The other suburban and rural lodges in these areas have concurrent jurisdiction *only* within their own district, and *not* with the other district or districts in the urban area.

It is desirable to remove these anomalies. It is also desirable to base the regulations for concurrent jurisdiction *not* on the boundaries imposed by the civil authorities, but on the boundaries of the several Masonic districts.

While the entire matter is still under study and further recommendations may be forthcoming in a later year, your Committee now recommends that as of July 1982 the following regulations come into effect, superseding the piecemeal legislation that has evolved over the past thirty-six years:

That there be concurrent jurisdiction for all lodges in the three Hamilton Districts; for all lodges in the two London Districts;

for all lodges in the two Niagara Districts; for all lodges in the two Ottawa Districts; for all lodges in the seven Toronto Districts; and that for all other districts there be concurrent jurisdiction throughout the district, as approved by Grand Lodge in July 1978 and reaffirmed in July 1980.

### PART V

A similar study was made on the recommendation of the Long Range Planning Committee that "Future Grand Representative appointments be limited to a term of six years, effective from the 1981 Annual Communication."

Section 80 covers:

- (a) appointment by our Grand Lodge of representatives at or near sister Grand Lodges and
- (b) recommendations with respect to a brother representing a sister Grand Lodge at or near this Grand Lodge.

In connection with the latter, this recommendation in our Constitution terminates when the brother fails to attend three consecutive Communications without a satisfactory explanation. In other words, the recommendation ceases for disservice to the Craft.

In connection with part (a) above - appointments, it would appear that each Grand Jurisdiction might very well have a different requirement as to the length of tenure when our Grand Lodge makes an appointment at the request of the sister Grand Lodges. Traditionally we appoint senior members to represent large and senior sister Grand Jurisdictions in the world. Making an appointment for only six years might very well antagonize a sister Grand Lodge who do not want recommendations or appointments every so often, but prefer an appointment, usually at the pleasure of our Grand Master, or for the life of the appointee.

In connection with (b) above, here our Grand Lodge does not make an appointment as such, it is merely a recommendation. Again, certain sister Grand Lodges have come to expect that a Senior Past Grand Master of our Grand Lodge will be recommended to a sister Grand Lodge for such an appointment. We could very well annoy or antagonize a sister Grand Lodge when we make that recommendation with a six year limitation.

In both cases (a) and (b) above, whether an appointment or a recommendation, how does our Grand Lodge justify a change of appointment, or a termination of a recommendation? Has the brother died? Ceased to be a member of the Craft? Fallen from grace or disservice to the Craft or what? It would seem that some explanation would have to be given to a sister Grand Lodge for the termination of either the recommendation or the appointment, or, in the alternative, the appointment and the recommendation would have to contain a restriction of a six year limitation. We are of the opinion that this could create ill will between our Grand Lodge and sister Grand Lodges when our Grand Lodge advises a sister Grand Lodge that an appointment made by a sister Grand Lodge is now to be terminated.

Our Constitution now limits, by its wording, recommendations to 3 years where a brother has, for 3 years, been of disservice to the Craft and not attended his Annual Communication, to represent the sister Grand Lodge. This seems to fit in with the general principles of Masonry in that with every privilege or honour is a paramount or corresponding duty. If a brother has the honour of being appointed a Grand Representative, he has the duty or responsibility of being in attendance at Grand Lodge Communications. To restrict that appointment or recommendation further may very well be constitutionally sound, but we would question whether or not it is otherwise advisable or regular.

In general, we must recognize that there is a substantial difference between terminating an appointment by a sister Grand Lodge, which on first examination would be apparently clearly out of our hands, as compared with limiting a recommendation where the appointment is made by a sister Grand Lodge.

It would appear that any change in connection with Section 80 would have to be done by an amendment to the Constitution. A Notice of Motion would have to be given in accordance with Section 70. Therefore, in our opinion the recommendation of the Long Range Planning Committee is merely a recommendation contained in a report. It is not a Notice of Motion. It was not filed with the Grand Secretary in accordance with Section 70 and at the very earliest, in our opinion, could not be effective until the Annual Communication of 1983 and then only after a proper Notice of Motion had been given and the approval of Grand Lodge received.

Respectfully and fraternally submitted on behalf of the Committee.

W. L. WRIGHT, Chairman.

### REPORT OF THE GRAND HISTORIAN

This report was presented by R.W. Bro. C. A. Sankey, on behalf of R.W. Bro. W. E. McLeod, Grand Historian, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Sankey, it was received. (See Appendix).

### REPORT OF THE LIBRARY COMMITTEE

This report was presented in two parts by R.W. Bro. F. J. Bruce, and, on motions, each part, together with the report in its entirety, was received and adopted.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

On behalf of your Library Committee, it is my pleasure to present the following report to the 127th Annual Communication of this Grand Lodge.

The members of the Committee are: Rt. Wor. Bros. Wallace E. McLeod, William H. Sproule, Robert S. Throop, William R. Pellow, John W. Auckland, Eric C. Horwood; V. Wor. Bro. Jack Pos, and with the undersigned as Chairman.

It is with deep sorrow that we report the passing to the Grand Lodge Above of our Librarian, Bro. William McKee, on Tuesday, April 6th, 1982. Bro. McKee served as Grand Lodge Librarian from 1968 till last year when, for health reasons, he was forced to retire. Bro. McKee served Grand Lodge and his brethren well and he will be missed by us all.

The Library was opened this year on Monday and Wednesday nights from 7 p.m. till 10 p.m., and on Friday afternoon, from 12 noon till 2:30 p.m.

Again this year our Library would not have been able to operate without the help of our volunteer staff. Our sincere thanks and appreciation for their reliability in being at the Library one night a month, to give a helping hand and assistance to those who seek Masonic knowledge and information. They are as follows: Bro. John Pollard (Wexford Lodge No. 683), Bro. A. H. Niall Good (General Mercer Lodge No. 548), W. Bro. Brian McWhirter (Doric Lodge No. 316), Bro. Albert Peddie (Patricia Lodge No. 587), W. Bro. Reg. Medhurst (Long Branch Lodge No. 632), W. Bro. Anthony Janck (Huron Bruce Lodge No. 611), W. Bro. Neil McDonald (Vaughan Lodge No. 54), W. Bro. George Blackie (Simcoe Lodge No. 644), Rt. Wor. Bro. N. Coulson Malloy (Vaughan Lodge No. 54), Rt. Wor. Bro. Clifford Baxter (Dentonia Lodge No. 651). Again, our appreciation and sincere thanks to these brethren for a job well done.

Again this year the attendance at the Library has not been that good. From September 1st, 1981 to May 30th, 1982 only 164 signed the book; 112 books were borrowed from in town members and 62 out of town. In checking the list of books borrowed, a greater percentage was borrowed by D.D.G.M.s looking for material for their own use. Also 32 slide presentations were used this year, a good increase over other years.

Again this year your Library Committee prepared Kits and Material, and presented them to the new D.D.G.M.s at Grand Lodge in July. These Kits contained material for each D.D.G.M., the Masters of his lodges, Lodge Library Chairmen, District Library Chairmen — composed of Book List, Price List, Book Reviews, Audio-visual Material List, papers available and a number of other papers to help him in his year.

Because of your Committee's wish to be of better service to all the brethren of our Grand Lodge, we requested that all new D.D.G.M.s put on their Trestleboard a District Library Chairman — 37 complied, which enabled your Library Committee to have a better line of communication through to the lodges.

Because of the District Library Chairmen, this year, for the first time in the history of your Library, your Committee ordered, purchased and delivered over 1,500 books to lodges and brethren — a total sum of over \$8,000.00. We prepared, photocopied 135 papers on material from Quatuor Coronati and other books to be used in the lodges, for a return of \$400.00. Profit made on these sales, which was about \$800.00, went to purchase book stock.

Your Library printed over 8,000 sheets of material, answered 250 letters and requests, a large number of mailings and expenses of some \$1,300.00.

This year your Library has received from brethren and families 53 volumes of assorted books, as well as the Library of the late Bro. Dr. J. J. Webber of Woodstock. This Library consisted of over 100 volumes of books and papers. Letters of acknowledgement and our thanks have been sent.

This year our D.D.G.M.s report a considerable amount of interest has been shown in the individual lodge libraries and that a number of lodges have, this year, started their own. Your Grand Lodge Library is forever ready to assist any lodge in setting up Libraries and helping in the purchase of books and material.

- I, again, list the addresses of supply houses.
- (1) Your Grand Lodge Library.
- (2) Masonic Book Sales, P.O. Box 250, Pefferlaw, Ontario, L0E 1N0.
- (3) Macoy Publishing Company, P.O. Box 9825, Richmond, Virginia 23228.
- (4) A. Lewis Publishers, Terminal House, Shepperton, Middlesex TW17 8AS.
- (5) Masonic Service Association, 8120 Fenton Street, Silver Spring, Maryland 20910.
- (6) Masonic Book Club, 317 North Main Street, Bloomington, Illinois 61701.
- (7) Quatuor Coronati Correspondence Circle, 27 Great Queen Street, London, England WC2B 5BB.

In closing, I wish to express our sincere appreciation to all 43 District Deputy Grand Masters for the full cooperation this past year, to M.W. Bro. Robert E. Davies, our Grand Secretary, who is always ready to help, to the staff at the Grand Lodge Office, who go out of their way to be of help.

### Supplementary Library Report

Having just completed my second year as chairman of your Grand Lodge Library Committee, I have spent hours carefully studying the over all needs of the Library as they relate to the needs of the lodges and brethren in our Grand Jurisdiction (and being Scotch, I have to wrap it up in dollars and cents).

I have read the Proceedings from the time the Library was first started by the then R.W. Bro. Dunlop in 1933, to the present day.

- \*\*Noting that books borrowed in any one year would be from a high of 900 in the early days to a low of less than 200.
  - For the year 1977—420/1978—336/1979—223/1980—235/and 1981—125; a steady decline.
- \*\*Visitors to the Library from a high of 1000 in the early days to a low of 112. For the year 1977—266/1978—270/1979—335/1980—235/1981—130; again a steady decline.

As our Library is located in the centre of Toronto, where some 137 lodges meet and where some 23,000 Masons are, the attendance has fallen off to less than 1% in any one of the last five years.

It is said that Masons are not readers, but in that area of Toronto, through the District Library Chairman, \$2,200.00 in books were sold to the Brethren; approximately 500 books.

After my first year as chairman of your Library, I felt it the duty of your committee to expand our programs to assist the needs of the brethren and lodges in all areas of our Grand Lodge.

### How do we do it?

- We supplied kits of material and library information to all D.D.G.M.s in July 1981.
- 2. We requested that the new D.D.G.M. select a brother to be the District Chairman of Library. As a result, last year, I am pleased to say 37 did so. This gave your Library Committee a line of communication through the District on to the lodges, and I say it worked well. Again, our thanks to the D.D.G.M.s and their chairmen.
- 3. Results as shown in the printed report.
  - (a) Over \$8,000.00 worth of books purchased and sent from your Library to brethren and lodges in Ontario; some 1,500 books.
  - (b) Over 135 papers researched and sent to the lodges for the use of the brethren.
  - (c) Over 250 letters from brethren and lodges answered and their requests looked after.
  - (d) An increase in use of tapes and slides.
  - (e) Over 8,000 sheets of material printed and sent out, such as book list, price list, papers available, and others.
- 4. This, for the first time, from your Library. Something that will grow with time. Letters received from lodges, brethren and D.D.G.M.s stated they were unaware that our Grand Lodge had this to offer.

This year, because of the passing of Bro. McKee to the Grand Lodge Above, it is necessary, in order to maintain the Library at 888 Yonge Street, to think about a new Librarian.

### To do this

Cost would be: Rent at 888 Yonge St.	\$4,000.00
Librarian	\$4,000.00
Insurance	\$ 250.00
Mailing and printing	\$1,500.00
	\$9.750.00

Of this amount \$7,000.00 to \$8,000.00 would be spent to maintain and operate 888 Yonge Street; not to mention the hours spent by our volunteer staff, which amounts to 45 hours per month, sometimes without one visitor.

### What do we do and where do we go?

On Monday, June 28th, I met with the President of the Board of General Purposes, along with the Grand Master, and Grand Secretary. I submitted the following proposal.

- 1. To move the Grand Lodge Library to the main offices of our Grand Lodge, in Hamilton.
- 2. This Library to be set up with open shelves, reading desk and chairs.
- 3. The Library will be a reference Library, only, no books will be borrowed on the same program as in the past. It will be open 5 days a week 9 a.m. to 5 p.m.
- 4. The Library will have the use of a copy machine to photocopy any item that you may wish (assisted by Grand Lodge Staff).
- 5. If one wishes to borrow books there will be an order pad in the Library for you to fill out your request, to be sent to you by a committee member who will be at the Library once a week. Books may be also borrowed as before by mailing in your request.
- 6. The Library Committee could then spend more time on the Outreach Program, working with all District Library Chairmen and lodges.
- 7. It would then be possible to spend a little more money on the Outreach Program.

In the first part of the report, which is in the printed Proceedings, you will note that the Library Committee made some \$800.00 on book sales and have turned this into book stock. Looking favourable to this new program it is possible to increase this.

Taking facts into consideration, our Library could then be run for about \$3,000.00 — or  $\frac{1}{2}$  of the cost if we continue with the present set up.

The Outreach Program in the past year has proven itself as worth while and with a little work can become of valuable use to Grand Lodge and our brethren.

All of which I respectfully submit on behalf of the Library Committee.

FRANK J. BRUCE, Chairman.

# REPORT OF THE ADVISORY COMMITTEE ON LODGE BUILDINGS

This Report was presented by R.W. Bro. A. L. Copeland, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Copeland, it was received and adopted.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

Several committee meetings have been held during the past year and the updating and revision of the Grand Lodge Building booklet LB 1 is nearing completion. Modification of LB 2 and 3 will follow. It is planned to present these new guidelines for acceptance to our Grand Lodge convocation in July of 1983. Our recommendations will refer to (a) FIRE CODE Ontario Regulation 730/81 made under the FIRE MARSHAL'S ACT — November 1981, and (b) the BUILDING CODE issued by the Ministry of Consumer and Commercial Ontario Relations.

Since metric hard conversion is now virtually complete in all Federal and Provincial Standards, after due deliberation, your committee will be recommending that metric references could be used in all future submissions. However, in order not to create any undue hardship, imperial measure will be accepted.

In the coming year, we hope to utilize the skills and talents of the membership who have specific skills which relate to the building inspection, fire safety industry and energy technology. It is gratifying that so many have offered their services to further the aims and objectives of your Grand Lodge committee. A simple format has been created to identify current fire hazards. Similarly, economical remedial measures will be suggested by your committee to overcome these potential dangers.

As a result of visits to various Masonic Temples in our jurisdiction, we noticed that decorative textile coverings around the Master's chair and other cloth wall hangings are potential fire hazards. It is recommended that these be sprayed to render them flame retardant.

Far ranging discussions have been held concerning other fire safety features such as emergency lighting, smoke detectors and fire rated exposed tee grid (suspended ceiling) for fire rated mineral lay-in acoustic panels. We will be pleased to share this collated information with any Masonic group in their planning stages.

As our membership ages, we continue to witness more of our brethren using wheel chairs because of various medical afflictions or through old age. If we are to face these new problems and challenges squarely and honestly, we should be thinking of including low gradient ramps, toilet facilities and easy access parking for the handicapped in our regulations.

It is gratifying that lodges have invited participation by members of our committee. We have discussed the objects and advantages in forming a non-profit Temple corporation without share capital, for the purpose of creating a company to

provide premises for Masons to equip, furnish and maintain a Masonic Temple. This complete, informative packet is available by contacting the Grand Secretary's office.

Meetings with interested lodge groups have been held across the whole of the Province during the past Masonic year. The great interest shown, indicates that new buildings and major renovations will continue to take place during the coming year.

The members of your Advisory Committee on Lodge Buildings treasure the privilege of serving you, our brethren.

Respectfully and fraternally submitted,

A. LOU COPELAND, Chairman.

# REPORT OF THE COMMITTEE ON BENEVOLENCE

This Report was presented by V.W. Bro. T. R. Davies, Chairman, and on motion of the Deputy Grand Master, seconded by V.W. Bro. Davies, it was received and adopted.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada, in the Province of Ontario.

Most Worshipful Sir and Brethren:

I am pleased to present on behalf of the Benevolence Committee this report of its activities during the past twelve months. It has been an active and most rewarding year. Our principal vehicle of communication this year was in the distribution of the new pamphlet on Benevolence developed by our predecessor Committee. As well however, we responded to all invitations to visit District meetings and individual lodge meetings and found these meetings to be of much interest to the brethren attending and very gratifying to the Committee members participating. We wish to encourage all incoming D.D.G.M.s and all District Chairmen of Benevolence to call on our Committee for involvement in District meetings whenever that might be desirable.

The Annual Meeting of the Committee was held on June 18th and 19th at the Grand Lodge office. The first order of business was to receive the report of the Supervisor of Benevolence, R.W. Bro. James Guy. His report summarized the number of cases handled, the amounts of money allocated and reflected the thoughtful care given all Benevolent applications by the Committee but in particular by our long experienced and dedicated Supervisor of Benevolence.

At the present time we anticipate handling about 80 benevolent cases during the year ahead and as usual, about 10 of these will be new to the Committee. Your Committee has considered all applications with the utmost care and recommend that the sum of \$90,000 be provided for Benevolence in the year 1982-83.

The Boards of Relief throughout the Province have continued to be most helpful to our Supervisor of Benevolence during the year and we extend our sincere appreciation for their ongoing support.

The Committee recommends continuing membership in the Masonic Relief Association of the United States and Canada.

We wish to acknowledge the ongoing assistance of the District Deputy Grand Masters and the District Chairmen of Benevolence. Their care and attention to the work of our Committee is vital to our goal of ensuring that every worthy situation within our jurisdiction be the subject of our deliberation. We also hope that the continuity of incumbents in the position of District Chairman will continue where a dedicated job has been done.

We would draw to your attention that while the Benevolence Committee like other committees have their term from one July to the next, the financial figures shown below represent the monies expended by the Benevolence Committee for the period of May 1, 1981 to April 30, 1982 this being the financial year of Grand Lodge.

### Grants for the Year 1981-82

Grants paid 82 totalling	\$69,547.00
Interim Grants	13,446.00
Christmas Gratuities	900.00
Total	\$83,893.00
Less Refunds	294.00
Less Cancellations	2,971.00
	\$80,628.00

The Committee has asked that I extend our thanks to the Hamilton Past Masters Association for their hospitality at our Annual Meeting.

In particular, I wish to express my personal thanks and appreciation to the Most Worshipful the Grand Master for his confidence in my serving this past year as Chairman of this Committee and also to each member of the Committee, the Supervisor of Benevolence, the Grand Secretary and his staff for their dedication and willing assistance to our Committee at all times.

Respectfully and fraternally submitted.

T. RICHARD DAVIES, Chairman

### CALLED OFF

The Grand Master declared the afternoon session of Grand Lodge closed at 3:00 p.m., to resume labor at 9:00 a.m. the following morning.

### CALLED ON

Grand Lodge resumed labor at 9:00 a.m. Thursday, July 22, 1982.

# REPORT OF THE COMMITTEE ON CREDENTIALS

This Report was presented by V.W. Bro. J. I. Carrick, Chairman, and on motion of the Deputy Grand Master, seconded by V.W. Bro. Carrick, it was received and adopted.

# REPORT OF THE COMMITTEE ON THE GRAND MASTER'S ADDRESS

This Report was presented by M.W. Bro. J. N. Allan, seconded by M.W. Bro. E. W. Nancekivell, it was received and adopted.

To the Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

#### Brethren:

I wish, on behalf of the Committee on the Grand Master's Address, to compliment the Grand Master upon the excellence of his Address to Grand Lodge. Your Committee was impressed with the sincerity of purpose evident throughout the Address. Likewise, his willingness to support, by his presence, such a vast number of lodge activities. The brethren deeply appreciate the privilege of meeting their Grand Master and receive an inspiration from such an experience. We hope our Grand Master will be blessed with health and the physical strength to enable him to continue this very desirable practice during the second year of his term of office.

It was gratifying to learn that our Grand Master and his wife Doris have been excellent goodwill ambassadors as representatives of our Grand Lodge on their visits to Grand Lodges in sister jurisdictions throughout Canada and the United States. We are confident that they will establish an equally favourable reputation as hosts when representatives of the Grand Lodges so visited and of concordant bodies return the visit.

The Committee on the Grand Master's Address desire to acknowledge the tribute paid by him to the Past Grand Masters, the District Deputy Grand Masters, the Grand Lodge officers and the Members of the Board of General Purposes.

We join the Grand Master in his expression of sympathy to relatives and friends of those brethren who have been summoned to the Grand Lodge Above during the year. It was appropriate that special mention should be made of V.W. Bro. Hugh L. Hastie's passing. Bro. Hastie was Secretary-Treasurer of The Masonic Foundation, during its formative years, from July 1969 to April 1975. He was a Past Master of Zetland Lodge No. 326 and a Member of the Board of General Purposes. He will be remembered for his willingness to serve wherever needed. It was likewise appropriate that the passing of V.W. Bro. J. T. Minaker should be especially mentioned. Bro. Minaker worked tirelessly as a member of the Grand Lodge Committee on Arrangements for many years; his absence from the meeting of Grand Lodge this year will be regretted by the brethren.

Your Committee commend the Grand Master for his reference to "the Good Act" performed by the brethren of East and West London Districts in befriending Mrs. Curotto, widow of the late Bro. (Dr.) Ramon Curotto (Botto) of Lima, Peru, who died in a London, Ontario hospital following surgery.

The absence of M.W. Bro. Ewart G. Dixon from our Annual Convocation, due to ill health, is again regretted. However, the memory of his contribution to the welfare of our institution for so many years remains fresh in our minds.

Your Committee applaud the reference by the Grand Master to the contribution of the District Deputy Grand Masters to the welfare of Masonry in general throughout our Grand Jurisdiction. These brethren are recognized by the members of the Craft as the representatives of the Grand Master in their Districts. They are highly respected and their visits to the lodges in their district are an important source of inspiration.

Your Committee are pleased to note that the Grand Master has referred to the contribution of the Board of General Purposes, particularly the work of the Chairmen of the various Committees of Grand Lodge. We are likewise in agreement with his recommendation to continue to hold a meeting of the Board of General Purposes in the fall.

We join our Grand Master in his expression of appreciation of services rendered, during their term of office, by members of the Board who are retiring, including R.W. Bro. Charles Emmett, who retired last year.

Your Committee are in complete agreement with the Grand Master in his reference to District Receptions. They, as he suggests, provide an opportunity for him to meet the Worshipful Masters of the District, the Immediate Past Masters and a great many brethren. It is interesting to note that the interest in these functions is continuing — such bodes well for the future of Masonry in our Grand Jurisdiction.

We join the Grand Master in his expression of gratitude to the Committee on Arrangements for Grand Lodge. Dedicated brethren from the seven Toronto Districts assume this responsibility each year. It is a major undertaking, capably discharged by these brethren.

Your Committee approve the appointment of R.W. Bro. Arthur G. Broomhead to the Board of General Purposes. Likewise the recommendation of the Grand Master to confer the honorary rank of Grand Senior Warden on V.W. Bro. Hunter Reid of Plantagenet Lodge No. 186, Riceville, Eastern District.

We are especially pleased to join our Grand Master in congratulating three brethren who were awarded the William Mercer Wilson Medal; Ev. Wilfred Graham — Battlefield Lodge No. 714, Stoney Creek; Dawson Charles Kerr — True Britons' Lodge No. 14, Perth, and Harry Hilliard Peever — Faithful Brethren Lodge No. 77, Lindsay, were so honored. This award represents exceptional dedication and service by a brother who has not served as Worshipful Master of his lodge. It is our hope that each recipient of this honour will wear the medal with justifiable pride for many years.

Your Committee approve the Grand Master's recommendation that past rank be granted to those Masters of lodges, who, for reasons beyond their control, were unable to serve as Masters for a full year.

We approve the Black Creek Pioneer Village project sponsored by Heritage Lodge No. 730, Cambridge, subject to the conditions set out in detail by the Grand Master.

The effort of the Grand Master to establish uniform procedure with respect to Toasts and Anthems will be welcomed by the brethren of those lodges where confusion exists.

We read with interest the Grand Master's report on the Conferences of Grand Masters and Grand Secretaries of Masons in North America. We noted with pride the participation in the program by the Grand Master and by our Grand Secretary.

It is a pleasure to congratulate those lodges who qualified during the year for the privilege of wearing gold braid, marking 100 years of existence. We wish also to extend congratulations to the brethren of Scotland Lodge No. 193 for their initiative in constructing a new Temple, which was dedicated by the Grand Master on April 3rd.

We commend our Grand Master for his choice of speaker for the Grand Master's Banquet — his choice being M.W. Bro. (Dr.) Eric W. Nancekivell. Bro. Nancekivell is one of our own Past Grand Masters whose interest in Masonry has not diminished since the completion of his term as Grand Master. He is highly regarded as a speaker at Masonic functions; his address will be thought-provoking and full of inspiration.

Your Committee suggest that the brethren read carefully the section in the Grand Master's Address entitled "Closing Remarks." He draws our attention to the principles upon which our institution is founded. He issues a challenge to the brethren to live outside the lodge room the lessons we are taught therein. He suggests the practice of those virtues could exert a strong influence in improving the life style of today.

Respectfully submitted.

JAMES N. ALLAN, Chairman.

### REPORT OF THE AWARD COMMITTEE

This Report was presented by M.W. Bro. J. A. Irvine, Chairman, and on motion of the Deputy Grand Master, seconded by M.W. Bro. Irvine, it was received and adopted.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

The William Mercer Wilson Medal, in the opinion of M.W. Bro. E. G. Dixon, P.G.M. (Hon.), Grand Secretary Emeritus, is the V.C. of Freemasonry. Let us keep it so! We must be very selective in choosing those members who are to receive this award.

In order to qualify, the nominee must have made outstanding contributions to their Craft Lodge, to Masonry in general, to their fellow man, their country and church. They further must agree that they will not aspire to becoming Worshipful Master of their Craft Lodge.

The lodge should first of all do something by way of honouring the nominee, the least of which would be to make him an honorary member of the lodge.

During the year, we have received eleven petitions; after due scrutiny by your committee three awards were approved. The recipients were:—

Bro. E. Wilfred Graham — Battlefield Lodge No. 714, Stoney Creek

Bro. Dawson Charles Kerr — True Britons' Lodge No. 14, Perth Bro. Harold Hilliard Peever — Faithful Brethren Lodge No. 77, Lindsay.

Each lodge should be advised that there is a format available from the Grand Lodge Office, outlining the procedure to be followed when petitioning — your committee recommends this form be studied and followed meticulously when applying for an award.

Respectfully and fraternally submitted.

B. B. FOSTER
E. G. DIXON
J. A. IRVINE, Chairman.

### SPECIAL EVENTS COMMITTEE REPORT

This Report was presented by R.W. Bro. A. N. Newell, on behalf of R.W. Bro. C. J. Woodburn, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Newell, it was received and adopted.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

M.W. Sir and Brethren:

Our committee historically has the privilege of executing the wishes of our Grand Master pertaining to many of the events at our annual communication.

This year our instructions from our Grand Master were to revert to the previous pattern and stage the banquet in the large Canadian Room and the smaller rooms, the Ontario and Ballroom.

Throughout the year three full committee meetings were held. In addition, from Monday afternoon throughout late Wednesday evening our many committee members will be heavily occupied with the details and activities involved in successfully staging these events.

This year our Grand Master happily appointed the following Board Members to our committee:

R.W. Bros. John Auckland, David Bradley, Lou Copeland, Alan Newell, Bill Sproule and Bob Throop.

We thank them for their involvement and counsel.

As you realize there is an enormous multitude of details and effort required from us during the communications. As our Board Members are heavily committed in other activities at that time, it's necessary to recruit additional dedicated Masons to work on the committee.

We thank the following brethren for serving generously and with great enthusiasm.

R.W. Bros. George Buckler, Don Emerick, Don Fear, Ralph Green, Durward Greenwood, Syd Harbert, Charles Harris, Reg Hoddy, Harrie Hope, William McNeil, Jack Pell, Earl Rawson, Roy Sparrow and Clark Winter.

A special thank you to R.W. Bros. Alan Newell, Don Fear and Harrie Hope who've served as our treasurer, secretary and workshop co-ordinator respectively.

Thanks are also extended to R.W. Bros. Charles Emmett and Colin MacKenzie for their assistance.

Brethren, through the efforts of this committee and the enthusiasm of our brethren, the Grand Master's banquet is again sold-out this year.

For the second year in a row we will stage a series of Masonic workshops on Tuesday afternoon. This year the topics and chairmen are:

Benevolence—V.W. Bro. Richard Davies Condition of Masonry—R.W. Bro. Rod Connor Library—R.W. Bro. Frank Bruce Long Range Planning—R.W. Bro. Ronald Groshaw Office of Lodge Secretary—M.W. Bro. John Irvine Office of D.D.G.M.—R.W. Bro. Roy Sparrow Office of Worshipful Master—R.W. Bro. William McNeil

We express the committee's thanks to these chairmen and those that assist them.

The social breakfast will again be staged this year. Thanks are due to R.W. Bro. Syd Harbert and Clark Winter for heading up this event.

My brethren as you may have heard after four years as an elected member of the Board of General Purposes and ten years of continuous heavy commitment to Grand Lodge, I have found that my business demands an extremely heavy time commitment from me. Because I believe that an elected Board Member must be available each year for hundreds of events, I came to the conclusion that I must truthfully say I cannot devote as much time as I have in the past. For this reason I advised the Grand Master on October 16, 1981 that I would not be standing for re-election this summer but would cheerfully fulfill my responsibilities and the balance of my elected term.

This was an extremely difficult and emotionally wrenching decision to adopt as Masonry has been such a strong part of my life for the last nineteen years. Hopefully this will be a sabbatical. To the hundreds of brethren who elected me to the Board I say thank you. This absence is prompted by an honest statement that I cannot be as fully available to you in the next few years and hence should not coast on your good wishes.

Over the last few years I think of the thousands of Masons across this jurisdiction who showed us in Project H.E.L.P., the 125th Anniversary and our Special Events that they care for our Craft and will joyfully work for it. Congratulations, you have a

vision of what our Craft can achieve and I trust you will never lose it. It was a tremendous privilege to work with you on these events.

And so my brethren — I step back from Masonic life. It's my intent to continue to work for and on behalf of our Craft. I know that I am richer as a person for the sharing and caring you've given me. It's my hope that I'll have the opportunity to continue to serve alongside you in the future. May the Great Architect bless you in the years ahead.

Respectfully submitted.

C. JOHN WOODBURN, Chairman.

# REPORT OF THE COMMITTEE ON THE CONDITION OF MASONRY

This Report was presented by R.W. Bro. R. J. Connor, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Connor, it was received and adopted.

To the Most Worshipful, the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

There is no better way to start this account of the condition of Masonry in our Grand Jurisdiction than to quote from the report of R.W. Bro. Clark Brooks of Hamilton Masonic District B:

"Masonry became more than a word in the Hamilton Districts this year when Battlefield Lodge No. 714, under the direction of its Master, W. Bro. Alex Cree made us all aware of how Masonic Benevolence can work in the community.

In October, 1981, Battlefield Lodge adopted the "Lisa Roy Project" to raise funds to assist the Roy family in meeting expenses of \$20,000.00 plus to have their daughter Lisa, a Leukemia victim, receive a bone marrow transplant from her twin sister. This transplant was to be made in Baltimore, Maryland and OHIP informed the family that they would pay only 75% of the medical costs.

After receiving permission from Grand Lodge, W. Bro. Cree and his committee sent letters to all Hamilton District lodges, attended their meetings to further outline their plans, contacted the Hamilton Masonic Board of Relief, the Masonic Foundation of Ontario, all area Masonic Bodies, the media and the local Provincial Government members. Through the media, an inquiry was started to find out why only 75% coverage would be granted.

A "Lisa Roy" night was organized with talent and prizes being donated and was so well supported that ticket sales had to be suspended to comply with the Fire Marshal's regulations for the hall. This was such a success, financially and socially, with a front page story in the Hamilton Spectator, that OHIP had a sudden change in policy and announced that they would pay 100% medical coverage.

Through the efforts of Battlefield Lodge, \$7,385.00 was raised and placed in a trust account for the Roy family. Some monies have been paid to them for U.S. doctors' fees and travel and living expenses in Baltimore, with the balance available if further medical treatment is necessary. One last point to this story, which emphasizes true Masonic charity, is that the Roy family has no Masonic ties."

Toronto District 2 adopted a community project which they called "Let there be light," to purchase training aids for the Blind and the Visually Impaired. R.W. Bro. Maurice Hamilton was more than pleased to report that they had surpassed their target of \$10,000.00 by the end of May.

All of our District Deputy Grand Masters can detail stories of Masonic charity, perhaps not on the scale of those quoted, but stories which touch the lives of many people who would otherwise feel that they were friendless in a time of need.

Using different words, each of the District Deputy Grand Masters expressed the same thought, that their office was not a one man show, but was truly a team effort. The District Secretary, Chaplain and Committee Chairmen being on-the-spot support people, the Grand Master and Grand Lodge being resource people and each District Deputy Grand Master acting as the spokesman for all this wealth of Masonic knowledge. All expressed the most grateful appreciation for the dedication given so freely from each of these team members, and for the opportunity to represent Grand Lodge at the presentation of long service pins; to present bursary awards on behalf of the Masonic Foundation of Ontario; and to help to officially pay tribute to such active and honourable Masons as W. Bro. Ed Stubbins (101) and R.W. Bro. Chas, Heels (retiring after 33 years as Secretary of Faithful Brethren Lodge) both of Lindsay, and R.W. Bro. Joe Lesser of Espanola, for their being examples of the Masonic way of life.

The reports from our 43 districts covering the activities in the 647 constituent lodges must contain some good news and some bad news. Let's look at the bad news first.

"I would have to say that one of the most disturbing things is the declining membership in the district, but I still don't think we should lower our standards. If need be, build up a quality membership that we are proud of and that is a real asset to the craft in general."

That was from R.W. Bro. Douglas Clark of Chatham District stating his thoughts on a concern voiced by many District Deputy Grand Masters. Lodge finances were next on the list as many lodges are not operating on dues only. Some are

relying on rental income to carry them, while others are using initiation fees and/or capital to cover operating costs of the lodge.

Last year, it was recommended that all lodge fees be brought up to the minimum as stated in our Constitution. Some lodges have not yet done so. Also, there is still a very great concern regarding fire safety in lodges, particularly in some of our older buildings. Such things as steep, narrow stairways as the only avenue of exit; no fire extinguishers visible; no smoke or fire alarms; and, in addition, little or no fire insurance. The provision of all of these safeguards is imperative to protect not only the lodge and its assets, but the Masons themselves who attend in these lodge premises.

Some lodge summonses are still being used as dues notices. An invoice for the dues owing, enclosed or mailed separately, is a much more suitable and businesslike way of notification. One further concern is the lack of identification on some Masonic lodge buildings. Masons visiting a town are unable to avail themselves of Masonic hospitality if they cannot find the building.

In every district, there have been occasions when two important events have been scheduled for the same evening and, of course, both events suffer. It has been suggested that all meetings be cleared through a central committee and, since most districts have a Past Masters and Officers organization, that this group should act as the clearing house.

Now for the good news. Here are a few of the highlights from this year's activity.

- —The Whitby Temple held a special ceremony to burn the mortgage.
- —A new Masonic Temple for Scotland Lodge, No. 193, was dedicated by our Grand Master on April 3, 1982.
- —8 districts in South Central Ontario joined together for a very successful Masonic workshop.
- —Royal Lodge, Thunder Bay, started a "Fix-it" program for the widows of members and their senior members.
- —Walsingham Lodge, Pt. Rowan, after moving their building back on the lot, decided to recover their exterior. Volunteer dollars and labour accomplished this task.
- —To prepare themselves for their term as Worshipful Master, the Wardens of Toronto 1 held 8 Saturday Breakfast meetings including 2 workshop sessions.
- —On the visit of the District Deputy Grand Master to Pelee Island, he was accompanied by members from 27 lodges in Ontario and 14 lodges from the United States. Included in this group were 5 other D.D.G.M.s and 4 members of the Board of General Purposes.

As you can imagine, there is some special happening or event which remains a highlight for the District Deputy Grand Master. R.W. Bro. Melville Curry of Ottawa 2 reports on one such event in his district:

"I had a special meeting with the leaders of Pembroke Lodge concerning a problem that one of their members had with his church and its Pastor. It centered around the Lutheran Church beliefs and opinions about the Masonic organization. The leaders of Pembroke Lodge and I met with the minister and elders of this church in the Pembroke Temple lodge room and openly discussed Masonry, its history, principles, concepts and beliefs. The meeting was followed up by submitting to the Pastor several articles received from the Grand Secretary and some I found on my own regarding Religion and Masonry. I am pleased to report that the problem is resolved and that this church has modified their opinion of our Craft."

This is a very positive step and R.W. Bro. Curry and Pembroke Lodge are to be commended on their action in facing this situation and for handling it with tact and finesse.

## R.W. Bro. Filip Cappa included this story in his report:

"On January 4, 1982, a brother from Peru arrived at University Hospital, London, for treatment of an aneurysm. He passed to the Grand Lodge Above on January 7, 1982. His widow requested a Masonic Memorial Service for her husband. With less than 24 hours notice, on a very cold, stormy Saturday evening, and knowing it was a service for a brother from Peru, the brethren of the London Districts responded in number beyond belief. Some 120 Masons turned out for the service conducted by the London West District Chaplain and assisted by the Grand Chaplain and the District Deputy Grand Master. Not only was the widow extremely grateful, but this was truly an example of Brotherly Love and an excellent illustration of the universality of the science."

One final quote from R.W. Bro. Curry. After citing some of the problems which plagued his district (and indeed all districts) he says:

"My only hope is that dedication and devotion to duty, which has characterized our forefathers who have left us this wonderful Craft, will be transmitted to our present day members. To this end, I have three suggestions:

- 1) That the present Masons put forth every effort to practice in their everyday lives the tenets and principles of Masonry.
- 2) That new candidates be involved in the ritual and the management of the lodge and, at the same time, are made aware that they are a welcome and valued addition to the lodge.
- 3) That each lodge maintain and strive to improve the quality of the work and the quality of the meetings."

Need more be said to give each of us a guide in maintaining and improving the health and welfare of this Craft of ours so that its teachings and precepts will show in our everyday lives.

Respectfully and fraternally submitted,

ROD J. CONNOR, Chairman.

### REPORT OF THE BLOOD DONORS' COMMITTEE

This Report was presented by R.W. Bro. A. N. Newell, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Newell, it was received and adopted.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada, in the Province of Ontario.

Most Worshipful Sir and Brethren:

It is with mixed feelings that I submit this report of the Blood Donor Committee.

This year our aim was to increase the number of donations and to this end there was some reorganization into nine areas with area supervisors. The purpose was to have a resource person available to the district chairmen for support. Fact sheets were distributed plus information regarding the availability of pamphlets and posters to aid in the campaign. Our objective was to increase participation. We anticipated problems and were not disappointed.

It is clear that communication at all levels is sadly lacking. At the time of writing this report 25% of district reports had not been received. On reviewing the available reports the area supervisors, district chairmen, and lodge chairmen, to a large degree commented on the poor reporting and lack of cooperation. Suggestions received were improvement in the system of recording and reporting, with emphasis on the importance of active participating lodge chairmen. In some areas the aging population of the lodges has decreased the number of available donors. In other areas the district chairmen felt that they did not receive sufficient support or understanding from their District Deputy Grand Masters. The Red Cross has had difficulty with funding in some areas and have decreased the number of clinics available. In the words of one chairman, dedication is disappearing and being replaced by apathy.

There is, however, encouraging news and 18 districts reported increased donations in varying degrees. The greatest increase is reported from Grey District but honourable mention should be given to districts of Chatham, Nipissing East, Ontario, St. Thomas, Waterloo, Windsor and St. Lawrence.

St. Thomas district Masons won the area trophy against all comers for the greatest participation in the annual clinic with resultant favourable publicity in the newspaper.

Individual efforts have been excellent and the reports submitted show:

Hamilton B W. Bro. N. Campbell 100 donations
Ontario R.W. Bro. Fear 80+
Bro. James Carey 54
St. John's Lodge, Cobourg — 5 brethren with over 50 donations.

Toronto No. 3	Bro. Roy Soldiuk, St. Aidan's 100 units and also was press Mercer Wilson medal in Febru	ented with the William

Toronto No. 7	W. Bro. Ken Holtz Bro. John Wilkington	55 units 50 units

W. Bro. Wm. R. Ovens, the Chairman of Frontenac District was honoured by the Kingston and District Branch of the Canadian Red Cross Society for chairing the Blood Donor Clinic sponsored by the district Masons over the past several years.

An especial mention must be made regarding Sioux Lookout Lodge No. 518. A clinic for the area was organized and resulted in 420 people attending, 333 for the first time. This required a great deal of effort and I am told particular mention should be made of W. Bro. G. Kendall, W. Bro. Wayne Perren and W. Bro. D. Argent. If there are others I have missed, it is because I have no knowledge of their contribution.

I am delighted to report that the three Hamilton Districts A, B and C have appointed V.W. Bro. William Hoyle Honorary Blood Donor Chairman of the three districts. For those who are not aware, V.W. Bro. Hoyle was the originator of the Masonic blood donors list in 1940 and from that beginning the Blood Donor Committee of our Grand Lodge developed.

The following is a tabulation of the results of this and the preceding year:

I would like to thank those area supervisors, district chairmen and lodge chairmen who tried valiantly to carry out the obligation of our Grand Lodge to aid in this most worthwhile act of benevolence and above all, the brethren who actively supported it by giving the gift of life. Your suggestions have been received and where pertinent, have been used in the Masonic Workshops hopefully to improve participation and the remainder will be submitted to the Blood Donor Committee for use in the coming year.

Respectfully and fraternally submitted.

# REPORT OF THE ADVISORY COMMITTEE ON LODGE FINANCES

This Report was presented by V.W. Bro. S. H. Cohen, Chairman, and on motion of the Deputy Grand Master, seconded by V.W. Bro. Cohen, it was received and adopted.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

It is a pleasure for me on behalf of the members of the Advisory Committee on Lodge Finances to present our second progress report to Grand Lodge. We are indebted to District Deputy Grand Masters, the Lodge Secretaries and Worshipful Masters for providing us with returns of questionnaires from 90% of the 647 lodges in our jurisdiction. The information contained in the questionnaires will be invaluable in preparing our report. They have been coded by members of the Committee and we are now in the process of analyzing the questionnaires by computer.

Without prejudicing our final report at this time, the Committee wishes to draw your attention to some obvious problems that some lodges are facing on lodge financing:—

- 1. Life Membership is a major problem in many lodges and has been given priority attention by our committee. I merely want to say at this time that a Life Membership Policy is satisfactory only if properly funded and financial arrangements made in advance. Our final report will make specific recommendations on this entire subject.
- 2. Budgets for income and expenditures are not always prepared or compared with the annual financial statements of the lodge. When they are prepared variances between budget and actual are not properly reviewed.
- 3. It would appear that many lodges refer only to the bottom line on a yearly basis when assessing their financial position without regard to preparation of forecasts on a three to five year basis.
- Lodges are less than realistic in their approach to establishing a relationship in the dues structure for resident, non-resident and other categories of memberships.
- 5. We have found that lodge dues are not always sufficient to meet current expenditures and not enough thought is given to generating additional income.
- The policy for collection of dues varies from lodge to lodge. Some lodges are very efficient, whereas other lodges are quite casual about collecting this major source of income.
- 7. The policy regarding payment for refreshments varies from lodge to lodge. Some lodges subsidize refreshments while others treat this as a self-supporting expense.
- 8. The policy for maintaining Trust Funds is not properly handled in many lodges. This is a matter that we will be covering in detail in our final report. However, I would like to emphasize at this time that Trust Funds must be segregated and

maintained separately from other lodge funds — especially the Life Membership Fund.

9. Insurance coverage is often overlooked and there is a wide disparity in the policy regarding insurance coverage from lodge to lodge. This is another area that requires special attention.

I would like to emphasize again that the ultimate objective of the Advisory Committee on Lodge Finances is to assist lodges in any way possible in the management of their financial affairs. To this end members of the committee have accepted engagements to speak to various districts this past year and will continue to make themselves available for this purpose upon request.

In anticipation of completing our report this Fall, your committee requests permission for its presentation and debate at the Fall meeting of the Board of General Purposes.

I am grateful to my committee members — M.W. Bros. J. N. Allan, W. K. Bailey; R.W. Bros. J. W. Millar, T. J. Arthur, E. Wilson, R. E. Lindsey, J. A. McLean, J. G. Pell; V.W. Bros. T. R. Davies, and R. J. Del Genio, for the time and assistance they have given this important assignment.

We are pleased to have the support and encouragement of the Board of General Purposes of Grand Lodge in this work and on behalf of the Committee I thank all members and lodges for their cooperation.

Respectfully and fraternally submitted on behalf of the Committee.

SAMUEL H. COHEN, Chairman.

# REPORT OF THE MASONIC FOUNDATION OF ONTARIO

M.W. Bro. W. K. Bailey, President, presented the following report, and on motion, seconded by M.W. Bro. N. R. Richards, it was received by Grand Lodge.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

The Masonic Foundation of Ontario is pleased to present the report of the Nineteenth Annual Meeting held July 20, 1982, 9:30 a.m. at the Royal York Hotel, Toronto, Ontario.

At the end of the 1981-82 fiscal year assets were \$1,046,400. Net capital receipts were \$53,438. Investment income and donations totalled \$112,100. an increase of \$18,372.

A brochure outlining the background of The Foundation, statements of 1980-81 finances and 1981-82 budget and a survey of the Hearing Research Program which The Foundation supports was mailed to each of the 100,000 members. Nine hundred and two (902) contributions totalling \$25,043. for an average of \$27.77 per member were received. Gratitude is extended to the Lodge Secretaries for the mailings.

Your Directors embarked on a new venture this year by cooperating with a lodge in the purchase of a stair glide for a disabled brother. This field of endeavour could be expanded in future years in cases where lodges are assisting Masons and non-masons.

Your Foundation received a signal honour on June 25, 1982 when the Alexander Graham Bell Association for the Deaf, at its biennial meeting held in Toronto, presented the Alexander Graham Bell Award for 1982 to The Masonic Foundation of Ontario for:

The concept of Hearing for Every Living Person

The Raising of funds in the Masonic Order throughout Ontario demonstrating their unselfish concern for others

The use of these funds for research to eliminate deafness and to assist hearing in impaired persons

The remarkable campaign to reach every Masonic Lodge, every month and every member with information on the problem of deafness

This Association was established in 1890 to encourage the teaching of speed speech reading and the use of residual hearing. Twelve hundred (1200) delegates from Canada and United States were in session for six days.

Your Board of Directors recommends the following budget for 1982-83:

## Receipts:

Donations (Income tax receipts issued)	18,000.	
	\$123,000.	\$123,000
Disbursements:		
Ontario Deafness Research Fdt	\$60,000.	
Bursaries for post secondary students	25,000.	
Autistic Homes	10,000.	
Voice Program	5,000.	
Other fundings	18,000.	
Administration costs	5,000.	
	\$123,000.	\$123,000.

Expressions of gratitude are extended to members of The Foundation who presented awards to students, to Wallace E. McLeod who administered the bursary program and to T. John Arthur, Secretary-Treasurer, who each year has attended so capably to financial affairs and increasing correspondence connected with the more than 2,000 contributions.

But it is of James N. Allan that I wish to make special mention. James N. Allan who has been a Director since the incorporation of The Foundation in 1964 has requested retirement from the Board. During the past eighteen years, our brother has been a tower of strength and counsel particularly the nearly three years of search before the Directors decided on emergency financial assistance to post secondary school students.

Presented on behalf of the Board of Directors: J. N. Allan, Dr. A. J. Anderson, T. J. Arthur, W. K. Bailey, F. J. Bruce, W. E. McLeod, N. R. Richards, E. C. Steen and C. J. Woodburn.

WILLIAM K. BAILEY,
President.

## COMMITTEE ON LODGE REASSESSMENT

The Chairman, M.W. Bro. James N. Allan, while proffering a few oral comments, made several specific observations.

# REPORT OF THE POLICY COMMITTEE ON THE BULLETIN

This Report was presented by R.W. Bro. R. S. Throop, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Throop, it was received and adopted.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

On behalf of the Members of the Policy Committee on the Bulletin it is my pleasure to present this report for your information and consideration.

We are pleased to recognize the services rendered by R.W. Bro. R. Wilson McConnell as Editor of the Bulletin. The results of his skill and ability in assembling the information and publishing this communique have been enjoyed by all of you. We regret that ill health has necessitated the curtailment of some of his activities. I am certain that you join with me in wishing for him a speedy recovery.

During the past year I have made many inquiries throughout this Jurisdiction in regard to the Bulletin.

Does the need for such a medium still exist?

Is the information contained therein of sufficient general interest to all lodges in all districts?

What changes might provide better service?

The comments made by the brethren indicate that the publication still meets with the general approval of the Craft.

Most Wor. Bro. J. A. McRae, proposing the formation of the Bulletin in his address to Grand Lodge on July 21st, 1943, stated, in part, that he saw it "as a medium in which the Grand Master and other Grand Lodge Officers can readily call to the attention of the Craft matters of general interest . . . and a great service to Grand Lodge Committees." In this regard your Committee recommends, for your consideration, that one of the pages of the Bulletin be reserved for messages of general interest from the various committees of Grand Lodge. This would have the benefit of getting the information into the hands of every brother, as well as reducing the not insignificant cost of postage and stationery.

We express our thanks to the Grand Secretary and his staff for their usual cooperation in packaging and distributing the Bulletin to all lodges.

Respectfully and fraternally submitted,

ROBERT S. THROOP, Chairman.

### REPORT OF THE GRAND CHAPLAIN

This Report was presented by R.W. Bro. Geo. Morris, Grand Chaplain, and was accepted unanimously.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

How can I put into words my thoughts and feelings about this year as Grand Chaplain? Words like: rich, rewarding, exciting, even fantastic all fall short of how I really feel. My sincerest thanks to our Grand Master for this appointment, the honour it has given to me and to my lodge and for the opportunity to know this distinguished and very humane Mason.

The Reports that many of our District Chaplains have submitted are most encouraging. They indicate the fine supportive relationship which exists between the Craft and the church. These District Chaplains have been most active in their participation in the Masonic functions held in their respective districts. They have accompanied their District Deputy Grand Masters on many of their official visits; on numerous occasions have given spiritual and educational addresses. They also have been active in the planning and participation of our Divine Services and our Memorial or Remembrance Services. To these dedicated brothers our sincere thanks for all the faithful service rendered by them.

Most districts and many lodges now hold Annual Divine Services. The willingness of the brethren to come together at such times is an exemplary public testimony to the importance we give to spiritual growth. Such occasions have provided an excellent opportunity for our families and friends to gather in the social hour following, thus encouraging a wider as well as deeper, interest in our order.

Annual Memorial or Remembrance Services for those who have passed to the Grand Lodge Above are held by many districts and lodges. The dignity and reverence with which these services are conducted bears special commendation. It is noteworthy that many of our lodges keep in touch with the widows and families by visiting them regularly and including them in the social activities of the lodge.

Our Assistant Grand Chaplain, V.W. Bro. Larry Cowper has been a great support. He has participated in numerous receptions and activities, especially in the eastern part of the province. Our sincere thanks to him for his dedicated service. Together, we join in thanking the Chaplains and District Chaplains for all their efforts during the past year.

I have especially enjoyed my various lodge visits, the Receptions for our Grand Master, the 100th Anniversary Celebrations, and the Divine Services. These afforded me an opportunity to meet many Masons throughout our jurisdiction. I am most impressed with the loyalty and zeal shown for our brotherhood, and in particular our Grand Lodge Officers, each with his own expertise.

My visits were made possible by the many brothers who provided me with transportation. I certainly appreciate their kindness. Without detracting from the

others, I wish to thank three in particular: Rt. Wor. Bro. Norman Camp, Grand Senior Warden; Rt. Wor. Bro. Bill Pellow, Chairman Masonic Education; and Rt. Wor. Bro. Bill Frank, Board of General Purposes. At least once and sometimes several times a week we were on our way to a Masonic function. With a few wrong turns, and somewhat hazardous driving conditions, we completed our journeys . . . with deepened faith. My sincere thanks to each of them for they have added a great depth to my year as Grand Chaplain.

This special year has added many experiences to my life, but most of all it has confirmed, beyond the shadow of a doubt, the greatness of our fraternity and of the possibilities that lie ahead for us in our future.

May the Great Architect of the Universe be with you and may His Richest Blessing be with each of you and with our brotherhood.

Respectfully and fraternally submitted,

GEORGE MORRIS, Grand Chaplain.

# REPORT OF THE COMMITTEE ON AUDIT AND FINANCE

This Report was presented by R.W. Bro. J. W. Millar, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Millar, it was received and adopted.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

This Committee now has reviewed and considered in detail the reports of the Grand Treasurer, the Auditor's Report attached thereto, and the report of the Grand Secretary as referred to it by this Annual Communication. These appear to fully and accurately record the essential details pertaining to:—

- (a) the financial position of this Grand Lodge as of April 30, 1982 and the results of its fiscal operations on a cash basis for the twelve month period ended on that date.
- (b) details of all Receipts and Disbursements in respect to the General Fund, the Commutation Fund, the Memorial and Semi-Centennial Fund; together with particulars of all transactions and changes in Capital Accounts of Grand Lodge, which have occurred during the said period.
- (c) The Investment Accounts of the above mentioned Funds and the summary of all financial resources as of April 30, 1982.

The following observations respecting certain matters covered by these reports, and/or relative to its financial affairs, are presented for your consideration.

- (1) The Audited Statements of Grand Lodge accounts show that the net balance of all its resources now amount to \$2,121,862. This net balance includes total investments at cost value (not market value) plus cash on hand and in the bank and represents an increase in assets of \$40,540 over the same figures a year ago.
- (2) Total receipts under the General Fund for fees, dues, commutations, interest on investments, etc. amounted to \$369,595 while disbursements etc. amounted to \$345,035, leaving an excess of income over expenditures of \$24,560.
- (3) Grants for benevolent purposes amounted to \$80,628 an increase of \$2,986 from a year ago.

These grants were paid out of the combined incomes of the Memorial and Semi-Centennial Funds, as supplemented by transfers from the General Fund, which last year amounted to \$22,000. It is anticipated that the amount for the coming year will be greater. The Committee on Audit and Finance therefore recommends that in order to provide these funds, the Board of General Purposes authorize in accordance with Section 126 of the Constitution, appropriations from the General Fund up to the amount of \$33,000. Such funds to be transferred as and when required, to the combined Memorial and Semi-Centennial Funds, in order to supplement the interest and income therefrom, thus making adequate provision for all benevolent grants which Grand Lodge may make during the period May 1, 1982 to April 30, 1983. It should be noted that the Committee on Benevolence has shown great care in administering its funds.

Your Committee also recommends that the Board of General Purposes give consideration to having a special fund raising campaign to increase the capital of the combined Memorial and Semi-Centennial Fund so that the income therefrom would be able to provide for the payment of the total benevolent grants and thus relieve the General Fund of its part in this responsibility.

On the recommendation of our auditors our methods of accounting are being revised and our monthly audit has been discontinued. Re. Dues and Fees — the annual dues were raised at the 1981 meeting of Grand Lodge from \$2.00 to \$2.50 per member effective January 1st, 1982. Your Committee, with the assistance of the Grand Secretary and the Grand Treasurer, will review the matter of dues and fees in sufficient time in order that Notice of Motion of any proposed changes may be given prior to April 1st, 1983.

Your Committee recommends, in accordance with Section 126 of the Constitution, the approval of the payment of \$3,000 made to the Masonic Foundation.

In its review of all matters covered in this report, your Committee has received the fullest cooperation and assistance from the Grand Secretary and his staff. The cooperation of the Grand Treasurer is also appreciated. Your Committee formally recommends to this Grand Lodge the adoption, without amendment, the reports of the above mentioned officers and approval of the recommendations contained in the report of this Committee. In accordance with Section 134(c) of the Constitution, your Committee submits for consideration and approval, an estimate of Receipts and Expenditures as it relates to the General Fund for the year ending April 30, 1983.

## DISPOSITION OF NOTICES OF MOTION TO AMEND THE CONSTITUTION

In accordance with notices duly given by R.W. Bro. N. E. Byrne, M.W. Bro. W. K. Bailey, and V.W. Bro. A. F. Rodger, and presented to Grand Lodge in several parts, which were seconded by R. W. Bro. R. T. Runciman, M.W. Bro. N. R. Richards and R.W. Bro. J. C. Dudley respectively, the following amendments were approved and adopted.

# AMENDMENTS TO THE CONSTITUTION (effective July 22, 1982)

Section 14 now reads-

- "The privileges of Masonic rank under this Grand Lodge shall be restricted to -
  - (a) those who have attained rank under this jurisdiction; or
- (b) those who have attained the rank of Past Master under the jurisdiction of any Grand Lodge recognized by this Grand Lodge,
  - (i) from the date of attaining such rank, if on that date he was a member in good standing of a lodge under the jurisdiction of this Grand Lodge; or
  - (ii) upon affiliation with any lodge under the jurisdiction of this Grand Lodge."

Section 56 now reads —

- "56(a) Each lodge shall be entitled to three votes to be cast by the Master and Wardens if present. If any one of them be absent his vote shall be given to the senior officer present. If all three be absent the three votes of the lodge may be cast by the proxy delegated by the lodge.
- (b) In addition thereto, each Past Master who is an Installed Master under the jurisdiction of this Grand Lodge and who is not holding office as a Master or Warden of a lodge shall be entitled to one vote as a Past Master of one lodge only."

Section 136(h) amended as follows-

Strike out the word "and" at the end of the first paragraph and strike out the second paragraph substituting therefor the following two paragraphs.

"To review the verdict and the punishment imposed, if any, by a lodge or a Trial Commission following the trial of any brother charged with a Masonic offence, where there is no automatic appeal and no appeal has been taken by the accuser or the accused, and notify the Grand Secretary of its decision; and

To review any application to a lodge for restoration after indefinite suspension and to consider any application to Grand Lodge for restoration after indefinite suspension or after expulsion and notify the Grand Secretary of its decision or report its recommendation in respect thereof to Grand Lodge."

Section 411 amended by adding thereto paragraph (g).

"Where information is received by a lodge or any one of its members, and it appears that there is sufficient evidence to make a

complaint, but no member of the lodge is prepared to make a complaint, the Junior Warden, in his office as Junior Warden, shall make such complaint in the manner set out in this section."

Section 422(h) amended by deleting the period at the end thereof and by adding the following words — "and a copy of such notice, together with proof of such service, shall be sent to the Grand Secretary immediately thereafter."

Section 423(c) amended by striking out the present clause and inserting the following:

"No punishment imposed by a lodge or a Trial commission shall be carried out or take effect until the lodge has been notified by the Grand Secretary that the punishment so imposed has been confirmed or varied after review by the Committee on Grievances and Appeals."

Section 424 amended by striking out clauses (n), (o), (p), (q), (r) and (s), and adding a new Section 424.1 immediately following section 424(m) preceded by a new heading in bold print similar to the heading "Board of Appeal" which precedes section 424 as follows:

### "Committee on Grievances and Appeals"

- "424.1(a) On receipt of a recommendation from a Board of Appeal, the Committee on Grievances and Appeals may accept, reject or vary such recommendation and the decision of the Committee on Grievances and Appeals shall be final except where the Committee recommends expulsion.
- (b) Where there is no automatic appeal and no appeal has been taken from any verdict of a lodge or a Trial Commission or from any punishment imposed by it within the time limited for so doing, the Grand Secretary shall refer the case to the Committee on Grievances and Appeals for review and the decision of that Committee shall be final.
- (c) The Chairman of the Committee on Grievances and Appeals shall notify the Grand Secretary of its decision and shall return to him all documents relating to the case.
- (d) Where the Committee on Grievances and Appeals directs a new trial, the Grand Master shall appoint a new Trial Commission.
- (e) Where a new trial has been directed, no amendment shall be made to the original charge unless the accused is given due and timely notice thereof.
- (f) The Grand Secretary shall notify the parties and the lodge concerned of the decision of the Committee on Grievances and Appeals.
- (g) Except where a new trial has been directed, no brother shall be tried twice for the same offence."

Section 425 amended by striking out clause (b) thereof and substituting the following:

- "(b) An application for restoration by a brother who has been suspended indefinitely may only be made after the expiration of five years from the date upon which the suspension took effect and shall be made in writing to the lodge from which he was suspended.
- (i) Notice of the application for restoration shall be inserted in the lodge summons preceding the regular meeting at which the application will be voted upon.
- (ii) The vote on a resolution to accept the application for restoration shall be by secret ballot and it shall require a two-thirds vote of the members present for its adoption.
- (iii) Forthwith after the meeting at which such resolution is adopted or defeated, the Secretary of the lodge shall send to the Grand Secretary a copy of the application and any relevant material in respect thereof together with a copy of the resolution and the result of the ballot thereon.
- (iv) Upon receipt thereof, the Grand Secretary shall refer the matter to the Committee on Grievances and Appeals for review and, for that purpose, the Committee shall make such enquiries as may seem necessary.
- (v) Where the Committee on Grievances and Appeals decides to approve a resolution of the lodge accepting the application, its decision shall be final.
- (vi) The applicant shall not be restored to membership in his lodge or to his other Masonic rights and privileges until he has been notified by the Grand Secretary that the resolution of his lodge accepting his application has been approved by the Committee on Grievances and Appeals.
- (vii) Where a resolution to accept the application was defeated by the lodge or where the Committee on Grievances and Appeals is not prepared to approve a resolution of the lodge accepting the application, it shall report its recommendation in respect thereof to Grand Lodge.
- (viii) Where the lodge from which he was suspended has ceased to exist, such application may be made to Grand Lodge through the Grand Secretary, in which case, the application shall be referred to the Committee on Grievances and Appeals which shall report its recommendation in respect thereof to Grand Lodge after having made such enquiries as may seem necessary.
- (ix) Where a brother is restored by Grand Lodge after a resolution to accept his application was defeated by his lodge or where the lodge from which he was suspended has ceased to exist, he shall have the status of a non-affiliated brother."

# REPORT OF THE COMMITTEE ON PUBLIC RELATIONS

An oral resumé of the work and objectives of this committee was given by the Chairman, V.W. Bro. J. Carpenter.

### THANK YOU TO COMMITTEE CHAIRMEN

Noting that all reports were now in and adopted, the Grand Master, M.W. Bro. H. O. Polk, in commenting on the quality and essence of the reports, expressed his deep appreciation to all Committee Chairmen for the excellent work done.

## APPOINTMENT OF GRAND CHAPLAIN

The Grand Master announced the appointment of W. Bro. Gordon H. Fresque as the Right Worshipful Grand Chaplain.

#### REPORT OF THE GRAND HISTORIAN

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario

Most Worshipful Sir and Brethren:

Once again it is appropriate for the Grand Historian to express his gratitude to the Most Worshipful the Grand Master for the title of honour that has been bestowed upon him. Freemasonry is a rich field of study, and provides ample scope for enquiry. In earlier and more leisurely times the Grand Historian would sometimes sketch the whole history of the Craft within the compass of a few close-textured pages. That is exactly what M.W. Bro. J. Ross Robertson did in 1905; you will find his address printed in the *Proceedings* for that year. We are delivered from this awesome challenge, for the brethren of today have ready access to such useful surveys as Beyond the Pillars and Whence Come We?

What we propose to do this year is to look in more detail at a particular topic. In Whence Come We? on pages 251-252 you will find lists of those Masons who held high office in the government of the dominion or of the province. Several brethren have enquired about their lodge affiliations. This offers a convenient occasion to provide fuller information, and to correct a number of details. Our report, then, is not so much history as the raw material for history. Even so we hope it will not be altogether devoid of interest.

## Governors and Governors-General of Canada

Until 1952 the chiefs of state for Canada were sent out from London. Those representatives who belonged to the Craft were members of British lodges, and their Masonic records are not available in this country. No attempt was made to include them in *Whence Come We?* Recently, with the generous assistance of several devoted Masons from the British Isles, it has been possible to set about compiling a list. The records may well still be incomplete.

Charles Lennox, 4th Duke of Richmond (lived 1764-1819; Governor of Canada, 1818-1819); Provincial Grand Master for Sussex under the United Grand Lodge of England, 1814-1819.

George Ramsay, 9th Earl of Dalhousie (1770-1838; Governor, 1820-1828); Grand Master Mason of the Grand Lodge of Scotland, 1804-1806.

John George Lambton, 1st Earl of Durham (1792-1840; Governor, 1838); Provincial Grand Master for Durham (England), 1818-1840; for Northumberland, 1837-1840; Deputy Grand Master, 1834-1835; Pro Grand Master, 1839-1840; his patent as "Provincial Grand Master in and over the British Colonies and Settlements in North America" was drafted by the Grand Secretary in 1838, but never engrossed or issued.

Sir Frederick Arthur Stanley, 1st Baron Stanley of Preston, and later 16th Earl of Derby (1841-1908; Governor-General, 1888-1893); Junior Grand Warden (England), 1883.

H.R.H. Arthur William Patrick Albert, 1st Duke of Connaught (1850-1942; Governor-General, 1911-1916); Senior Grand Warden (England), 1877; Provincial

Grand Master for Sussex, 1886-1901; District Grand Master for Bombay, 1887-1901; Past Grand Master, 1890; Grand Master, 1901-1939; Honorary Past Grand Master (Canada), 1902.

Victor Christian William Cavendish, 9th Duke of Devonshire (1868-1938; Governor-General, 1916-1921); Provincial Grand Master for Derbyshire (England), 1908-1938.

Harold Rupert Leofric George Alexander, 1st Viscount, and later 1st Earl, Alexander of Tunis (1891-1969; Governor-General, 1946-1952); Past Senior Grand Warden (England), 1945; Senior Grand Warden. 1967; Honorary Past Grand Senior Warden (Canada), 1947.

#### Prime Ministers of Canada

Sir John A. Macdonald (lived 1815-1891; Prime Minister, 1867-1873 and 1878-1891); initiated St John's, No. 5, Kingston. 1844; P.G.S.W. (Hon.), 1868.

Sir John J. C. Abbott (1821-1893; Prime Minister, 1891-1892); initiated St Paul's, No. 374, E.R., Montreal, 1847.

Sir Mackenzie Bowell (1823-1917; Prime Minister, 1894-1896); initiated St Lawrence, No. 640, E.R., Montreal, 1864; affiliated Belleville, No. 123, Belleville, 1897.

Sir Robert L. Borden (1854-1937; Prime Minister, 1911-1920); initiated St Andrew's, No. 1, Halifax, 1880.

Viscount R. B. Bennett (1870-1947; Prime Minister, 1930-1935); initiated Miramichi, No. 18. Chatham, N.B., 1896; affiliated Ashlar, No. 28, Calgary, 1910.

John G. Diefenbaker (1895-1979; Prime Minister. 1957-1963); initiated Wakaw, No. 166, Wakaw, Sask., 1922; affiliated Kinistino, No. 1, Prince Albert, Sask., 1926.

## Lieutenant-Governors of Ontario

Sir Alexander Campbell (1822-1892; Lieutenant-Governor 1887-1892); initiated St John's. No. 5, Kingston, 1844.

Sir George Airey Kirkpatrick (1841-1899; Lieutenant-Governor, 1892-1897); initiated St John's, No. 3, Kingston, 1863.

Sir John M. Gibson (1842-1929; Lieutenant-Governor. 1908-1914); initiated Strict Observance, No. 27, Hamilton, 1867; W.M., 1872; D.D.G.M., 1883; D.G.M., 1890-1891; G.M., 1892-1893.

Sir John S. Hendrie (1857-1923; Lieutenant-Governor, 1914-1919); initiated Strict Observance, No. 27, Hamilton, 1891.

Henry Cockshutt (1868-1944; Lieutenant-Governor, 1921-1927); initiated Ozias, No. 508, Brantford, 1913.

W. D. Ross (1869-1947; Lieutenant-Governor, 1927-1932); no record of initiation; affiliated St Andrew's No. 16, Toronto, 1929.

- H. A. Bruce (1868-1963; Lieutenant-Governor, 1932-1937); initiated Cascade, No. 12, G.R.B.C., Vancouver, 1894; affiliated Ionic, No. 25, Toronto, 1898.
- Albert Matthews (1873-1949; Lieutenant-Governor, 1937-1946); initiated Civil Service, No. 148, Ottawa, 1909; affiliated Harcourt, No. 581, Toronto, 1927.
- F. Ray Lawson (1886-1980; Lieutenant-Governor, 1946-1952); initiated Union, No. 380, London, 1907.
- J. Keiller Mackay (1888-1970; Lieutenant-Governor, 1957-1963); initiated Ionic, No. 25, Toronto, 1925.
- W. Ross Macdonald (1891-1976; Lieutenant-Governor, 1968-1974); initiated Doric, No. 121, Brantford, 1917; W.M., 1928; G.S.D., 1951.

## Premiers of Ontario

- A. S. Hardy (1837-1901; Premier, 1896-1899); initiated Doric, No. 121, Brantford, 1866.
- Sir George W. Ross (1841-1914; Premier, 1899-1905); initiated Beaver, No. 83, Strathroy, 1872.
- Sir William H. Hearst (1864-1941; Premier, 1914-1919); initiated Keystone, No. 412, Sault Ste Marie, 1889; W.M., 1891; D.D.G.M., 1892.
- E. C. Drury (1878-1968; Premier, 1919-1923); initiated Corinthian, No. 96, Barrie, 1920.
- G. H. Ferguson (1870-1946; Premier, 1923-1930); initiated Mount Zion, No. 28, Kemptville, 1895.
- G. S. Henry (1871-1958; Premier, 1930-1934); initiated York, No. 156, Toronto, 1904; W.M., 1914; G.S., 1925.

# REPORT OF THE COMMITTEE ON FRATERNAL CORRESPONDENCE

## **FOREWORD**

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

Once more we present the Report of the Committee on Fraternal Correspondence which is really the Foreword to the reviews of the Annual Proceedings of the Grand Lodges with which we are in amity and from which we have received Proceedings. We thank our reviewer, R.W. Bro. Dr. Charles A. Sankey, for his fine selection of items of interest to our members in this jurisdiction. Those who are genuinely interested in the welfare of the Craft will read the reviews with pleasure for they constitute a record of the successes in many areas of lodge endeavour, but that pleasure will be tempered by uneasiness over problems that cry out for solutions. This Foreword does not list all successes and problems, but it does try to point out enough of the outstanding items to interest members in reading them all. We invite you to do so!

The loss of a Grand Master during his term of office is disturbing for any Grand Lodge. We extend our sympathy to the Grand Lodge of New Brunswick on the death of their Grand Master, M.W. Bro. Clarence F. Carter, in March of his second term. We also extend our sympathy to the Grand Lodge of Utah on the death of the Grand Master, M.W. Bro. F. R. Begley on the last day of the Annual Communication.

"Tell it like it is" is a slogan we all have heard in the last several years. The Grand Master of Idaho said in his address to Grand Lodge: "Eighty percent of our lodges are moving forward — ten percent are stagnant — the final ten percent are near death— becoming unsalvageable." We wonder if we should be taking a good look at our own lodges and see where we fit in to the above classification and if necessary do something about it now.

Masonic charities have given great satisfaction to the members of the Craft all over the world. Masonic Homes are the concern of many Grand Lodges and they are much appreciated by those who are in need but they represent a tremendous outlay in funds. Read New Hampshire, Ohio, Oklahoma, Illinois, Oregon, Louisiana, New Jersey, Montana, New York, North Carolina, Pennsylvania, and Tasmania. Check the review of Rhode Island.

Last year the making of a Mason 'at sight' was reported. It happened again this year in Oklahoma. A slightly different type took place in Montana when a terminally ill Entered Apprentice was made a Master Mason 'at sight.'

In Montana, the Committee on Work was asked by the Grand Master to make an addition to the petition for initiation that the petitioner agreed to an investigation of his character. This was to forestall problems under the "Invasion of Privacy Act." Perhaps the Charter of Rights of our Canadian Constitution will require us to do likewise. Read also New Zealand and Queensland.

The addition of music to our ritual work has been a pleasing and refreshing facet of degree work. Musical talent is not equally distributed to all lodges. Read what British Columbia and New South Wales are doing about it.

Laying cornerstones of important buildings has always been a basic Craft function. Read about an interesting one in Utah.

Several Grand Lodges are discussing a change in the wording of one section of our degree obligations. We made our decision on this matter some years ago. Read British Columbia, New South Wales, New Zealand and Western Australia.

An important study is reported by the Grand Master of Victoria Australia on the cost of being a Worshipful Master of a lodge for one year. The findings are somewhat astounding. Do we in Ontario expect our Worshipful Masters to be out on Masonic business on an average of fourteen nights per month as reported there?

The above are just a few of the items which may recommend your further consideration of other reviews. A study of all the reviews is a fine start in the Masonic education of younger members. It is a rewarding exercise!

Respectfully and fraternally submitted,

BRUCE B. FOSTER, Chairman.

## Fraternal Correspondence and Reviews

Reviews written by R.W. Bro. CHARLES A. SANKEY

In the memorial address given in the Grand Lodge of Manitoba on June 15th, 1981 by the Acting Grand Chaplain, M.W. Bro. G. M. Davies, your reviewer found words which so intimately reflect some of the fondest of his own Masonic thoughts that they almost hurt at the reading:—

"Freemasonry is not a corporate thing any more than the love of God for man or man for God is a corporate thing. It is an intensively individual thing which paradoxically achieves corporate strength as each man reaches out in brotherhood to his fellow Freemasons and to the world at large. A heap of stones and a pile of timbers do not make a building until they are joined together by a master workman with a conscious plan. Then each lends its strength, great or small, to the whole edifice which becomes, indeed, more than the sum of its parts.

Let us, then, be ever conscious of our responsibilities both to the Supreme Architect whose plans we strive to interpret and fulfil, and to our brethren for whom we act and whose happiness we seek to enhance.

'God bless all those who labor with their hands, Who tend the loom and cultivate the sod; Merchants and miners, cobblers, cooks, and all Whose hands, by proxy, are the hands of God. And bless all those who labor with the mind; Who, from the wells of beauty, have drawn up Wine for man's thirst, and at the springs of life Share with their brothers cup on brimming cup.

But most of all, bless those who serve with love! No matter if the task be great or small, A gay adventure or a dull routine, A kindness done to one or meant for all! Head, heart and hands - all three are instruments Of Him who made the world and found it good. And all are blest, but doubly blest is he Who serves with love in conscious brotherhood."

At the banquet before Grand Lodge, M.W. Bro. Dr. D. L. Gibson of Saskatchewan substituted for the scheduled speaker who was ill. His address on "Masonry in India" turned out to be Masonic Education of a high order as he traced the relation of Masonic symbolism, philosophy, ideals, benevolence, jurisprudence and fellowship to the tenets of the Hindu, the Muslim, the Sikh and the Christian in India.

Grand Lodge opened at 9 p.m. with reception of visitors, a Service of Thanksgiving and Memory and the Grand Master's address and then adjourned until 8 a.m. the following morning.

Grand Lodge has finally extricated itself from its self-imposed financial bind by approving an increase in per capita dues from \$5 to \$10 effective January 1st, 1982, plus a \$3 assessment per member to cover the deficit until the new fees take effect.

Recognition of the Grand Lodge of Alaska was withheld for a year as only 12 of the 19 lodges in Alaska had joined the new Grand Lodge.

Rural lodges continue to have problems. Two lodges were lost by amalgamation, but others have attracted some younger officers and show improved vitality.

Only 10 people received Grand Lodge benevolent grants and half the total given went to one brother whose needs are, obviously, considerable.

The Banff Spring Workshop was a high point of the year. Some 500 Masons attended. The theme was "Membership or Masonry" with skits, lectures and acting replacing the former "regular classes." Book sales surpassed all previous records.

Grand Lodge defeated a resolution to move the Annual Communication from a week end to the middle of a week.

Bursaries of \$800 each were awarded to 26 high school students and to 6 undergraduates at University.

Fiat Lux Lodge of Research No. 1980 was constituted and consecrated.

#### BRITISH COLUMBIA — 1981

110th Annual Communication — June 18, 19

Grand Master M.W. Bro. E. A. Clarke presiding Grand Master M.W. Bro. D. J. MacLaurin elected and installed

The cornerstone of Prince David Lodge No. 101 was relaid at an Emergent Convocation at its new Temple site. The "more than 400 lb. stone" had been first laid in 1931.

Taxes for many lodges had been reduced following the Grand Lodge Committee being able to get classification changed from commercial to residential.

The charter of one Yukon lodge had to be recalled. The mine at Mayo had been on strike for 8 months, most of the members of the lodge had left and there was no viability in prospect. Yukon Lodge at Dawson meets in the summer only but "are getting new local members." The 2 lodges at Whitehorse report increased membership.

As a result of constitutional amendment a recording device may be used "to provide music to enhance the ceremonies of the Lodge."

An attempt to permit lodge business to be in the E.A. degree rather than the M.M. at the option of the W.M. was rejected and for permission for private examination for proficiency by 3 or more brethren withdrawn. Committees considering alcoholic use at lodge functions and for recommending life membership requirements asked for more time. Another committee dealing with modification of the penalties rejected any change even by way of explanation! The present length of the proficiency examinations in some rituals is being reviewed.

Grand Lodge operated at a nominal surplus. A secretary who had served for 44 years in the Grand Lodge office was recognized by resolution of Grand Lodge and given a pension.

The Committee on Petitions and Grievances agreed that it would be "unwise" for a lodge to grant a demit to a suspended brother serving time in a penitentiary.

The benevolent fund has assets of \$1 million, and the bursary capital fund at \$250,000. Some \$40,000 was given in relief and there were 93 bursaries awarded of \$330.

Grand Lodge finally withdrew recognition from the Grand Lodge of Belgium and recognized the new Regular Grand Lodge there. Also recognized were the Grand Lodges of Santa Catarina (Brazil), of Colombia (Bogota), and of Alaska.

There was an outstanding address by the Grand Chaplain on "Facing the Challenge of Change." You will find extensive quotations from this at the end of these reviews.

Your reviewer especially welcomes the election and installation of his long time friend Dr. D. J. MacLaurin as M.W. Grand Master. It will be a great pleasure to serve him as the Grand Representative of his Grand Lodge. The Grand Lodge of British Columbia is in good hands.

## CHINA - 1980

27th Annual Communication — October 24, 25 Grand Master M.W. Bro. C. C. Hsi presiding

The Freemasons in Taiwan cannot be happy as to future prospects with the Peoples' Republic of China ever present as their future potential "big brother." This shows throughout the Proceedings, and it would be unrealistic for it to be otherwise. The Grand Master reported:—

"The deterioration in quality and quantity of our membership is obvious . . . Some are beginning to doubt (Masonry's) survival . . . We see a brother wearing a decorated Fez and a Shriner's pin, who considers himself to have reached the top of Freemasonry. How wrong he is!

There are some Lodges that are commendable . . . There are good young Masons among us . . . (but) Masonry in China is facing a new decade of challenges."

The financial situation remains stringent. Expenses exceeded receipts by NT\$71,000 (equivalent to Canadian \$2.50 per member).

The scholarship fund made awards to 3 students.

DeMolay has become inactive. "As the boys have reached their majority age, (they) have left for the United States, or are serving in the Military." Rainbow has, however, been very active.

The Grand Master headed a delegation of 11 members to the Conference of Grand Masters of Masons in North America, in Washington, and spoke on behalf of all visiting delegates from foreign countries. The trip was used to cement personal relationships with senior Masons in several of the States.

The Grand Master was re-elected for his second term.

Our M.W. Bro. Richards attended the Annual Communication.

Seminars were held for Senior Wardens ("Planning — Its Impact"), Junior Wardens ("Dedication through Education"), Senior Deacons ("The Destiny of your Lodge — In Your Hands") and for Junior Officers ("An Officer — Why Me?"). There were also Secretaries' conferences in each District and a Senior Wardens' "Leadership" conference.

Resolutions were passed to set up a "Committee on Retention" (to reduce dropouts whether by suspension N.P.D. or lack of interest) as a standing committee of Grand Lodge, and to provide for a 50-Year button "to be presented at any time during the Calendar year." Resolutions to make it obligatory for each new M.M. to visit the Masonic Home before receiving his certificate and to limit the age for election as Grand Treasurer were held over.

A blanket insurance policy for \$1 million liability covers all Masonic Craft activities in the State and is combined with medical provisions, "Paraphernalia," and Fidelity Bond coverage. The cost is included in the per capita. The latter now is \$16.50. There is also \$5 for the George Washington Memorial Association and \$20 for the Charity Foundation from each new M.M. or affiliate.

The Accounts of the Charity Foundation and of the Home are not included in the Proceedings.

More than half of the Proceedings comprises "Returns" of the individual lodges. The history of two lodges who celebrated their 100th Anniversary are printed in an appendix.

The material available to your reviewer is limited to the brief proceedings of the Quarterly Communications in March and in June and of the Annual Investiture.

Following his re-installation the Grand Master noted that gifts to Masonic Charities were some £6.75 million. While this was "very heartening" it was also "frighteningly large" and placed a "heavy responsibility" on administrators to ensure economical and efficient operation which he strongly advocated. He then continued, under the heading "After-Proceedings":

"This leads me to mention another point, also concerned with economics; I have, for some time, been worried about the costs, other than Lodge and charitable subscriptions, which the individual mason has to bear in his regular attendance . . . there is no absolute necessity for lavish wining and dining after every meeting. . . . I am anxious that brethren who may well be of limited means should not feel obliged to strain their family budgets in order to keep up an unnecessary high level of conviviality."

The Pro Grand Master visited the Bahamas, stopping over in Bermuda en route home, installing District Officers. He also attended the Grand Lodge of New York, receiving their Medal for Distinguished Achievement.

There was also available ("For Private Circulation only"), the report of the District Grand Lodge of Newfoundland for 1979. In spite of its date it is of interest to

note a membership of 2,657 (increase of 9) in the 23 E.C. lodges in Newfoundland. The District Grand Master advocated "a balanced variety of interest . . . for the enjoyment of all Brethren, and for the advancement of Masonic knowledge" (as opposed to just degree work by the officers). He referred to educational funds and insurance availability through joint planning with Scottish and Irish lodges.

The E.C. lodges date from 1848 (St. John's No. 579) to 1977 (Airways No. 8777).

## IDAHO - 1981

114th Annual Communication — September 17, 18, 19

Grand Master M.W. Bro. L. R. Turner presiding Grand Master M.W. Bro. L. E. Cannon elected and installed

Lodges 84 plus

Membership 11,193

Loss 240

1 Research Lodge

The cornerstone of a new Temple was laid at a Called Communication.

The Grand Master reported realistically on the state of the Craft.

"Eighty percent of our Lodges are moving forward . . . ten percent are stagnant . . . the final ten percent are near death — becoming unsalvageable. . . .

Lets face the facts . . . Highways are moved, the principal source of income moves away or closes down . . . This is nothing new . . . Is it better to wither for a lost cause or consolidate and work towards a brighter future? . . . I am convinced that at least 8 of our Lodges will cease to exist in the next few years (without consolidations) . . . The time has come to get our house in order . . . Won't you come along and help carry your share of the load."

The Grand Master commented favourably and appreciatively on a week-end celebration in Silver City for the 100th Anniversary of Silver City Lodge No. 13, marked by community and social events. He visited his Mother Lodge in Spokane, Washington and also valued his visit to Fiat Lux Lodge No. 1079, in New York, a special annual event for the Grand Master of Idaho. He had to remove a Worshipful Master from office because the required proficiency test had not been passed.

One of the Grand Master's recommendations was interesting:-

"That the incoming G.M. appoint a committee to establish the duties and guidelines for our Grand Representatives. In many jurisdictions . . . a great deal is gained by this system. In Idaho, it has become nothing more than an honorary appointment . . . We should either put the system to use or abolish it altogether."

Monthly reports are required from each lodge as well as annual reports. One lodge was placed on probation for continuing failure to produce the required data. Grants of \$7,000 were given towards the restoration of the Temples in Idaho City and in Silver City. A new report form for Committees of Investigation was approved. This

included specific answers as to whether the applicant was living with his wife, and as to use or nonuse of stated drugs!

The financial status of Grand Lodge is good, — a significant surplus of funds for the year and profitable common stocks in the portfolio.

The Grand Lodge of Alaska was recognized.

## ILLINOIS — 1980

141st Annual Communication — October 10, 11

Grand Master M.W. Bro. N. R. Buecker presiding

Lodges 760

Membership 157,514

Loss 1,215

Cornerstones of the Shriners' Crippled Children's Hospital in Chicago and of the Camp Point United Methodist Church were laid at 2 Occasional Grand Lodges. Moving pictures of the latter were taken by the Shrine who are assembling a Masonic film.

Our M.W. Bro. Richards attended the Annual Communication.

The Grand Master was highly pleased by the decreasing loss in membership. For the past 3 years this has been 4,009, 2,479 and now 1,215. One reason for the improvement has been the revitalization assisted by waiver of the long proficiency examinations for "drop-out" brethren by the previous Grand Master, M.W. Bro. VanTassell. The code still requires the full examination, but a W.M. may petition the Grand Master for waiver in specific cases. "Nothing can be done? Don't tell me that! You're doing it!"

For the first time in Illinois, representatives of the 3 youth groups were received and addressed Grand Lodge.

The address of R.W. Bro. Dr. W. H. Brown, Grand Orator, was highly pertinent and applies to each one of us:—

" 'A song is not a song until you sing it.

A bell is not a bell until you ring it.

God did not put love in your heart to stay.

Love is not love 'till you give it away.'

\* \* \* \* \*

Over the past few months I have submitted questionnaires to some of my brethren . . . (who) are not very regular in attendance . . . There were 15 so called enemies of attendance for them to rate. The one receiving the most votes was apathy, closely followed by television and 'affluence' as a close third.

\* \* \* \* \*

No freedom ever lasted unless it involved responsibilities as well as rights and privileges . . . When God gave each of us an ability, He also gave us a responsibility to make good use of (our)

talents . . . We can exist as free people only when we accept the responsibilities of freedom.

\* \* \* \*

We need Masons who see, understand and proclaim the influence of Masonry on the individual, the family, the community, the nation and the world . . . .

We need Masons who are 'Masonic' examples to the newly raised Mason. Enthusiasm is as contagious as a smile. . . .

We need Masons who, by their example, will attract others to Freemasonry. . . .

We need Masons who are informed about Masonry.

\* \* \* \* \*

The future may bring some changes in ritual, changes in the way we inform a non-mason about Masonry . . . and other changes. But the greatest influence will be how much Masonic dedication do we have. What Masonry offers to the next generation depends on us, the work we do and the fruitful enthusiasm we display for Freemasonry. It will not all be easy, but . . . Brethren it can be done."

Per capita dues were increased from \$4 to \$5. As requested from Washington, the contribution from each new M.M. to the George Washington Memorial went up from \$1 to \$5. A resolution removing the requirement that the Annual Communication must be in Chicago was approved. A resolution to reduce the candidate's required age to 18 was tabled and one to require each member of a lodge investigation committee to visit the applicant's home *separately* was rejected.

There were 9 expulsions following trials. The Grand Master expelled a brother convicted of involuntary manslaughter in the death of his wife, in spite of the fact that a court of appeal had quashed the conviction and ordered a new trial. "The circumstances . . . (and) publicity, reflected unfavourably upon this member and the Masonic Fraternity." Grand Lodge approved.

The Home endowment received over \$2 million from the estate of Bro. H. S. Anderson. The several Home endowments now exceed \$30 million. The Home had 256 residents. The per capita cost is given as \$12,000 but this neglects improvements etc. which while not "current" are of an ongoing nature. Total outlay of \$4 million works out at \$15,600 each as a more realistic figure. Next year's budget is \$4.8 million.

The Children's Home had 31 youngsters (average cost \$12,300). Residents have to be sponsored by a lodge but there need be no Masonic connection. Public schools are attended but "special education" is available. "We are changing our rules to allow our older children to handle more of their 'earned money' . . . with more shopping experiences where the money will be their own."

The Auditor's Financial Report takes 90 pages of the Proceedings and is as comprehensive a statement of finances as that of any Grand Lodge which your reviewer has seen.

Our jurisdiction is among the 58 reviewed. There is reference to the large attendance at our Grand Lodge and a quotation from M.W. Bro. Davies' address (1979). This is a compliment as there are only 4 or 5 quotes throughout the reviews.

## INDIA - 1981

Grand Master M.W. Bro. Hon. Mr. Justice D. P. Madon

Lodges 242, including 2 consecrated in 1981 Membership 12,874 for 235 of the lodges Gain 206 for 235 of the lodges.

Your reviewer has received no Proceedings or other material from India since his 1978 Fraternal Reviews. R.W. Bro. Wallace McLeod, India's Grand Representative here, has also not received any Proceedings. Your reviewer now has on hand a single issue, Vol. II, No. 7, Oct. 1981, of "The Square and Compasses" published by the Grand Lodge of India. This gives "Statistics of Daughter Lodges for the year 1980." No totals are included (possibly because there were no returns from 5 lodges) but the numbers above are derived from the table as printed.

It is obvious that the Grand Lodge of India is doing well. The number of lodges have increased by 15 since 1976. In 1980, 125 lodges gained and 84 lost membership. Only 10 lodges have a membership of over 100 (2 over 200). The largest lodge (269 members) is No. 103 Madras Master, in Madras (loss 1) and the smallest (12 members) No. 108 Afghan in Calcutta (no change and no work). Your reviewer counted 25 lodges in Calcutta, 32 in Bombay, 20 in New Delhi. The No. 1 lodge is Anchor & Hope, Calcutta.

The newest lodge is No. 243 Ernakulam in Cochin, consecrated March 14, 1981. The 2 new lodges and 5 with "no returns" make up the difference between the 242 total and the 235 with statistical data. One lodge appears to be dormant (or, perhaps, just a missed number) as all entries opposite No. 74 (including name) are blank.

The publication at hand includes "orations" as memorials to two brethren, a paper correlating the charge after raising with religious tenets of several of the religions represented in Indian Freemasonry, and the following "Aside":—

"The first Indian to be initiated into Freemasonry was Nawab Umadatul-Umra, the eldest son of the Nawab of Arcot in Trichnopoly in 1776 and in 1842 Mr. Manickji Cursetji was initiated in France in Lodge "A Glorie de Luivers." In the same year Prince Kayralle Khan of Mysore was initiated in Lodge "True Friendship."

#### IRELAND - 1980

Quarterly Communications March, June (Dublin), September (Belfast) and December (Dublin)

Grand Master M.W. Bro. Rt. Hon. the Earl of Donoughmore

Your reviewer has the brief "Annual Report" containing the Grand Master's Report on St. John's Day and the Grand Secretary's selections from reports from Provincial Grand Masters and from Grand Inspectors.

The Grand Master has been in poor health and the Deputy Grand Master, R.W. Bro. Major G. M. Malone, has substituted in many of the duties, including presiding at the St. John's Day meeting.

Two Provincial Grand Masters died and two others retired. The latter included R.W. Bro. Sir Basil McFarland who had served in Londonderry and Donegal continuously since 1948.

Two new lodges were formed, one in County Down and one in Ghana. Two warrants were returned. One of the latter was Leswarree Lodge No. 646 (old) of the Queen's Royal Irish Hussars. There is a picture of the W.M.'s Collar, a beautiful piece of work with a golden cock and an irradiated gold sun between the points of the compasses.

The grounds and buildings of both the Boys' School and the Girls' School had been sold under highly satisfactory terms. Over £2 million was realized for the Boys' School which becomes the property of University College, Dublin, and its principal building "Richview" will continue to be used for educational purposes. £430,000 was obtained for other properties. Revenue from the capital was more than adequate to insure the education of all the boys and girls in private schools. The Grand Master reported, "I believe that the Brethren of all those years ago, now in the Grand Lodge above, would be satisfied with our efforts."

The Deputy Grand Master noted that the brethren in Nigeria desire a greater degree of independence and the formation of a Sovereign Grand Lodge there is in prospect. The Grand Lodge will support decisions taken by the brethren in Nigeria.

The Board agreed that "a record-player or playback instrument can be used in Lodges for the purpose of playing Masonic pre-recorded music providing such instruments are intrinsically incapable of recording sound."

The reports of the Provincial Grand Masters have many instances of rebuilding, restoring or repairing premises (2 of the Irish buildings were bomb damaged) by the voluntary efforts of the local brethren. Masonic charity is outstanding. The Provincial Grand Lodge of Down has a completely unique record. Its Charities Committees collected £86,826. Substantial sums were presented at official visits of the P.G.M., while a golf competition netted £2,000.

Overseas, Zimbabwe reports "50% more proposals than last year," Natal now has its own I.C. Temple, a degree was conferred in French in Ghana, and all overseas reports note the good relations with Lodges of other Constitutions. In Sri Lanka, the Grand Inspector reports a high light of a visit of a P.M. from Ireland who was on a holiday there, "the first visitor from Ireland in almost 25 years." Such neglect is so non-typical of Irish friendship and goodwill that your reviewer anticipates that it will be corrected shortly.

#### JAPAN - 1980

23rd Annual Communication — March 14, 15

Grand Master M.W. Bro. H. M. Voss Jr. presiding Grand Master M.W. Bro. Y. Kitamura elected and installed Your reviewer has been following, with interest and approval, the slow but apparently definite progress in making this Grand Lodge more Japanese. The 3 senior officers (for 1981) have Japanese names. But the problem is far more difficult than that of names or of ethnic origin as disclosed in the "Grand Oration." Ninety-five per cent of the Craft membership are American citizens and only 5% Japanese citizens! That statistic, appearing for the first time in the Proceedings, is a shocker and completely negates your reviewer's previous appraisal. The "Oration" does not mince words. There must be real communication with the Japanese Japanese. The candidate should choose "which version of the great light" is to be used rather than "the Christian Protestant Bible." Use of the American Flag should be dropped. The Japanese ritual should be used as much as possible. Lodges should be promoted outside of military installations. Brethren should make a serious effort to learn the Japanese language. Chairmen of committees involving public relations or contact should be Japanese. Let us hope that most of these and similar actions are implemented and that they work.

The Grand Lodge of Uruguay was recognized. Recognition of the Gran Loge Reguliere de Belgique was delayed, as was that of either of the Grand Lodges claiming jurisdiction in Ecuador. The Grand Lodge of Japan is not recognized by the Grand Lodge of England and a nasty situation developed when Far East Lodge No. I was named as a defendant in a court action to evict them from the Yokohama Masonic Temple which "Masonic Halls Ltd.," a Hong Kong based company owned by the United Grand Lodge of England, claimed to own. Negotiations may resolve the ownership problem as between the company, 2 Japanese lodges and a chapter of the Eastern Star.

The "Children's Festival" was a success. Some 400 orphans and as many "community members" were invited. A TV program on Freemasonry was aired by the Japanese Broadcasting Assoc. (NHK) in September 1979, the first of its kind.

## LOUISIANA - 1981

170th Annual Communication — February 9, 10

Grand Master M.W. Bro. R. L. Kleinpeter presiding Grand Master M.W. Bro. C. B. Folds elected and installed

Lodges 286 plus 3 U.D.

Membership 44,278

Loss 603

There were 10 emergent Communications, 9 involving cornerstones (including a Baptist Church, a civic complex and a Memorial Hospital) and the other a funeral service for a P.G.M.

The Grand Master wondered if, having limited his acceptance speech last year to the words "I do," he should just report to Grand Lodge "I did." The text of his address is, however, a normal 30 pages.

The Grand Master initiated workshops, conducting the first of five himself. He strongly recommended their being continued as well as wanting a "continuous visitation program" for each lodge and a uniform dress code for lodge officers, determined by the lodge. "Some . . . attend lodge dressed as if they intended to visit the local pool parlor."

An edict that the Worshipful Master, Senior Warden and Junior Warden of a lodge could not hold office unless they were American citizens, so that they could lead in the required pledge of allegiance, was amended by the Masonic Law and Jurisprudence Committee to essentially similarly limit membership in the Craft:—

"The pledge of allegiance must be given at all meetings, and all members of the Grand Jurisdiction shall stand, salute and recite the pledge."

(So much for the universality of Craft Freemasonry.)

Charters were approved for the 3 lodges under dispensation. The Grand Master had to erase the charter of an inoperative lodge (whose W.M. had been convicted of a felony), ordering the D.D.G.M. to enter the premises and take possession of the Charter, books and assets. "The time came to face the music and draw the curtain."

Seven trials for U.M.C. were reviewed. In one case a not guilty lodge vote was reversed by Grand Lodge and indefinite suspension ordered. Refusal of a witness to testify led to one acquittal. But the remarkable case was of a brother, found guilty of "simple Burglary" and sentenced, who was acquitted by his lodge and Grand Lodge concurred! The maximum penalty given was indefinite suspension (including the W.M. of the erased lodge, removed from office and suspended by the Grand Master).

The Children's Home averaged 40 residents, age 4 to 18. Total expenses were \$263,000, including \$50,000 depreciation. This works out at \$6,575 (or \$5,325 excluding depreciation) per child. The Trustees report a cost of \$4,788 per child. Take your choice. The Masonic Home Educational Foundation gave grants to 76 college students. Two hundred and fifteen awards for "honesty and integrity" were given by lodges to High School students. Some 400 visits were made to the Veterans' Hospital by a "Masonic Field Agent" and assistants.

The Regular Grand Lodge of Belgium was recognized.

Steps to sell the present Grand Lodge building and planning for a new building are active.

Following the open installation of Grand Lodge officers, presentations included the nameplate from his office to the I.P.G.M. and a certificate of appointment as an Honorary Deputy Sheriff of Baton Rouge and keys to the East Baton Rouge jail to the new Grand Master.

#### MAINE - 1981

162nd Annual Communication - May 5, 6

Grand Master M.W. Bro. H. F. Small presiding

Lodges 204

Membership 39,344

Loss 564

The Grand Master noted that District Representatives had achieved "dramatic results" whenever they took the job seriously. This was to implement, under the D.D.G.M., the plans and programs of the Education Committee including helping youth groups, utilizing the Grand Lodge Speakers' Bureau, promoting fellowship nights and, above all, assisting the lodges in their "Widows' program" and in their

"Caring and Sharing Outreach." These latter were to visit and, lodgewise, do something for and with every widow of a deceased brother and every older and physically restricted lodge member, as well as all "Masonic shut-ins."

Table lodges were encouraged and 14 dispensations issued for them.

The Grand Master recommended the appointment of a Grand Lodge Committee composed of brethren with "experience in finance and real estate" to advise lodges on financial matters in the present economic climate.

Certain games of chance have been legalized in Maine. A resolution permitted that clubs "whose membership is conditioned in whole or part" with the Craft may hold such games on Masonic premises but not in lodge rooms. Craft lodges, per se, may not conduct such games.

Another resolution authorized Research Lodges "without power to confer degrees," with no representation or vote in Grand Lodge but having statewide jurisdiction, and permission to accept "as associate members" "Master Masons or Lodges of Master Masons in good standing in this or other Grand Jurisdictions in fraternal relations with the Grand Lodge of Maine."

The Grand Lodge of Alaska was recognized.

Some 10 different funds (assets total \$1.7 million) come under "Trustees of the Charity Fund." They have an investment consultant, provide an honorarium for the Chairman of their Committee on Distribution, pay a share of Grand Lodge office expenses, and have set up an "Income stabilization Fund." \$85,000 went to beneficiaries, and the remainder of the \$170,000 revenue, except \$11,000 to youth groups and "hospital visitation," for reinvestment and the heavy overhead.

## MANITOBA - 1981

Lodges 100

Membership 11,047

Loss 254

Our M.W. Bro. N. R. Richards was one of the visiting Grand Masters to address the Annual Communication.

The Board of General Purposes provides the active management of this Grand Lodge. Six meetings were held. Time was allotted for each D.D.G.M. to speak on matters concerning his District. Use of the Grand Lodge Library has improved, thanks mainly to members of the Q.C.C.C. who also arranged a lecture by M.W. Bro. Stanley Maxwell. A "J. R. C. Evans Memorial Lecturer" is appointed each year. V.W. Bro. Tyler gave his presentation on "The Lady Mason" seventeen times!

Financial statements show a nominal surplus, but your reviewer found only one general indication that anything is being done to reduce the \$280,000 mortgage on the Masonic Memorial Temple which comprises three-quarters of the "assets" of the benevolent endowment fund, and, to make matters worse, only \$2,800 mortgage interest is credited as "income" i.e. 1% of the principal!

The "Visionary Task Force" reported on its 2-years' work. Their recommendations were (1) a 5-year time frame for Grand Lodge to establish "a permanent structure with methods, programs and priorities," (2) set up a "Program Planning Group" responsible to Grand Lodge and reporting through the Board, (3) develop specific terms of reference for committees etc., (4) consider "an official code of conduct," (5) a group in each District to assist the D.D.G.M. to ensure continuous implementations of programs, (6) an annual Manitoba Workshop, (7) consider "eventually" a limit of 100 resident members per lodge.

R.W. Bro. J. G. Fairclough, who had served magnificently as Grand Chaplain for over 10 years, died. The Acting Grand Chaplain wrote the text of the address at the Memorial Service. It is as fine as anything your reviewer has read of its kind. You will find a part at the beginning of these reviews.

The Committee on External Relations recommended recognition of the new Grand Lodge of Alaska. An amendment to the acceptance of their report referred this back to the Committee for further study.

#### MEXICO (YORK) — 1981

119th Annual Communication - March 13, 14

Grand Master M.W. Bro. A. Lejarza presiding Grand Master M.W. Bro. J. H. Driessen elected and installed

Lodges 10 plus 1 Research Lodge Membership very small probably less than 500

The 1981 Proceedings are the first your reviewer has received from this primarily English-speaking Mexican Grand Lodge. Many of the members are American retirees. Some lodges are becoming increasingly bilingual and one lodge works in German. Eight of the lodges appear to be in or near Mexico City. The other 3 are scattered and each, apparently, has its own D.D.G.M. (Districts 3, 5, and 6. There is no mention of other Districts or D.D.G.M.s) Survival is not easy and has not been easy for some years. In Acapulco the D.D.G.M. reports, frankly, "The Lodge Hall is small, dirty and noisy but it is the only thing available and so we will keep on going." The Grand Master's report indicates that at least 5 of the lodges are in good shape.

Publication of "The Craftsman" lead to a deficit for the year. The per capita fees were increased from 190 to 250 pesos. The annual purchase of a P.G.M.'s jewel is excessive for such a small membership. An Endowment Fund is being organized and DeMolay is being restarted. There is, obviously, a small but dedicated core of Masons who intend to keep their Grand Lodge alive.

The new Grand Master was born and educated in the Netherlands. He is now International Technical Coordinator for N. V. Philips. He became a Mason in Mexico in 1966.

A "History of Masonry in Mexico 1791 - 1950" by W.Bro. Folange comprises 29 pages of the Proceedings. It does not lend itself to condensation as the story starts with individuals fugitive from the Inquisition and of French or Spanish origin and

continues through the often turbulent politics of Mexico, with wide ups and downs, and many different organizations some "regular" and some "irregular" and, more often than not, rivals rather than brethren. The final page headed "Statistics" indicates that there may be 130,000 Masons in Mexico under 23 Grand Lodges, 19 of which are classified as "Scottish Rite, regular and irregular" with 527 of the 596 lodges. There is also an inference that Masonry in Mexico is somewhat more integrated and mutually tolerant than during past years.

#### MICHIGAN — 1981

155th Annual Communication — May 27, 28

Grand Master M.W. Bro. R. N. Osborne presiding Grand Master M.W. Bro. C. C. Worfel elected and installed

Lodges 502

Membership 118,777

Loss 3,451

Our M.W. Bro. Richards attended the Annual Communication.

Grand Lodge business records are being computerized. Several lodges were "redistricted" for better administration. Grand Lodge expenses resulted in a deficit in general fund and the surplus in the Home fund was nominal. In spite of this, Grand Lodge rejected a per capita increase first of \$1.50, and later of \$1. The budget is for a significant deficit next year.

Table Lodges are more and more frequent. The Publications Committee was directed to devise a standard Table Lodge Ritual for approval next year. A "Masonic Ladies' Pin" proved very popular. "Our initial order was sold out almost before it arrived."

The Grand Master had to remove two Worshipful Masters from office. Each had been convicted of a criminal offence. Nine lodges were lost by consolidation.

Constitutional amendments approved included a pre-paid life membership scheme — actuarial in the sense that annual dues were multiplied by an age-dependent factor to determine the cost. Change to make use of alcoholic beverages in non-lodge room parts of Masonic buildings optionally permissible failed to get the required two-thirds majority. Past Masters do not vote in this Grand Lodge and a motion to give them a vote was defeated, as were two amendments to permit lodges to sponsor athletic teams and events.

The Grand Lodge of Alaska was recognized. Michigan had been officially represented at the founding of this Grand Lodge.

The Home had 291 residents and a waiting list of 93. The cost per day is reported as \$21.16 for Home care and \$38.08 for Nursing care. Operating expenses were \$4.2 million. There were sizeable capital expenses as well — the kitchen and dining room have been refurbished and a long term project to modernize the living quarters (built in the late 1920's) is underway.

The active management of Grand Lodge is under its Board of Directors. The minutes of its 13 meetings are printed in full in the Proceedings.

Cornerstones for 2 lodges were laid at Occasional Communications. A P.G.M. of Manitoba attended one of these and both the U.S. and Canadian flags were used. The close relations between Minnesota and Manitoba were further demonstrated by a Manitoba delegation of 12 headed by the Grand Master attending the Annual Communication and the return of the "International Masonic Gavel" from Manitoba to Minnesota.

"District Workshops" were replaced by "Lodge Visitations" as a principal technique planned and instituted by the Grand Master to strengthen, revive and promote Masonry. The table of visits indicates 551 of these to 234 lodges including 96 by the Grand Master personally. The Grand Master urged "live Masonry":—

"In 1981 it is more difficult to identify a good man as a Mason than it might have been 40 or 50 years ago. . . . It is important that we utilize other methods to show by example not only as an individual, but also collectively as a Lodge. . . . One Lodge supported a diabetes educational program within their community, other Lodges are supporting drug awareness programs, others assist in purchasing rescue equipment for their fire department . . . ."

A Real Estate Tax Committee is examining possibilities in depth. These include trying to get all fraternal organization buildings on a tax exempt basis, or to get Masonic Temples out of "commercial" assessment, or to revise the corporate structure of Grand Lodge so that the "charitable organization" provisions could be utilized. The Committee realizes that the problem is critical to financial viability of many lodges.

The Long Range Planning Committee is dealing with membership retention, with computerization of Grand Lodge data, with modernizing the Committee structure of Grand Lodge and with long range goals of Grand Lodge.

Resolutions approved included increasing the per capita from \$7 to \$9 (of which \$2.50 is for the Home); a modification of Regulations re Alcohol permitting lodges to share buildings with other "suitable organizations" and not interfering with the latter's controlled use of alcohol in parts of the building completely separated from the Masonic quarters; and to reduce the Grand Lodge "line" to Grand Mastership from 12 to 10 years by making 2 appointive offices "non-line," this to be done by attrition, no G.M. to lose his right to start one brother in the line.

The Grand Orator included in his speech a definition of education written by Douglas Warner:—

"The educated man is not as one may initially speculate, the man who knows, or even the man who knows he knows. The

educated man is he who knows that he does not know. But the educated man does not fear this truth, and because he does not fear ignorance, he will dare to challenge the unknown, and he knows that his challenge will not go unanswered. Education is not something given, rather it is something found . . . The greatest questions are how do we spark the flame of curiosity, how do we encourage them to seek, to ponder, to wonder, and to ask. How do we instill within them the courage to dare challenge the other side of tomorrow, to begin the journey inward, the longest journey in life."

The Scholarship Committee received 438 applications and awarded 14 x \$500, 4 x \$750 and 12 x \$1,000 grants. The Masonic Foundation provided an additional 3 x \$1,500. The scholars were invited to the Grand Lodge dinner where their awards were individually presented.

The tremendous charitable activity is the Masonic Memorial Hospital including the "Masonic Cancer Centre." Funding for the latter was near \$190,000 for the year with treatment of 3,500 patients over 25,000 patient days. The fund assets are \$2.5 million. The "Visitor" at the Rochester Clinic reported 2,300 hospital calls to Masons.

The Grande Loge Reguliere de Belgique was recognized and relations with the Grand Lodge of Cuba reaffirmed.

Grand Lodge installation was open with Job's Daughters taking part.

#### MISSISSIPPI — 1981

163rd Annual Communication — February 9, 10, 11

Grand Master M.W. Bro. W. R. Miley presiding Grand Master M.W. Bro. J. C. Barnes elected and installed

Lodges 302 plus 1 U.D.

Membership 46,913

Loss 759

There were 7 Emergent Communications including 3 cornerstones for Lodge Buildings.

A Worship Service and the Grand Master's Dinner took place the evening before Grand Lodge opened. The Grand Master recommended "adequate" funding for the Grand Lodge Newsletter and that subordinate lodges sponsor "family-type open meetings and activities."

The membership statistics are not good. One lodge was lost by consolidation, but the U.D. Lodge is to receive its charter. The number of degrees conferred was only 74% of that in 1975. Suspensions are increasing each year, as are the number of lodges working no degrees. How could the Grand Secretary justify the first statement in his report "It is with genuine pleasure that I submit . . .?"

The Jurisprudence Committee got provocatively extraterritorial in dealing with a letter from a W.M. of *Wisconsin* enquiring about the status of Prince Hall Masonry.

They advised him, at some length, that "Prince Hall so-called masonry is clandestine and illegitimate." They were asked, "Can we keep a Mason on our roll whose wife has taken out a permit to sell whiskey at a restaurant or snack bar she is planning to open?" The answer was to the effect that the brother would have to establish that, after it opened, he had absolutely no connection with it, financially or otherwise.

There is concern about the small number of children in the Home, which, at 20, "is the lowest in the history of the home." Cost was \$7,600 per child (33% for salaries, 20% each for groceries and utilities). There are pictures of the attractive Home buildings in the Proceedings.

In this jurisdiction the S.G.W. succeeds to the Grand Mastership. The Deputy Grand Master is a personal appointee of the G.M. The installation of Grand Lodge officers was open.

## MONTANA - 1980

The Grand Orator, M.W. Bro. Davis, spoke immediately after the opening of Grand Lodge on "Our Obligation":—

"No human institution will ever bring perfection to its members but we do claim that by organized, united and well directed effort among ourselves we may set in motion an influence which strengthens the weak and gives new impulse to the strong. . . Our obligation makes us a potential unit in this grand scheme. . . .

Do not leave your Masonry in the Lodge Room. Carry home with you the gentle thought, the kindly word, the helping hand. Out in the world of business and of pleasure carry its messages of honesty, sincerity and virtue."

The Grand Master, who "logged" 44,000 miles in his Masonic duties during the year, made a terminally ill E.A. a Master Mason at sight in hospital. "We must, of necessity, perform a very brief ceremony." He asked the Committee on Work to provide guidelines for future Grand Masters. He recommended (and Grand Lodge later approved) that an addition be made to the petition for initiation that the petitioner agreed to an investigation of his character, this to forestall problems under the "Invasion of Privacy Act."

A resolution to reduce the joining age to 18 was tabled. The per capita was increased from \$11.50 to \$12.50. Part of this would seem to be to employ an assistant Grand Secretary and part for the Home.

By special dispensation, 2 brethren received their M.M. degree in the historic Bannock Lodge Room, now substantially restored. The last degree to be conferred there had been in 1916.

The "Hospital Visitor" spent 5,000 hours of voluntary duty at the Veterans Hospital at Fort Harrison. The Masonic Home had "as many as 43 residents," who provided \$179,000 revenue. Grand Lodge, via the Masonic Foundation, provided \$72,000. Bequests were \$83,000. Detailed financial statements of the Home were not given. There was a \$9,000 deficit "in operation."

The Grand Secretary had left "the line" to assume his office and would otherwise in normal course have been Grand Master. He was made a Past Grand Master (Honorary).

The historic gold signet ring, made by M.W. Bro. Word in 1887, was passed on to the new Grand Master.

Cornerstones were laid for the Health Building at Peru State College, for an elementary school at Wood River, and for a new Temple in Papillion.

The Grand Master of the new Grand Lodge of Alaska attended with 3 of his officers (the first such visitation which your reviewer has seen). It was a "thank you" visit as Nebraska's Grand Master had assisted in the installation of Alaska's first Grand Lodge officers. M.W. Bro. Jenkins was certified as being a member of the Order of the Alaskan Walrus and presented with a sample of the first oil to come by pipeline from Prudhoe Bay. The Grand Lodge of Alaska was officially recognized.

The Grand Master reported that the state of the Craft was "better than we think." That may not be too good as 122 lodges (52%) had no raisings and 91 (39%) no initiations. Yet 17 lodges had over 10 initiations (maximum 22); 4 lodges consolidated to 2 and another consolidation was cleared.

The name "The Nebraska Masonic Research Society" was permitted for a group of brethren so organized. A travelling "Rock Maul" (16 lb. from a stone quarry, refurbished and marked with a square and compass) will be given annually (1 year tenure) to a lodge selected by the Grand Master for an outstanding record.

Sixteen "central schools" were held by the Grand Custodian. A Committee on Membership encouraged "Information Dinners" to which non-masons and their wives were invited as guests of the lodge. Funding (up to \$5 per guest) was provided by Grand Lodge, the Scottish Rite, the York Rite and the Shrine.

There are no statistical reports on the Masonic Home or on the Masonic-Eastern Star Home for Children, but the Superintendents' reports are enthusiastic. The Home endowment fund received \$332,000.

Three Field Agents of the Masonic Service Assoc. reported on their respective hospital visitation programs.

It is with genuine pleasure that a gain in membership in a northern American jurisdiction is noted, especially when this is accompanied by the consecration, dedication and constitution of a new Lodge (followed, in a Special Communication, by the open installation of its officers). There were 2 other Special Communications, one for the cornerstone of Truckee Meadows Community College at which Senator Laxalt gave "the oration," and the other, the cornerstone of a YMCA building in Las Vegas. Seven people, including the mayor, a judge and several Y officials "spread the mortar." The Grand Lodge procession involved every co-ordinate and related body active in the State, Fifty-seven items (some of these groups) are listed as being in the cornerstone. Obviously the public show was played for everything it was worth.

The Grand Master visited all but 3 of his Lodges and these were covered in joint visits. His numerous dispensations and permissions included one to a Lodge to hold a "Called Communication" to ballot on a specific petition "without reference to an investigating committee." The particular circumstances are not stated. He gave special privileges to 2 Shrine Temples, the Potentate and Divan being allowed to visit each Lodge in their area once during the year at a stated meeting and to present "small American Flags" for presentation to each new M.M., and to encourage use of a Shrine 3rd degree team. He refused to allow a Masonic Savings & Loan Association to be formed on advice that it would violate Nevada law. He also refused to allow certain charitable donations by Lodges as the code strictly limited these. However, he encouraged a code modification which liberalized the restrictions and this liberalization was later approved by Grand Lodge.

A "Public School Week" was proclaimed and Lodges asked to hold special meetings to which the public was invited. The giving of "Widows' Pins" by individual lodges was encouraged.

An increase in the per capita to \$7, a fee of \$5 for each degree conferred, an increase on the G.M.'s allowance, in the Grand Secretary's salary and in travel allowances for Grand Lodge officers were all combined in a single resolution which was passed. Another resolution assigned \$5, rather than only \$1, for each M.M. raised to go to the George Washington National Memorial Assoc.

The Grande Loge Reguliere de Belgique was recognized.

There were no Masonic trials during the year.

The installation of Grand Lodge officers was open.

The Grand Master, M.W. Bro. Clarence F. Carter died in England on March 24th. An emergent meeting of the Board of General Purposes, convened on March 26th, declared Grand Lodge to be in mourning until a new Grand Master had been elected and installed at the next Annual Communication and that, as provided by the Constitution, the Deputy Grand Master was Acting Grand Master for the same period. The Board also directed that a delegation of Grand Lodge members would attend the unveiling of a plaque in the new Royal Bank Building on April 9th, commemorating the site of the first Masonic Hall in St. John.

Our M.W. Bro. N. R. Richards attended the Annual Session.

There was no address available from the Grand Master other than a list of his visitations. Prior to his leaving for the U.K. in early March, he had recorded 55 visits among all but one of the lodges in his jurisdiction.

Grand Lodge finances are in good shape with a \$10,000 surplus of revenue over expenditures. The Quinn Trust Fund will grant \$350 to each lodge in 1981 (up from \$300 in 1980). The Quinn Estate also provided funds for the Grand Lodge Scholarship Committee which awarded seven scholarships of \$1,000 each to children of brethren towards university expenses.

Mananook Lodge No. 38 on Grand Manan, revived last year, was visited by the "Keltic Degree team, who exemplified the M.M. degree in the presence of the Grand Masters of New Brunswick, of Nova Scotia and of Prince Edward Island."

The new Grand Master, M.W. Bro. Steeves, had served as D.G.M. in 1969. He had just returned from an assignment in Malawi. Your reviewer warmly welcomes his assumption of his duties, recognizing and appreciating his ability and devotion from association and friendship in active membership of Supreme Council. (In New Brunswick, the G.M. serves for 2 years, the D.G.M. for 1 year. It is unusual for the D.G.M. to become G.M. immediately following his term. This has only happened 6 times in the 113 year history of this Grand Lodge.)

There were 8 Special Communications, 2 of which were concerned with the William Pitt Tayern restoration in Portsmouth. In the first, Grand Lodge, escorted by uniformed members of General William Whipple Military Lodge marched on June 14 from Puddle Dock to the Tavern and Grand Lodge was opened on the third floor where it had first been formed on July 8, 1789. That first meeting was re-enacted by the Military Lodge. The records of St. John's Lodge of 1755 were also examined, as was the Masonic Plaque identifying the site. Grand Lodge is attempting to raise \$420,000 for the restoration (\$135,000 was reported on hand at the later Annual Communication). The building is part of a complex called "Strawbery Banke" through which 35 of an original 45 buildings now rest on their original sites and are being restored. Part of the Communication was open and on the 1st floor controlled by Strawbery Banke. In the second, the object was to provide "a day of inspiration to make the Brethren aware of the purposes and needs of the William Pitt Tavern Restoration project." This was held on September 13 and plans were reviewed by the director of Strawbery Banke. The 1st floor of the Tavern will emphasize the American Revolutionary War in New Hampshire, the 2nd floor will be a Masonic museum and the 3rd will be a replica of the original Lodge Room of St. John's Lodge. The 2rd and 3rd floors will be Masonically controlled. The Director anticipates 100,000 visitors per vear.

The Semiannual Communication included distribution of materials promoting "enthusiastic involvement" in 5 projects, the up-coming 200th Anniversary, DeMolay, the Tavern Restoration, Masonic Education and a Masonic Widows' Program. The latter is being copied from a "successful" corresponding program in Maine. The Grand Lodge was called off to permit exemplification by DeMolay of "the degree of EBON." There is a 10¢ assessment in the Grand Lodge per capita for DeMolay and a separate DeMolay Foundation now has \$35,000 capital. Six scholarships of \$450 each were awarded.

At the Annual Communication, the Constitution was amended to provide for 60 year and for 75 year Veterans' Medals which "may be presented during the year . . . not confined to the exact date, if such procedure shall be deemed by the Grand Master to benefit Masonry."

The Grand Master issued dispensations for 29 Table Lodges. These are increasingly popular. He refused to allow a candidate to be initiated on the same night as his ballot.

Lodge Secretaries and Treasurers have to be bonded. Grand Lodge proposes to take out a Blanket Fidelity Bond. Substantial savings will result. Action will be finalized at the next Semiannual Communication. All officers will be covered, \$25,000 gross liability per lodge, cost per lodge \$11.40 annually, higher coverage available optionally at low rate.

Grand Lodge held Lodges of Instruction in each of the Districts. The Lodge of Research had 4 meetings.

The Home had 35 guests at the year end. Cost per guest was \$11,300, of which wages were 55% and food only 8% (less than \$950 per guest) which seems abnormally low, especially as numerous employee meals must have been included. Revenue exceeded expenses by \$130,000. Of the revenue, Grand Lodge only contributed 3%,

37% came from the Trust Fund (assets \$2.9 million), and 31% from paying guests. In addition to the Trust Fund there are \$1.3 million in Home accounts so there are no financial problems.

Our M.W. Bro. R. E. Davies attended the Annual Communication.

"Mandated material" had been distributed with the "New Jersey Freemason" March issue so as to be available to the membership prior to the Grand Lodge meeting. The Grand Master approved 41 dispensations for Table Lodges, including one at the Masonic Home Square Club at which he presided, this being one of the 254 days on which he reports Masonic engagements.

A Manual for lodge Organists was issued. Where a lodge had no Organist "a series of cassette tapes should be made."

Sixteen lodges consolidated or merged into eight lodges. The formal return of old Warrants and the presentation of new ones was conducted at Grand Lodge. In his installation address at the end of Grand Lodge, the new Grand Master said: "It is my aim to try to strengthen our Lodges by challenging them to build on what they have. If there is nothing to build on, we will help them unite with stronger Lodges for their own good." A resolution to require a written report to Grand Lodge on a personal approach to a brother before his suspension N.P.D. could be made was defeated after debate. The Grand Master reported on a survey which he had conducted on 411 such suspensions. Contact had been made by person with 98, by telephone with 81 and by letter only with the rest (232). Reasons were: not interested 216, family problems 24, illness 2, dual membership suspension 2, conflict with a member of the lodge 41, and no forwarding address 133.

Another resolution defeated would have removed the required 6-month wait between the M.M. degree and application to an appendant Order. The pertinent remark during debate was made by the S.G.W. "If you said within the 6 month period the new M.M. must visit the Home, attend a Lodge of Instruction, see each degree conferred at least once and attend a Masonic meeting on Enlightenment, he would be busy for 6 months . . . If you are just going to let him sit around then you might as well let him go."

The Grand Lodge of Alaska and the Grand Lodge of Maranhao, Brazil were recognized. No action was taken on the Regular Grand Lodge of Belgium.

The annual meeting of the Masonic Charity Foundation of New Jersey was held during Grand Lodge. Assets are close to \$23 million, of which \$6.7 million are fixed. Extensive construction and renovation of the Home (first opened 1898) is proceeding to get it to fully modern standards, including "gutting" some obsolete buildings.

There were 245 residents and a waiting list of 175. Operating cost was \$4.3 million (\$17,400 per resident), 22% over last year! Next year's budget is over \$5 million.

The "Outreach" program for widows etc. has a toll free number. Some \$70,000 went to scholarships (1 x \$10,000, 2 x \$5,000 and 25 x \$2,000).

Grand Lodge also sponsors "Acacia-Lumberton Manor Inc." a nonprofit housing for senior citizens at federally subsidized rents.

One unusual report (which no doubt interested M.W. Bro. Davies) was on behalf of the New Jersey Masonic Radio Club who have 275 Masons on their mailing list, all holding amateur radio licenses. They report contacts with 14 countries as well as tie-in with six "Masonic nets."

The Grand Master was optimistic:—

"I see a ground swell of emotion to return to the moral principles on which these United States were individually and collectively founded. This great Fraternity cannot help but grow and prosper in that moral climate . . . Some may feel that this is a pollyannish attitude. I do not mean to imply that the problems . . . will magically disappear."

He ruled that the term "lottery" involved money at some point. A raffle ticket sale was a lottery. A donated door prize with no exchange of money was not.

His recommendations that the per capita be increased (\$7 to \$8), that a prepaid perpetual membership plan be approved, and that the Grand Secretary Emeritus be given the rank of Honorary Past Grand Master were all approved, but his request that smoking be barred in lodge rooms while the lodge was at labor was rejected!

The Grand Lodge of Alaska was recognized as was the new Regular Grand Lodge of Belgium.

Grand Lodge gave matching scholarships (\$100 maximum), to those given to public school students by individual lodges. The Scottish Rite was thanked for matching each such Grand Lodge contribution as well.

Reserves in Masonic Charities of New Mexico Inc. were increased to \$157,000. Contributions were substantially added to the principal and donations (\$9,568) were essentially the interest received.

Installation of Grand Lodge officers was open. Families were introduced.

That Freemasonry in New South Wales is active and very much alive is fully established by the construction, initiation and operation of the great Masonic Centre in Sydney. Nevertheless the statistics reflect a cloudy sky. The number of lodges decreased by 28 (1 new lodge, 3 charter surrenders, 26 lost in consolidations) and another lodge was given permission to suspend work for 12 months. There are 114 lodges less than at the peak of 915 in 1969. Membership has dropped each year since 1958 and is now only 57% of the 135,126 maximum.

In reassuming his office for a second term at a Special Communication, the Grand Master said:—

"Let us never forget that we are the heirs of beneficiaries of the past and also the ancestors of the future... These benefits are part of our inheritance and now it is our responsibility to appreciate, to conserve, to enrich and to transmit to our heirs....

Let us then use this occasion of change and renewal to forcibly impress upon our minds the awesome responsibility to nurture the results of centuries of dedication . . . and to build upon those benefits so that our legacy to our successors is a living, vibrant and progressive Craft."

Some restructuring of Grand Lodge changed Districts to conform with civil boundaries. The Grand Master announced important ritual changes approved by the Ritual Committee and by the Board. The penalties are completely removed from the obligations but there is now "reference" to the penalties in a separate paragraph. The decree by the Grand Master is of December 12, 1979. (cross refer to New Zealand). The old reference to "allegiance due to the ruler of your native land" also now disappears in this jurisdiction.

Your reviewer was impressed with progress with "Masonic Music." There is now an official manual published by Grand Lodge, in keys suitable for male voices for all degrees and installations "plus items incidental to other Masonic occasions and ritual." Tapes are being prepared complete with organ, vocalists, and trumpeter.

Following closing of Grand Lodge in the December Quarterly the "excellent colour film 'Onward Brother Masons'," which portrays the official opening of the Masonic Centre, the dedication of the Grand Temple, the unveiling of the Commemorative Legend and dedication of the War Memorial, as well as highlights of the International Masonic Festival, was shown. This is available through the Grand Secretary's office.

Recognition was withdrawn from the Grand Lodge of Belgium and given to the new "Regular" Grand Lodge there.

The William Thompson Masonic School and Hostel has 11 residents in 3 houses and 45 non-residents. Tax "rate exemptions" for the school were granted by local municipal authorities.

The N.S.W. Masonic Hospital reported the conclusion of a A\$1 million construction and renovation with a new operating theatre complex opened by the Governor of N.S.W. in August 1979. This is a major hospital.

The Deputy Grand Master, R.W. Bro. H. G. Coatés was elected Grand Master at the June Quarterly and will be installed during the July 1980 Special Communication.

M.W. Bro. W. K. Bailey represented our Grand Lodge at the Annual Communication.

Grand Lodge not only lost over 7,000 in membership but 26 lodges as well (22 by amalgamation, 4 by charter surrender). The present membership is only 56% of the 1956 peak and one-half of the all-time peak of 1929.

The numerous reports were preprinted and were dealt with in a minimum of Grand Lodge time. The appendices have most of the substance in the Proceedings.

Bro. Senator John H. Glen received the Grand Lodge Medal for Distinguished Achievement and addressed the Grand Master's Dinner.

Although revenue exceeded expense of \$750,000 by \$100,000, the per capita dues were increased from \$3.50 to \$4.25.

The Home also operated in the black with revenue of over \$9 million (47% from residents, 25% from endowments, 13% from direct legacies and bequests, 6.5% from Grand Lodge) and expenses of \$8.25 million (68% salaries, 7% food, 6% fuel and utilities) equivalent to \$16,500 for each of the 509 residents. The Home is operating "under the state-mandated program to renovate and update our facilities." Very sizable expenses are in prospect and a "Think Big and Build" program is under way and has raised \$4.5 million of \$9.5 million objective to increase the endowment for future requirements. The Home assets are listed as \$27.5 million of which \$8.9 million are fixed.

The Masonic Medical Research Laboratory is another major benevolent commitment. Expenditures were just over \$1 million. Operations were \$200,000 in the red. Reserves are \$1.9 million.

The Judge Advocate had one interesting decision to make. Two lodges amalgamated but their respective By-laws provided different treatment of "life members." It was held that life members would retain the same rights as they had had

before amalgamation (granted this meant 2 classes of such members) but that all future life members would conform to the requirements of the new lodge.

Lodges in Lebanon, under the District Grand Lodge of Syria-Lebanon, are still unable to meet. Two of these lodges still contributed \$1,000 each to the "Think Big and Build" program!

The "Regular Grand Lodge of Belgium" was recognized. The Grand Lodge of Mississippi had previously withdrawn recognition from New York. Mississippi has apparently thought better of their action and resumed relations.

Regardless of its membership problems, this Grand Lodge remains very active. Its Fellowship Committee and other committees promote and manage many activities throughout the Craft. An extensive program is prepared for the up-coming Bicentennial year.

## NEW ZEALAND — 1980

91st Annual Communication — November 26

Grand Master M.W. Bro. R. H. Ashby presiding Grand Master M.W. Bro. F. R. Knox elected and installed

Lodges 428 Membership 37,466 Loss 966 incl. 10 Research Lodges

The "nett loss" in membership is reported as 934. The figure above is the difference in "closing membership" during the year ending June 30th.

Several matters of significant importance were dealt with at the Annual Communication, each initiated by a carefully prepared report from the Board of General Purposes, producing an active debate (recorded verbatim), and decided by a vote of Grand Lodge:—

The ritualistic penalties were, by ballot vote 469 to 417, removed from the obligations, the candidate to be advised of the wording and the tradition involved immediately after his obligation. The new text was "demonstrated" to Grand Lodge prior to discussion on the motion as part of the recommendation of the Board of General Purposes. Some Australian Grand Lodges, including New South Wales and Western Australia, have already taken similar action. Strong language was used in debate, from "Immoral, unlawful and barbaric" to "Feelings of unease." (Your reviewer personally regards action of this scope or principle as inevitable, sooner or later, throughout intelligent and traditional Freemasonry).

"The New Zealand Board of Investigation" was set up to remove liability from committees of investigation of individual lodges or within Districts under "The Human Rights Act or other current legislation." There was already a case of a rejected candidate seeking redress under the Act, denied by the appropriate "Commission" but appealed to the "Tribunal" and still sub judicae. There was extended debate as to "interference" with the rights of individual lodges, but the terms of reference for the new Board appear to have been reasonably set out, following careful preliminary work and legal consultations by the Board of General Purposes. The show of hands vote recorded was 255 to 203 in favour (see also Montana, 1980).

The entire system of Masonic trials was restructured to an essentially commission form. Previously the whole Board of General Purposes had to become involved. This produced the longest debate of all, the Board submitting some amendments to their original proposal and other amendments being introduced and vigorously debated. The final format was approved by a 275 to 71 show-of-hands vote.

The per capita was increased from NZ\$4 to NZ\$5 to meet increasing costs. Grand Lodge capital has a 12.6% annual return which is probably as high as for any similar fund in the world. Grand Lodge allocated NZ\$150,000 towards the reserve for their centennial. This reserve is now NZ\$318,000.

Benevolent subscriptions were NZ\$130,000. The Kirkpatrick House for girls only had 7 residents at the year end. There need not be "a Masonic connection" but lodge sponsorship is required. The number of "annuitants" is approaching zero with wider state social benefits. The Papakura Masonic Home had a significant surplus. There was some criticism at Grand Lodge that not enough was being done with benevolent dollars. Twenty-five bursaries were awarded, 16 for secondary education and 9 for university or professional study.

Recognition was withdrawn from the Grand Lodge of Belgium and accorded to the new Regular Grand Lodge. The Grand Master, with regret, terminated the appointment of R.W. Bro. Sir James Stubbs as the representative of his Grand Lodge near the Grand Lodge of England because of "inflammatory and derogatory (remarks) both with reference to our Grand Lodge and in personal references" during visits to E.C. Lodges in New Zealand. This is, of course, a most regrettable consequence of the dispute between the two Grand Lodges involved, on which your reviewer has commented in previous reviews.

The new Grand Master is a former Provincial Grand Master. The installation followed the traditional form for "down under" Grand Lodges in the presence of the Grand Masters (each with his delegation) from each of the Australian Grand Lodges. In his address M.W. Bro. Knox said:—

"If Freemasonry is locked away in our Lodge Rooms it will be as expressive as the furniture. Beautiful but dumb. To be effective, Freemasonry needs to be practiced by its adherents, not so much by word as by example. Its teachings must first capture the imagination, be accepted in our hearts as worthy of time and thought and then finally translated into a way of life . . . It is only when the community at large can see that Freemasonry has a beneficial influence on men that we will bring worthy citizens to our doors. . . .

... We should not shrink from the examination of outdated customs ... (We) should encourage daylight Lodges, permit our Lodges to experiment with variable meeting times, perhaps permit a wider discretion of acceptable dress, involve our wives and families a great deal more in our social activities, and, above all, live openly in the community as practicing Freemasons proud of our organization and of what it achieves . . . .

\* \* \* \* \*

Warm tributes were paid to the devoted work of the retiring Grand Master, M.W. Bro. Ashby, tributes which, considered in the light of your reviewer's experiences in New Zealand in 1980 and subsequent correspondence were fully and amply justified.

The Grand Master, who had attended our Annual Communication, disciplined a lodge who had initiated a candidate at the same meeting at which his ballot had been taken. The E.A. had to be reobligated at a following meeting, his E.A. degree dating from then, and the Grand Master's order as to the offence officially entered in the lodge minutes. He recommended that open lodge installations could be held on a Sunday afternoon "to increase attendance." No action appears to have been taken.

The Home and the Orphanage are of considerable concern as to finances and management. A campaign to raise \$10 million over the next 8 years is being initiated, with "a Public Relations Man" hired full time to promote the drive.

The Home had an average of 161 residents and there is a waiting list. Operating expenses of \$1.4 million were \$135,000 over revenue (of which \$400,000 came from Craft Lodges and Grand Lodge). A few years ago a number of separate apartments were built for sale, to revert to the Home with death or inability to utilize. This idea has not worked. Most of the apartments have remained vacant and a drain on Home finances.

The Orphanage completed the year with 108 boys and 68 girls. There are vacancies and enrolment is declining. Due to retirements there were substantial staff changes. The Orphanage was to receive a State grant of \$46,000 and Grand Lodge was threatened with a suit by the Civil Liberties Union for disbursing State funds without signing the "Civil Rights Compliance Act." This got into the papers with the statement that Masons were "paganistic." The State funds were not accepted. A motion to use the regular County High School for grades 9 - 12 was defeated and another motion to make facilities available to handicapped students laid over. The Masons of North Carolina are very proud of their 108-year operation of the Orphanage which has provided loving care "for thousands of children and saved the taxpayers millions of dollars." Grand Lodge Proceedings are printed in the Orphanage Printing Shop.

The Annual Communication was held at Acadia University, Wolfville, a "spacious and excellent facility."

Amendments to the Constitution were largely housecleaning. "Gold" is now defined as "gold, gold filled, gold finished, gilt metal and gold in colour." A collective ballot may now be taken, by unanimous consent, on multiple candidates.

The Board of Masonic Education met 4 times, held 3 workshops, renewed publication of the Nova Scotia Freemason and are looking towards "a rejuvenation" of the library.

Grand Lodge operated with a nominal financial surplus. The per capita was raised \$2 (Grand Lodge \$3.50 to \$4.50 and the Home \$3 to \$4). The Home was filled with 59 residents and there is a waiting list. In spite of the low cost of \$7,000 per resident there was a small deficit for the year. The Endowment is now \$1.6 million and provided 32% of the revenue (Guests 56%, Grand Lodge only 8%).

Virgin Lodge No. 3 becomes a 200-year lodge in January 1982.

The Grand Lodge of Alaska was recognized.

The Grand Master's Banquet and Ball were held on Saturday evening, June 6th, and there was a Divine Service in University Hall the following morning.

There were 25 special Emergent Communications, 3 for lodge building cornerstones, 6 for dedicating lodge premises and 16 for "rededications" i.e. special anniversaries or the like. Two lodges celebrated their 175th year. Amity Lodge No. 5 had been chartered by the Grand Lodge of Pennsylvania and their Grand Master came to their special event.

The Grand Master issued a general notice, required to be read in all lodges and in all appendant bodies together with the appropriate section of the Grand Lodge code, that no meetings, committee meetings, social functions or "any type gathering" were permitted on Sunday other than those specified in the code, and that this applied to all Masons whether meeting under Craft or other Masonic auspices. He also listed 8 religious dates (5 Christian, 3 Jewish) to be avoided except for stated meetings. He issued an edict that it was a Masonic offence "to authorize, participate, or engage in any solicitation outside of the ranks of the Fraternity using . . . any word or term tending to identify The Grand Lodge of Ohio" with the request.

The Grand Master's address included a letter he wrote to a NPD suspended member answering 11 questions posed by the brother who was probing, from a fundamentalist Christian viewpoint, the relation between "religion" and Freemasonry. The Grand Master admitted that he had answered in detail not as "in

any way an official text" but "more for the organization of my own thought than for the edification of the propounder." In another section he commented that Freemasonry had not been free of racial prejudice suggesting that we "examine our hearts" and raised the questionable language of the penalties, believing that we might better recite "bearing in mind the penalty accepted by our ancient brethren."

"There is little comfort in the (membership) statistics." The underlying problem is forcefully exposed in an age survey. Extrapolating the figures recorded for 88.4% of the total membership, your reviewer calculated that there were 12,224 members between 81 and 90 and only 7,454 between 21 and 30!! The true comparison is probably worse as a higher percentage of the younger age group would normally be included in such a survey.

Much of the publicity, as invigorated 2 years ago by M.W. Bro. Rasor, has continued. Districts hosted scholarship winners (29 at \$500 each) at District Receptions for the Grand Master. "I heard no one say they couldn't afford one more plate at the dinner that night." The Brotherhood Program with the Knights of Columbus and B'nai B'rith continued active. Special awards received press coverage. A history of Grand Lodge "Frontier Cornerstone" is "off the press." But the age problem shows in that there were more 60-year veterans' awards than 50-year ones. That seems incredible, but the numbers given are 1,180 and 1.178. Table Lodges have been increasing.

Extensive changes in the code for the government of lodges were proposed and will be considered next year.

Grand Lodge per capita was increased to \$2 per initiation plus \$4 per member (\$1.80 to Grand Lodge, \$2.20 to the Home). The contribution per initiate to the George Washington Memorial went up from \$1 to \$5.

The Home had 476 guests at an average cost of \$13,000. Next year's budget is for \$6.35 million.

Recognition was withdrawn from the Grand Lodge of Belgium and given to its new "Regular" Grand Lodge.

The very serious problems in this Grand Jurisdiction were noted in last year's review. The Grand Master and his officers have been taking measures, sometimes drastic, to normalize the situation. The Grand Master reported:—

"My Brethren, many unfavourable conditions exist among the Craft . . . There is evidenced in all areas of the State a general lack of knowledge of our ritualistic work and even worse . . . of knowledge of, or regard for, our Masonic Law . . . (which is) the rule by which we discipline ourselves to live according to those principles and teachings. So long as we maintain that discipline Freemasonry will survive. If we permit the discipline to collapse, we can expect a deterioration which will eventually lead to the total annihilation of the fraternity."

Per capita dues to Grand Lodge were doubled (\$3 to \$6) to stop deficits which were eroding capital. The Print Shop, "originally constructed and equipped to provide vocational training for the children of the Masonic Home," is to make charges to permit modernization of equipment. This shop has grown to a sizable operation, printing the G.L. magazine, the Proceedings, and working for G.L., for constituent lodges and for affiliated bodies.

The Grand Master arrested the Charter of a lodge with "no desire to resolve their problems," which included only 1 meeting in 2 years and allowing their premises to deteriorate badly. He suspended from "his powers and duties" a W.M. who admitted embezzlement of his employer's funds and also removed him from the office of Senior Grand Steward of Grand Lodge (an appointive office in the line to become G.M.) and ordered charges of UMC laid before a Grand Lodge Commission. He took the extraordinary action of making a Mason at Sight ("including all lectures") a 22-year-old man who had served in DeMolay for 7 years and was their State Junior Councilor, but who had been blackballed twice (a 12 month interim) it having been stated "not because of any fault with Mickey but because of personal differences with his mother he would never get into Masonry." As to this the Jurisprudence Committee were "of the opinion that such an action involves the sanctity of the ballot which should be avoided. (But) there is no question as to the authority of a Grand Master to make a Mason at sight."

There were 7 Special Communications, including 2 cornerstone ceremonies at High Schools.

Resolutions were approved to move the Annual Communications to a weekend in the hope of improving attendance. A resolution to admit 18-year-old candidates was defeated. Presentation of 50-year pins had been neglected. In a catch-up, some 375 were presented, including 21 to members of Siloam Lodge No. 276, Oklahoma City, which with 2,446 members has double the membership of the next largest lodge in the State. E.A.s and F.C.s may now have Masonic Funerals.

The Grande Loge Reguliere de Belgique was recognized. Recognition was refused the Grand Orient of Brazil and the Grand Lodge of Baja California Sur.

Public School work included presentation of over 2,000 certificates. The senior essay contest, "Morals and the future of America," had 222 entrants for the 6 awards.

The Home operated for its 1st full year under the Masonic Charity Foundation of Oklahoma. Average cost for each of the 110 guests was \$10,700. The Charitable Foundation has assets of \$13.2 million of which \$2.8 million is fixed. The value of investments is close to double the cost, due to massive appreciation of major oil

company stocks. The Hospital Services Committee did extensive work with patients in the veterans' hospitals.

The installation of Grand Lodge officers was open, complete with family introductions.

A second eruption of Mount St. Helens occurred early on June 13th and traffic and atmospheric conditions significantly reduced attendance on the last day of Grand Lodge.

The Grand Master wanted some possible ritual changes studied. A shortened 3rd degree 3rd section lecture is already permitted. Experimental use of a similar short form for the 1st degree was rejected, as was simplification of "The Masonic Position of Attention" (whatever that is).

The Committee on Government and Legislative Affairs reported they had helped "defeat" 11 bills dealing with exemption from property taxes and "as a result the Masonic Fraternity was not required to pay approximately \$600,000 in property taxes during 1980." Grand Lodge approved hiring a government relations firm which "represents 94 private and fraternal organizations" to provide prompt warning of possible undesirable legislative bills. "Committee members will continue to represent the Masonic Fraternity in legislative hearings."

The Grand Master appointed 5 trial boards, 3 of which were in one Lodge. This "should never have been needed had the Past Masters lived up to their duties."

Twenty-six families received \$43,000 in "educational assistance."

The Home had 83 residents (average cost \$11,600). The Home endowment stands at \$7.6 million. A resolution that assets transferred to the Home by residents on entry be available for improvements rather than added to the endowment fund was defeated. "Since the closing of farm operations... half the land has been unused." A development plan for 120 housing units for "qualified members who wish to live in a Masonic community" is being planned.

Recognition was withheld from the "Regular Grand Lodge of Belgium" until the situation clarifies.

Our M.W. Bro. N. R. Richards attended the December Quarterly Communication.

Five lodges were lost by mergers.

Eighteen Grand Lodges sent delegates to the December Quarterly and six other groups represented Appendant Orders. Several brethren had been elected to Honorary Membership in Grand Lodge, including M.W. Bro. Stanley Maxwell. Twenty-four senior brethren of The Scottish Rite accompanied him.

Decisions of the Grand Master included regulation and registration of all Masonic Clubs, and directions for control of "Permanent" and "Charitable" Funds of individual lodges.

The contribution per initiate to the George Washington National Memorial Association was increased from \$1 to \$5 as is being done in most U.S. Jurisdictions.

The Committee on Youth Services reported at each Quarterly Communication. Sessions for DeMolay, for Rainbow and for Job's Daughters were sponsored at the Patton Campus. A "Higher Education Loan Program" had 128 student loans, totalling \$170,000, on the books at the end of 1979.

The Masonic Homes averaged 712 guests. Average costs were given as \$18,250 for "skilled care," \$14,235 for "Intermediate care" and \$11,500 for "residential care." Home assets are \$92 million of which \$17 million are fixed. Extensive renovations, additions and improvements are always underway. The operating expenses, including depreciation, were \$12 million. The numerous pages of data on the Homes tell a story of dedicated work, of sound management and of tremendous undertaking.

The list of lodges includes 10 who have no name, only a number. Nine of these are senior lodges such as No. 2, No. 3, No. 9 etc.

A Special Communication was held the evening before the Annual Communication to attend Divine Service, at which Rev. Eric Dunn, State Deputy of the Knights of Columbus, brought greetings. A reception followed.

Because of the small size of this Grand Jurisdiction, Grand Lodge officers participate in lodge affairs to a degree which would be impossible elsewhere. The Grand Master, usually accompanied by the Deputy Grand Master, visited each lodge at least twice. The Grand Lecturer, starting with two planned workshops, ended up by having a workshop-type meeting at 15 of the 16 lodges. When the Grand Master officially visits his own lodge, the Deputy Grand Master traditionally takes the Chair.

Again, the Grand East can be reached at a relatively young age. The incoming Grand Master is still in his 40's and there are 26 living P.G.M.s.

The year's finances were in the black. Benevolent endowment funds total \$108,000 and only \$6,000 of this is in securities maturing more than 10 years ahead. Fourteen scholarships were awarded. The amount of each is not stated.

The Grand Lodge of Alaska was recognized.

The Annual Communication was a particularly happy occasion for your reviewer as his step-son, R.W. Bro. George King was invested as D.D.G.M. of Montreal District No. 2. He was honoured by being received with M.W. Bro. N. R. Richards.

A Special Communication was held to constitute and consecrate Phil-Can Lodge No. 137. This will provide a Masonic Home for brethren of Philippine origin. There were 14 charter members and the lodge reports 2 initiations.

The Montreal District No. 3 Divine Service was a Mass at the Church of Convent Jesus Marie and celebrated by Father Beaubien S.J., the President of the Canadian Centre for Ecumenism. The Grand Master, the Deputy Grand Master and 5 Past Grand Masters attended.

The Montreal Temple continues to be an albatross around the neck of Grand Lodge. There are some prospects of a sale, but not under acceptable terms. The Grand Master asked for a revitalization of the "Save the Temple" Fund. Three lodges were lost by amalgamation, including the Grand Master's Lodge in Quebec City. The linguistic pressures on education etc. can only increase. The future of Freemasonry in Quebec, if it is not to be restricted to that of a small minority within a small minority, lies with increasing interest among French speaking and Roman Catholic residents.

"Business and political considerations continue to drain our Lodges of many of our most active brethren causing disruption to many facets of Masonic administration. In most of such instances the loss is a permanent one."

The Grand Lodge of Alaska was recognized.

At his installation at a Special Communication the new Grand Master had especial pleasure in introducing the two brethren who had sponsored his petition for Freemasonry "during World War II." Both hold Right Worshipful rank and are 95 and 85 respectively.

There were several constitutional amendments, including new forms for petition for initiation (also for affiliation). Some of the terms are of interest:—

- 6. (c) Have you ever been a party to, or involved in, proceedings in a divorce or Family Law Court? (If the answer is "Yes" please furnish full particulars on a separate sheet of paper and provide copies of all relevant documents).
- 13. (a) Do you recognize that loyalty to the Sovereign of the British Commonwealth and observance of the laws of our country are essential qualifications in any member of the Fraternity?
- 16. Give the names and addresses of at least four referees to whom your private and business life are well known (apart from those mentioned in your proposition form) from whom enquiries may be made.

\* \* \* \* \*

I agree that all verbal and written communications made in connection with this application and as to my character and qualifications for admission into Freemasonry are privileged.

(In addition the proposers have to certify they were "personally well acquainted" with the candidate for at least 12 months and provide the names of 2 more "referees.")

Two lodges were permitted, after debate, to leave the District Grand Lodge of Carpentaria and come under the main Grand Lodge because they objected to a per capita increase in the District from A\$3 to A\$10 (although subsequently decreased to A\$7, and then to A\$5) to meet a financial emergency.

Of historical interest, the "time capsule" from the "Alice Street Masonic Temple" in Brisbane, laid in 1885, was recovered when the old building was demolished. Its contents were in excellent condition and an extended report on them is given. The building had been turned over to the University of Queensland in 1935 as a gift and the University had established 3 "Masonic scholarships."

The "Aged Masons, Widows and Orphans Fund" has assets of A\$8.9 million. It provides significant support to the Home. The latter has some 500 residents and the government pays some two-thirds of the A\$2 million annual cost. Seven categories of accommodation are provided; houses, flats, hostel, community care, sick bay, infirmary and hospital. Many voluntary services are provided by the brethren. There are daily musical programs (often impromptu) as there are "a large number of piano players and organists." Tools are requested as donations for the hobby shop ("No power tools, please"). The brethren are asked to contribute A\$5 per year for the Home.

Grand Lodge provided 8 bursaries.

In the list of Grand Lodge Officers, it is noted that there are 2 Grand Chaplains. One of these is not a Past Master.

Occasional Grand Lodges were held in each of the 7 Masonic Districts.

The Grand Master recommended at the Semi annual Communication, and approval was given at the Annual Communication, that the Director of Masonic Education be an appointee of the Grand Master, that he be responsible for all non-ritualistic instructions, forums and seminars and serve as Chairman of the Standing Committee on Masonic Education, holding R.W. rank.

Grand Lodge benevolence and scholarships are handled through the Masonic Home Fund (assets near \$1.9 million). There is an increasing significant credit balance each year and the Jurisprudence Committee had been asked to investigate and report on establishing a Home for seniors. They turned the idea down flat:—

"We are sincere and adamant in our opinion that Grand Lodge per se could never undertake, finance and be successful with this project."

Recognition was given the "Grand Lodge Regular" of Belgium at the Semiannual Communication and to the Grand Lodge of Alaska at the Annual.

Constitutional amendments were approved permitting the Grand Master to suspend for 120 days, pending Masonic Trial, any Mason convicted of a felony, and for establishing the mechanism for consolidation of lodges or of lodge buildings.

Among the Grand Master's dispensations were 20 for "semipublic" installations.

The Director of the Hospital Visitation Program of the Masonic Service Association spoke eloquently on this program, including some heart-warming (and partly heart-breaking) examples.

A Service of Thanksgiving, conducted by M.W. Bro. Nixon, followed the opening of Grand Lodge:—

"The heritage we enjoy . . . brings to mind the 16th Psalm, the lines are fallen unto me in pleasant places; yea, I have a goodly heritage."

We describe our age as an age of conflict ... (But) Masonry teaches that God is the centre and we learn that a centre is that point within a circle from which every point on the circumference is equally distant and we know that as (such) points are drawn closer to the centre the closer we come to God and the closer we come to each other ... We are required by the faith we profess to be individually responsible for the bridging of chasms that separate men and classes.

\* \* \* \* \*

As we celebrate the founding of our Grand Lodge we pray that the genuine tenets of our time honoured institution will continue to be transmitted through it, pure and unsullied, from generation to generation to the Glory of God and the well being of our fellow men."

The health of the Grand Master made long trips impractical, but he used his considerable abilities (well known to your reviewer from other Masonic associations) with devotion, perseverance and competence "to strengthen the foundation of Masonry." A lodge system of information was started through the Education Committee. An operating guide and a bimonthly letter to senior lodge officers from the Grand Master, manuals for lodge officers and for D.D.G.M.s and executive meetings of Grand Lodge officers established a focus for action at each level:—

"It is evident that many lodges have been given a new sense of enthusiasm . . . 74 Lodges had new candidates and this has stimulated . . . a new spirit of vitality . . . The true value of Masonry is in the extent to which the lodge keeps its members involved and engages their interest in building character and moral living . . . The condition of Masonry for the future will largely depend on how well these 74 lodges impart to their 206 new members this concept of Masonry."

The problems of population shifts from rural areas remain. Three lodges were lost by consolidation. Several rural lodges required 100% of their remaining resident membership to hold meetings. More consolidations are certain.

The Grand Master was asked for a dispensation to heal the irregularity of a lodge which received a petition, appointed the required committee, received the committee report, and balloted all at the same meeting! The candidate was, obviously, not at fault. The Grand Master ordered the lodge to give notice of motion in its next summons that it intended to apply for a dispensation and include full details on the applicant as required by the constitution. The dispensation was granted after the Grand Master received a report of the discussion in lodge and the unanimous passage of the motion.

The Grand Master ruled that, in the event of a postal interruption, lodges could use personal delivery and phone to the extent possible for notices of meetings, but could not deal with notices of motion, with reports on petitions, or with balloting at such meetings, nor could the E.A. degree be conferred.

Grand Lodge operated in the black and the benevolent fund increased. One \$300 scholarship was given and more money will be available next year for this purpose. Comprehensive financial management is being set up.

The Grand Lodge of Santa Catarina, Brazil, and the Grand Lodge of Alaska were recognized.

Lodges 1,094 (of which 5 are not working): divided Metropolitan 39, Provinces 614, Districts (Overseas) 403, under (overseas) Superintendents 21, overseas and under Grand Lodge 17

Your reviewer has both the Proceedings and the Year Book.

In view of the political situation, 11 lodges in Pakistan were declared dormant. These are not included in the numbers given above.

One new lodge was formed, Fidelity No. 1710 in Johannesburg.

A complete reorganization of Benevolent administration, providing for a Board of Benevolence and establishment of "The Scottish Masonic Benevolent Fund" was approved at the February Quarterly meeting. Government regulation of charities and taxation problems necessitated the change. The Proceedings list benevolent grants to individuals of over £8,600. The Scottish Masonic Homes remain as the principal charity. Twenty-one grants of £120 each were made to assist in providing education to children of deceased brethren.

Required contributions from lodges annually range from £42.5 to £105 depending on membership, "all the amounts being subject to VAT"! The Government appears to insist on its pound of flesh. But there is a notation in one of the minutes of the Grand Committee that Income Tax deducted from investment income of the benevolent funds had been refunded (£4,637, so the refund was significant). There is also a fee for each new joining member of daughter lodges.

Negotiations have been continuing with Lodge Mother Kilwinning No. 0 for some years as to the authority of that lodge to make certain Grand Lodge appointments. There are reports given at the Quarterly Communications but the problem remains unresolved, each "compromise" by one of the parties being turned down by the other.

The Year Book contains the diary of the Grand Master Mason on his trip to South Africa and Zimbabwe for over 3 weeks in February and March and to Newfoundland for a week in mid October. Social gatherings were prominent:—

"The emphasis always upon meeting the Brethren — if possible their wives . . . The wives are the mothers of our next

generation of Brethren if not some of the present . . . (We) travelled 14,500 miles (in S.A. & Zimbabwe) shook hands with over 3,000 Brethren and their wives and helped let overseas Brethren know that we cared."

The diary is a saga of luncheons (almost every day), dinners (informal and formal), installations, cocktail parties, receptions (numerous), buffet suppers, visits to Homes, to cottages, to hostels, to historic sites and buildings, sight-seeing, visiting game farms, and just plain socializing with members of the Craft.

The Newfoundland visit lists (with details):

- Monday, October 13: tour "around the Bay," "delightful repast at a local hostelry," joint meeting of Lodge of Conception No. 1679 and Lodge Westmoorland No. 1689.
- Tuesday, October 14: reception S.C. and E.C. office bearers and W.M.s.
- Wednesday, October 15: Installation of District Grand Master, meeting with G.M.s of New Brunswick and of P.E.I., reception with representatives of religious denominations, cabinet ministers, the Mayor of St. John's etc.
- Thursday, October 16: Visit to Home for the Aged, lunch with Speaker of the House and with Cabinet ministers, tour of House of Assembly, briefing on the "Masonic Park" (a senior citizens Housing Project on some 40 acres, estimated cost \$13.5 million), and a joint meeting of Lodge Tasker No. 454 and Lodge St. Andrew No. 1139.
- Friday, October 17: formal visit to Government House, dinner for the District Grand Master and senior office bearers.
- Saturday, October 18: shopping tour, lodge installation in the afternoon, followed by dinner and dance.

There are 15 S.C. lodges in Newfoundland.

The Year Book lists rituals (English "Emulation") available in Braille for the blind as not only E.A., F.C., and M.M. but of "the Installed Master Ceremony," and of the Royal Arch degree.

Some 13 papers are published in the Year Book. Your reviewer found two of unusual content. One details the "entry" of H.M. Habibullah Khan, Amir of Afghanistan into Freemasonry in India in 1907 which, for political reasons, had to be kept *absolutely* secret and with spy-thriller precautions to assure that the Amir was not followed to the lodge, that every detail was prearranged with verbal dispensation and all present sworn to secrecy (and be trustworthy as well). In World War I, the Amir was of incalculable help to England, but was assassinated shortly afterwards and English-Afghan relations deteriorated drastically.

The other is titled "Lodge Masjid-I-Suleman No. 1324." This lodge was originally chartered and operative in Iran in connection with the Anglo-Persian Oil Co. personnel. It was the first S.C. Lodge in Persia, opened in 1923, consecrated and

chartered in 1924, to remain active for 27 years under frontier and desert conditions. Now it has been revived in Scotland in connection with the North Sea drilling rigs—still very much "The Oily Lodge"!

#### SOUTH AFRICA - 1980

Annual General Meeting — August 11, 1979

Grand Master M.W. Bro. S. R. Gasson presiding

Lodges 125 (of which 2 are in recess)

Membership approx. 4,100

The name of this Grand Lodge was changed from that of "Southern Africa" to that of "SOUTH AFRICA." The Grand Master's report indicated that the new Constitution was being printed, that a quarterly Newsletter had been established (1st issue, May 1979), that 2 lodges, previously in recess, had been "resuscitated" and that a new lodge, Tranquility No. 128, had been established as a Lodge of Instruction (limit 30 members, by invitation only).

In his message in the Yearbook, the Grand Master wrote:—

"... I have laid down as a general principle that wherever our Grand Lodge meeting is held annually in one of the four Provinces, it should be ended with a gala occasion in the form of a Charity Ball supported not only by members of our Order in that area, but also by the visiting Brethren who bring their wives along. A specific charity would be nominated and members of the public also encouraged to lend their widest support, and thus make such a laudable venture a real success.

The Grand Lodge itself would make a substantial donation from its own benevolent funds so that the proceeds for handing over to the Charitable Organization concerned would be worthwhile."

In the Yearbook (which continues to be of high standard) the only historical item is a translation of the correspondence that resulted from the "Diploma of Honorary Master" awarded "The Most Illustrious and Worshipful Brother Wilhelm I, Emperor of Germany, as a mark of respect and regard" by the Lodge de Goede Trouw (now No. 2) in 1887.

There are articles by several senior Grand Lodge officers:-

"... The irony of life is that it takes a serious threat to our blessings to become aware of them. . . .

Most of the time we are putting on spectacles when we look at the things we lack . . . How often the fly in the ointment grows so huge that we see only the fly and forget that we possess the ointment."

("Gratitude," V.W. Bro. L. E. Worms)

"...I am increasingly persuaded that a Lodge cannot grow if the members of the Lodge remain strangers to each other."

("Unity," R.W. Bro. A. Van Niekerk)

"There is an old story about three friends who (went) on a journey... The rich one (found) he had not taken his food with him. The other two told him not to worry as one had brought three loaves and the other two loaves. The rich man... insisted that there would be FIVE gold coins for them to share....

The question was how should they be shared?

Should they share  $2\frac{1}{2}$  each, or as one had brought 3 loaves and the other 2, should the share out be THREE and TWO?

But the rich man insisted that this be FOUR and ONE. He explained:

Each loaf had been shared in three, so the 5 loaves had split into 15 pieces. This was 5 pieces each. The man who had 3 loaves had 9 pieces, he therefore kept 5 for himself and gave the rich man 4. The man who brought 2 loaves had 6 pieces, kept 5 for himself and gave the rich man 1. So the coins were split FOUR and ONE.

The moral of the story is that in our . . . lives, we should not accept easy solutions which are only superficially correct. Fair play and correctness should always be the motto and aim of the FREEMASON."

("How fair can we be?" V.W. Bro. S. L. Louis)

The Yearbook also has dozens of quotations. Your reviewer cannot resist passing on three of these:—

"A man's dignity may be enhanced by the house he lives in, but not wholly secured by it; the owner should bring honour to the house, not the house to its owner."

(Cicero, De Officiis, Bk.1, Ch.39)

"Thank God every morning when you get up that you have something to do that day which must be done whether you like it or not. Being forced to work and forced to do your best, will breed in you temperance and self-control, diligence and strength of will... and a hundred virtues which the idle will never know."

(Charles Kingsley, Town and Country Sermons)

"Truth, after all, wears a different face to everybody, and it would be too tedious to wait till all are agreed. She is said to lie at the bottom of a well, for the very reason, perhaps, that whoever looks down in search of her sees his own image at the bottom, and is persuaded not only that he has seen the Goddess, but that she is far better looking than he had imagined."

(J. R. Lowell, Democracy)

As in previous issues, the Yearbook contains the reports of the Supreme Grand Chapter of the Holy Royal Arch.

#### SOUTH CAROLINA — 1981

244th Annual Communication — April 23, 24

Lodges 324

Membership 75,105

Gain 202

Thirteen Special Communications included laying 6 cornerstones (2 for High Schools, 4 Masonic) and 7 lodge dedications.

Our M.W. Bro. Richards attended the Annual Communication.

The opening of Grand Lodge was preceded by a religious service and a welcome from the Mayor. The Grand Master wrote to newly raised M.M.s, and asked lodge Secretaries to advise him promptly by letter so that there would be no delay.

There were 3 workshop-type meetings — A "Crossroads Session" to which members of Appendant Orders were invited to discuss "Masonry's direction"; W.M.'s workshop; and an "In-depth Workshop Study" at which 5 papers were presented and discussed.

The Grand Lodge of Alaska was recognized. No action was taken on Belgium. The situation in Spain, Portugal, Cuba, Ecuador and Nigeria was reviewed.

The Bicentennial fund was finally closed out. \$10,000 was transferred to a new account for the up-coming 250th Anniversary, the balance of \$19,000 together with proceeds from books still on hand goes towards completion of a History of Grand Lodge and a pictorial History now being prepared.

Your reviewer is still unable to reconcile himself to the large number of Masonic Trials seemingly characteristic of the southern U.S. jurisdictions. In these Proceedings the Jurisprudence Committee completed review of 20 cases (15 expulsions, 1 indefinite suspension, 4 acquittals) and, in addition has 14 cases pending! The Grand Master said "These trials should make us more aware of our obligations." Of course your reviewer agrees, but surely it would have been better to guard the portals more carefully.

The Masonic Education Committee had been very active, including workshops, a speakers bureau, publishing "Masonic Light," and special events. They decorated delegates to Grand Lodge with 10 (yes, ten) different coloured ribbons to designate different specific lodge "accomplishments." A code was in the Proceedings. It would be needed.

Resolutions to increase the per capita from \$1.50 to \$3 and to have statewide concurrent jurisdiction were laid over until next year.

An Occasional Grand Lodge was held to lay the cornerstone of the High Plains Heritage Centre at Spearfish, S.D., which will be a museum for heritage items from Nebraska, Wyoming, Montana, and both Dakotas.

The evening before Grand Lodge, the Research Lodge heard a paper by Bro. Alphonse Cerza on "The Prince Hall Organization." The paper is published in full in the Proceedings and is a serious attempt to deal, largely on historical grounds, with a sensitive and controversial issue. The conclusions are that the Prince Hall Organization has, by choice, worked outside the main stream of Masonry for some 200 years and that Masons should not today get distracted and individually disturbed by becoming controversially involved. Masonry, per se, has no regard to race or color. The issue should be left to sovereign Grand Lodges to resolve for themselves. Your reviewer must point out, from the known history of his own Grand Lodge, that the Grand Lodge of England, at least in the early 19th century, had a genius for believing that uncomfortable things would disappear if you ignored them, — so you did not answer correspondence and you didn't admit that the other fellow even existed. Our Canadian Masonic founders, if they had known, should have understood very well, and regardless of "regularity," the frustration of the founding members of the Prince Hall group.

The Grand Master believed, "If we all keep working, very shortly we will reach a plateau from which we will start moving upward again." Those are optimistic words in a jurisdiction in whose 145 lodges 64 did no degree work whatever and where 2 lodges were lost by consolidation and 1 by charter surrender. The secretary of 1 lodge died and there were no meetings, no returns, just nothing until the Grand Master investigated. 34 of the lodges had not been represented at Grand Lodge for 3 years. Another lodge got a dispensation to confer the M.M. degree short of time so that the candidate could become an officer on the regular installation date. On the positive side, there were 6 more E.A.s, 2 more F.C.s and 17 more M.M.s who received degrees than the previous year. So maybe the Grand Master's program of "An opportunity for Masonic Involvement," based on attention to the inactive and older member, the "masonic family," Youth, the ritual, and "publicity and information," did start to bear some fruit. The Grand Orator's address on "What more do Master Masons do ... than Others" was similarly oriented.

A scheme for Life Membership was referred back for study as the Board of Trustees, properly, concluded that inadequate initial capitalization was provided.

An amendment to the constitution gave the Grand Master discretionary power to deal with applicants having serious physical handicaps.

The Regular Grand Lodge of Belgium and the Grand Lodge of Honduras were recognized. Our Grand Lodge was not among the 16 jurisdictions whose Grand Representatives provided Fraternal Reviews.

The open installation of Grand Lodge officers followed the official closing of Grand Lodge.

The Grand Master believed that an Award Program for lodges, initiated by the previous Grand Master, was paying off. This emphasized orientation of new members, publicity, instruction, "a membership program," and youth and family involvement ". . . we may now reverse the membership loss of recent years and experience remarkable gains. This is happening in a number of lodges . . . Young people are, in increasing numbers, recognizing more stable and enduring methods of gaining their identity." Your reviewer hopes that he is right, but there is nothing in the statistics to justify this. The statistics tell essentially the same story as the previous year (q.v.).

The Grand Lodge of Alaska was recognized.

The Fraternal Correspondent sent a form questionnaire to each of the Grand Representatives for data to compile his report. 34 replied. It is assumed that our Grand Representative was inactive as we are not mentioned.

The Grand Historian's report is completely unusual as it deals with a Governor of Dakota Territory 1880-1884, Nehemiah G. Ordway, who was a Mason from New Hampshire but who, fortunately for the Craft, never let it be known that he was a member.

"Ordway was an excellent example of the post-civil war politician who brought the political morality of the country to such a low level between 1865 and 1900.

(He) was indicted . . . for corruption and bribery . . . but was allowed to escape by pleading "guilty but immune" (by virtue of office).

The conclusion is inescapable that Ordway was an opportunist, who from the day he came to Dakota Territory, until he was removed from office, never missed a chance . . . . " (as a matter of fact he was not "removed from office," — he was just not reappointed for a 2nd term).

Your reviewer has now seen just about everything in the line of Masonic speeches as recorded in Proceedings.

#### TASMANIA — 1981

Half-Yearly Communication — August 30, 1980

Half-Yearly Communication — August 29, 1981

Grand Master M.W. Bro. D. H. Johnstone presiding

Your reviewer has the brief Proceedings of the above two Half-Yearly Communications but nothing for the intervening 90th Annual Communication of February 1981

A highpoint has been the establishment of two new daylight lodges, the first a Research Lodge consecrated in 1980 and the second a regular lodge in 1981. The Grand Master notes "enthusiasm and initiative" in both efforts involved.

Planning is beginning for the upcoming 1990 centennial. A suggestion to collect A\$10 per member per year for 10 years to finance construction of a Hobart Masonic Centre was to be discussed at the Annual Communication. Apparently a Committee was set up but its report in August 1981 had no firm recommendations. The magnitude of the project and conflicting cash-requiring items required more consideration.

The Grand Master had informal discussions with groups of Worshipful Masters on attracting new members and retaining existing membership. He believed that the formation of "The Australasian Masonic Information Exchange Centre" for correlating resources, expertise, and statistical information for all the "down under" Grand Lodges would be highly useful to all concerned.

Grand Lodge gave strong support, including canvassing, to the Salvation Army Red Shield campaign, support which was warmly appreciated.

A report on the Freemasons' Homes of Southern Tasmania indicated an annual cost of A\$700,000 (120 residents) for an operating loss of A\$20,000 covered by donations and special events. Assets are listed as A\$1.2 million and building replacement cost as A\$3 million. The Masonic Peace Memorial Haven of Northern Tasmania is adjacent to the Fred French Masonic Nursing Home. These are gradually being developed into an independent living hostel with day care, occupational therapy, and nursing home accommodation.

The Grand Master reported Masonic engagements on 260 days of the year, including attending all 30 District Meetings (total brethren at these, 7,776). He placed 2 lodges under a year's probation, one for lack of activity and the other for deliberately, and with full knowledge of regulations to the contrary, conferring the M.M. degree on one of their candidates who had only received his F.C. degree 2 days before (He was fully proficient and was leaving the area, so why not? We'll pay the stated fine!).

On the Grand Master's recommendation, the minimum fee for degrees was increased to \$60 from \$45. An increase in per capita from the current \$3 is to be anticipated next year.

Grand Lodge returns will be made before a stated date of postmark rather than by the date of receipt in the Grand Secretary's office. There had been significant postal delays (what else is new?) and Grand Lodge excused the penalty due in cases where mailing had been normally adequate by old standards.

The regulation requiring 6 months between the M.M. degree and application for membership in a co-ordinate body was repealed.

Our Grand Lodge is not among the 34 jurisdictions reviewed.

The functions of the Director of Masonic Education and those of the Grand Lecturers have been combined. Constitutional changes to conform with this are underway. Although Grand Lodge operated in the red, a proposed increase in per capita from \$3 to \$5 was rejected. The increase had been supported by the Grand Master and by Grand Lodge Committees.

The Insurance Committee, which will become a permanent committee of Grand Lodge in due course, recommended very substantial increases in Grand Lodge coverage e.g. building and contents from \$2.3 million to \$4.5 million, liability from \$1 million to \$5 million, and effected a blanket policy by competitive tender which actually decreased the premium paid formerly! The whole deal, including 7 coverages, shows what knowledgeable business judgement can do.

Nine Lodges had irregularities healed (3 for accepting a petition from a candidate "rightfully the property" of another lodge, 3 for accepting a petition less than 12 months after a rejection, 3 for conferring degrees less than 28 days apart) by paying a penalty to Grand Lodge. How much is not stated.

The Shrine has left their premises in the Grand Lodge building. Concordant Orders and Grand Lodge have taken up the slack.

The Grand Lodge of Alaska was recognized.

The Proceedings contain an updated summary of extinct lodges, dating from St. Tammany No. 1, founded 1796, which became Harmony Lodge No. 1 of North Carolina in 1800 and whose charter was arrested in 1808 to Dover Lodge U.D., founded 1948, and its dispensation revoked the following year. 399 such lodges are listed.

Our Grand Lodge is not among the 32 reviewed.

The new Grand Master was only 38 when installed.

Thirteen cornerstones were "leveled" at "Special Representations" of Grand Lodge for 1 church, 5 schools, 1 village complex, 1 Shrine temple and 5 lodge buildings.

The Grand Orator addressed the open session at the beginning of Grand Lodge. He laid 4 challenges publicly on the line:—

"To clean up our act': This is the most disagreeable, distressing subject . . . (our distinguished guests may now close their ears) . . . (We find) blatant electioneering at every major Masonic event . . . It becomes serious when hundreds of our Grand Lodge members spend more time milling around so-called candidate pillars in the lobby, than they do in considering the important business.

'To straighten up our ritual': . . . Would it shock you if I told you that, conservatively, well over 200 Lodges could not keep their Charters if they had to be just 75% perfect in opening and closing, let alone the Degree work?

'To sharpen our leadership': If your Lodge is satisfied with the same old humdrum . . . the first strike is already called.

If your lodge is satisfied with letting non-attending members stay in limbo . . . the second strike is on the way.

If your Master fails to take seriously his responsibility for training, motivating, leading his junior officers . . . sooner or later its strike three, y're out!

'Polish up your Masonry': . . . We must remember that our Order is always one generation away from extinction . . . What the next generation knows about Masonry, our ideals and principles, depends on how well you and I communicate."

The Grand Master made strong recommendations to limit electioneering. No action was reported, but the pressure must have some effect. Recommendations to increase the per capita from \$4.40 to \$6 and to raise the minimum annual lodge dues to \$20 were approved. Both Grand Lodge and the Home had operated significantly in the red

Among the Grand Master's decisions approved was one refusing permission for reduced lodge dues for members over 60. "A Lodge may not classify members for dues paying purposes." He ruled that the words "declare and affirm" could not be substituted in the ritual, that a Square and Compasses could not be used on an

automobile, and that a candidate must be 21 as of the date his petition was received by a lodge.

One new lodge was constituted, one reactivated and two started under dispensation. Two lodges disappeared by consolidation. The Grand Master gave blanket dispensations for open lodge meetings for anniversaries, installations, memorial services, or honouring individual Masons or members of their families subject to use of Masonic clothing (including officers' jewels) and "strict accordance with Masonic tradition, custom and dignity." He issued a proclamation for the observance of Public Schools week.

Over 60 pages of the Proceedings are devoted to "An Approach to Lodge Officer Training," largely in terms of 16 specific "Leadership Challenges." One of these was "To look at a Lodge and its Master through the eyes of a new Mason." Among dozens of "do" and "don't" items in planning meetings were:— "Don't assume any person will be automatically prepared. Notify them — early!" "Don't schedule too much — always leave your audience wanting more." "Don't ask visitors to comment after the Speaker talks. Introduce them before he talks." "Do use a telephone committee." "Do make sure that new Masons and visitors NEVER sit alone or neglected." There is a list of perhaps 50 "program topics" suggested for use throughout the year.

The Home and School lists "enrollment" of 61 "widows" and of 121 "students." Assets are over \$15 million (\$3.7 million fixed). The operating cost was \$1.8 million for a \$225,000 deficit (taken from reserves).

The longevity of Texas Masons must be phenomenal, some 1,200 50-year awards were made.

The last 60 pages start with a "Recapitulation of Membership" throughout 66 jurisdictions with which Texas is in amity. The overall loss is 57,731 or 1.63%. Only Arizona, Florida, New Brunswick, North Carolina, Philippines, and South Carolina show gains. There are some incorrect figures (or typographical errors) e.g. British Columbia is shown as having 35 U.M.C. expulsions or suspensions, which just isn't so. The Fraternal Reviews follow the alphabetical sequence of Grand Lodges but concentrate on one (sometimes two) items with sizeable quotations per jurisdiction. Canada receives special recognition for Blood Donors. There is even a cartoon ("Youth Activities") of a small fry looking at his father, somnolent on a sofa under a Masonic emblem on the wall, and saying, "I'd like to follow your footsteps — when are you gonna start making some?" Most of the reviews are valuable giving in depth reporting on major elements of Masonry in action.

#### UTAH - 1981

109th Annual Communication — February 2, 3

Grand Master M.W. Bro. F. R. Begley and the Deputy Grand Master R.W. Bro. L. S. Axland presiding Grand Master M.W. Bro. L. S. Axland elected and installed

The Grand Master, M.W. Bro. Begley suffered a heart attack during luncheon on the final day of the Annual Communication and died that afternoon in hospital while Grand Lodge was in session.

An important Occasional Communication was for the laying of the cornerstone of the 5th Judicial Court Building in Salt Lake City on October 31st, 1980. The Governor of the State spoke and the Mayor of Salt Lake City, 7 members of the City Council, and 8 Judges of the 5th Judicial Circuit Court attended. The Deputy Grand Master (now Grand Master), R.W. Bro. Axland was President of the Salt Lake County Bar Association. Such public Masonic occasions are very rare in Utah.

The Grand Master has authority over activities within co-ordinate bodies. He approved by-laws for an Association of Past Commanders Knights Templar, for a Shrine Club and for "The Royal Scots of Utah" being the members of the Royal Order of Scotland in Utah. The Grand Master's dispensations included reducing the time between degrees for a candidate leaving the State, and for a tiled meeting of a lodge in a recreation area.

At the invitation of the Grand Master, the 1st, 2nd and 3rd sections of the DeMolay degree were exemplified during Grand Lodge. The Grand Lodge Youth Committee had underwritten numerous DeMolay and Job's Daughters activities throughout the year.

The assets of the Masonic Foundation of Utah now exceed \$1 million, based on cost. Over half the investments are in corporate stocks and the quoted value as of December 31st was \$1.35 million, indicating excellent financial management. \$50,000 was spent for "Education, Youth, Hospitals and Philanthropy."

Under the Grand Lecturer and his associates, 11 educational seminars were held.

The Grand Orator spoke on "Our Declining Membership and Attendance." His main concern was reaching new young members and he advocated more social functions involving the family, family discussions of non-secret parts of our work, public acknowledgement of Masonic membership, no suspension N.P.D. without a personal visit by a Lodge Committee, personal invitations and "pick-up" offers to members who had not been attending, all lodge officers to personally greet members attending. "The best promoter for Masonry today is the Mason who truly lives and exemplifies (its) lessons."

Two resolutions permitting open Lodge Installations were ruled not in proper form for submission. Another requiring an elaborate examination of a Master-elect in open lodge before installation was defeated.

The Grande Loge Reguliere de Belgique was recognized. The report of the Committee on Fraternal Relations lists 41 Grand Lodges (including 11 in Brazil and 16 in Mexico) not recognized by Utah but recognized by at least one Grand Lodge in the United States. They found discrepancies between the "officially" recognized Grand Lodges and exchange of representatives and are continuing their study to clarify matters.

#### VERMONT — 1981

188th Annual Communication — June 10, 11

Grand Master M.W. Bro. W. S. Horn presiding Grand Master M.W. Bro. E. R. Eurich elected and installed

Lodges 98

Membership 12,933

Loss 323

A cornerstone was "dedicated" for a chapel and four lodge premises were dedicated in Special Communications.

The Grand Master reported on one lodge as an example of what could be done. The Junior Warden worked 4 E.A. degrees, the Senior Warden 4 F.C. degrees and 10 brethren were raised in 4 meetings. In all 46 brethren (lodge membership 155) participated in ritual work. There was a Friendship Night, a P.Ms.' Night, a Table Lodge and a Ladies' Night. "Ritualistic excellence (was) manifested."

50-year and 60-year buttons have been emphasized. The Grand Master presented 2 60-year awards to brethren in one lodge.

A charge, "On Yonder Book," had become known as the "Canadian Charge." The Grand Master found out that it had no status with any Canadian Grand Lodge and the "Canadian" reference will be dropped. A committee reported, "We feel impelled to caution the brothers to be careful of overkill in inadvertently overwhelming the new Master Mason with excess verbiage at his raising."

The Grand Historian recommended that the upcoming (1994) bicentennial be used to publicize the stability and lasting importance of Masonry. Funds are being started now for activities and preplanning is reported.

The constitution was amended to require a unanimous ballot for restoration following indefinite suspension.

Action was deferred on recognizing the Grand Lodge of Alaska in view of the significant number of lodges remaining under the Grand Lodge of Washington.

Vermont continues to print a complete membership roster, lodge by lodge, in its Proceedings. The \$8,300 cost of printing the Proceedings was over 13% of Grand Lodge expenses. Doubling the number of pages so that the brethren can see their names in print (if they do see them) seems to be an arguable outlay.

#### VICTORIA, AUSTRALIA — 1980

Quarterly Communications March 19, June 18, September 17, December 17

Grand Master M.W. Bro. R. E. Gregory for the March Quarterly Grand Master M.W. Bro. N. L. Colbran, installed during the March Quarterly and presiding at other Quarterly Communications

The Installation had all the processions, fanfares, anthems, proclamations, and ceremonials typical of these events "down under." Delegates totalling 63 brethren came from the other 5 Australian Grand Lodges and from New Zealand, each headed by its Grand Master. A Past Grand Master Mason of Scotland was also in attendance. The new Grand Master, in his address, said:—

"It has been the response to change which has posed man's greatest threat and greatest promise . . . The new element is not change but the rapid speed of change which challenges our traditional institutions and attitudes . . . The individual citizen is at great risk . . . from the cult of bigness whether it be big government, big unions or big business.

In my view, (Freemasonry) was never more relevant and never more needed than it is today . . . .

The task before us (is) to re-affirm and re-awaken in every Brother a pride in his membership, — an awareness of the principles for which we stand."

While 2 lodges surrendered their charters and 7 others reduced to 3 by amalgamation, there were 3 new lodges consecrated, 1 of these being a "daylight" lodge. An interesting development was the setting up of the "Temple Custodian Co. Ltd." This will provide a corporate custodian trustee function on request for Masonic Temple properties and other assets of the Craft, will have competent expertise in property law, taxation, insurance etc. and provide a degree of business management not normally available to individual lodges.

Several constitutional amendments were approved at the June Quarterly. One of these, debated at length, now requires only a three-quarters favourable vote on the application of a joining brother who has been in good standing elsewhere. Others were concerned with attendance at Lodges of Instruction and with Grand Lodge election procedure.

Benevolent grants amounted to A\$65,600, range A\$2,200 (for the maintenance welfare and support of 3 young children and assist in settling outstanding debts of a seriously ill Brother) to A\$200. Benevolent loans (some interest free) were for A\$111,600, range A\$5,000 (several) (e.g. to reduce bank mortgage of a seriously ill member) to A\$1,000. In addition benevolent grants of A\$13,500 and loans of A\$19,000 were made from the "War Relief Fund." Loans to Temples and Lodges, approved by the Board, were for A\$525,600. The largest, by far, was A\$300,000 to assist in financing the new Maroondah Masonic Centre.

Scholarship awards were announced at the March Quarterly. The list is very impressive: 2 major awards, tenable for 4 years; 9 Freemasons' Tertiary scholarships of A\$500 per year for 2 years (116 entries); 20 scholarships "from Form 2 Secondary Schools" for 2 years (86 applications); 4 "A. O. Capell" scholarships; and a new "John and Ann Clements" music scholarships with renewals for the two previous winners.

Financially, General Fund has had a deficit for 2 years. The per capita was increased from A\$3 to A\$4, for general fund and from A\$1 to A\$2 for the building fund, effective July 1981.

The Regular Grand Lodge of Belgium was recognized.

Grand Lodge was advised that the Grand Council of Royal & Select Masters of N.S.W. and the Australian Capital Territory, the Grand Lodge of Mark Master Masons of N.S.W., the Supreme Grand Chapter of Royal Arch Masons of N.S.W., and the Supreme Grand Royal Arch Chapter of Scotland, District N.S.W. were all uniting as "The United Supreme Grand Chapter."

Extensive reports were received on the Freemasons' Hospital. There were some 6,300 patients during the year and over 5,000 operations. The "Masonic percentage" (15% discount) was just under 18%. A A\$500,000 Building Appeal had netted A\$688,000! As this is a "private" hospital, a critical situation is developing:—

"... Bed occupancy is declining because of the alarmingly high cost of health insurance, the confusion in the public mind following numerous radical changes to the health scheme over the past 3 years, resulting in more and more people electing to do without any health insurance at all, and settling for public hospital treatment when they become ill . . . .

Private hospitals cannot meet (public hospital) charges because of the large amounts Governments pay to public Hospitals to bridge the gap between their revenue and costs . . . .

(But, remarkably) motor accident and workers' compensation face charges by public hospitals far in excess of private hospital charges."

(It appears obvious to your reviewer that the last paragraph above simply means that the government is providing revenue to public hospitals from other funds (insurance and workers' compensation) which it would be paying anyway — this to make the public hospital accounts look better and, at the same time, being able to show higher "benefits" socialistically. Private hospitals are going to be squeezed out of self-control and be substantially taken over, like it or not.)

In his address at the September Quarterly, the Grand Master touched on a subject too often swept under the rug. He had had a conference with Worshipful Masters and Wardens after the previous Grand Lodge meeting, and had tried to convince them that some Masonic groups were too large and required too much time of Lodge officers to the detriment of their own lodge. He reported:—

"Some facts emerged — that the costs to a Master for his year in office ranged from \$800 to an alarmingly high \$4,500. The average appears to be \$2,500. The number of nights out on Masonic business (including his own lodge) average 14 per month.

I leave you to judge whether these commitments of time and money are reasonable or likely to encourge our younger Brethren to take office."

The Grand Master is following up on ideas generated in the above and in other grass roots meetings, and warns that he intends to continue to wage "friendly war" towards his objectives.

#### VIRGINIA — 1981

203rd Grand Annual Communication — February 9, 10, 11

Grand Master M.W. Bro. C. E. Wallace presiding Grand Master M.W. Bro. S. M. Rogers elected and installed

Lodges 351 plus 4 U.D.

Membership 68,032

Loss 696

There were 7 Special Communications for 1 consecration of a lodge, 3 to institute lodges U.D., and 3 for lodge dedications.

Before the opening of Grand Lodge representatives of ladies and youth organizations were received, welcomed and addressed Grand Lodge.

The Grand Master issued several proclamations: to lodges to attend Divine Service on the Sunday nearest June 24th; to lodges to have a meeting (which could be open or public) to demonstrate commitment to civic activities consistent with the ideals of Freemasonry; to lodges to devote a stated meeting in support of Masonic Youth organizations; to proclaim October 1980 as "Founders' month."

One Masonic trial reached the Grand Master for decision at Grand Lodge. A brother had been initiated several years ago but had not proceeded when his lodge refused further extensions of time for his examination. In 1977 he had applied to another lodge (sponsored by his brother), had been accepted, passed and raised without any waiver of jurisdiction from his original lodge. The matter surfaced in 1980 when he was seen as a member of an appendant order by a brother of his first lodge! Charges of making false statements on his petition were laid. The pathetic mess developed with acquittal (his petition had noted an application to his first lodge but had answered "unknown" as to its disposition), an appeal to a trial commission with the same result and an appeal to Grand Lodge. Arguments cover 5 pages of the Proceedings. (Remarkably there is nothing to indicate non-suspension or suspension N.P.D. in the 1st lodge.) The G.M.'s decision:— "Not guilty as charged" but the status of the brother is that of "an irregularly made Mason" who cannot attend lodge without waiver of jurisdiction. The Grand Master also ordered charges laid against the brother's sponsors (both P.M.s) because they certainly knew what they were doing and the true facts of the case.

A credit balance of \$62,000 remaining in the special 200th Anniversary Fund was turned over to the Home endowment to close out this special account. The Home endowment now stands at \$9 million. Operation of the Home cost just over \$1 million (\$13,750 for each of the 73 residents). 40% of the cost was for payroll and 14% for medical services. Revenue of over \$1.3 million substantially exceeded expenses. Of the revenue 54% came from the endowment, 21% from residents and 15% from Grand Lodge.

Resolutions were passed to increase the per capita from \$3.50 to \$4.50 and to eliminate the requirement of printing the D.D.G.M.s' reports and a few of the name listing tables in the Proceedings. Opening of a single "Lodge of Sorrow" to remain open for the year will obviate the need for a separate opening and closing for each Masonic funeral. A resolution to require a 1-year wait between the M.M. degree and joining an appendant order was defeated.

A quick scan of the lodge list shows 8 plus 1 U.D. lodges meeting in the daytime (within a couple of hours of noon). Daylight lodges are becoming more popular.

Our Grand Lodge is one of 24 receiving brief reviews.

#### **EPILOGUE**

On June 18th, 1981, V.W. Bro. Rev. R. Redman, Grand Chaplain, gave a highly significant address to his Grand Lodge of British Columbia. It says many things that need to be said and your reviewer commends some extended excerpts to the close attention of his brethren, to be incorporated in awareness and in action.

### FACING THE CHALLENGE OF CHANGE

"What most of us fear, I suspect — is change. Change is inevitable. Somehow or other we must deal with it. The mere process of growing up through childhood, adolescence, youth, early married life, mature married life, old age, with their incessant demand for practical and emotional adjustment, makes plain the fact that we all need some philosophy and some technique to handle change. . . .

# CAN A MAN LIVE IN A CHANGEABLE WORLD LIKE THIS, MAKING CHANGE HIS FRIEND, NOT HIS ENEMY?

Not to face the change, which will come, with intelligence and courage is to miss some of the finest opportunities which will confront mankind . . . One of the deepest secrets of (the Jewish people) was the capacity to make opportunity out of change. They were poured from vessel, — poured from the desert into Egypt and back again, poured from the wilderness into Palestine, emptied from Palestine into Babylon and back again, and through centuries of such vicissitude as no other race has ever faced. . . from Jeremiah to Spinoza and Einstein, the great Jews have faced change, risen above it, grappled with it, and gone on everlastingly thinking.

... Change is one of the most perilous things in the world. There is only one thing I can think of more dangerous, and that is not to change: to go into a new era of international relationships and still cling to the old nationalisms. To go out into an electronic age and still cling to the laissez faire individualism of the 19th century. One of the saddest delusions the human mind can cling to is the idea that to stay still is to be safe. To stay still when the world is moving onward is ruinous. Whether we like it or not, the Eternal has put us in a world where stagnation is a deadly sin. . . .

... What I am pleading for is something genuine and deep. It is seen in a man who, facing changes through the passing years and the growing world, hears the call for thinking more deeply and living more effectively. Each new era brings out of such men new ideas, wider outlooks, deeper character, stronger faith. Poured from vessel to vessel, he makes change his friend.

We who belong to Masonry know that the past has much wisdom to be enshrined in its long annals. But history is not a mausoleum where men are buried: it is a storehouse in which are preserved lessons and achievements for the enrichment of future generations. . . .

But the past cannot hold us. We are destined to live for today. . . .

New words are in our vocabulary, — television, synthetics, electronics, microfilm . . . these are indicators that life is moving, making new demands upon us, forming new attitudes and new value-judgements, new moral situations with real insistence upon our consciousness.

Markham's words have a real message for this modern situation of change.

'We men of earth have here the stuff Of Paradise — we have enough; We need no other stones to build The stairs into the unfulfilled — No other ivory for our doors — No other marble for our floors — No other cedar for the beam And dome of man's immortal dream. Here on the paths of every day — Here on the common human way Is all the busy gods would take To build a heaven, to mold and make New Edens. Ours is the task sublime To build eternity in time.'

We Masons have a past history and philosophy which means much to us. We value them, and put forth every effort to preserve them. But we also pledge to search diligently for the Word. Where will we find that Word? It is always ahead of us. Our legendary history teaches us that we will encounter difficulty and danger in our search for it. Indeed it will eventuate in death. But we are urged to go forward without fear . . . God has marvels to disclose to the searching, disciplined, thoughtful mind. The fearful mind, resistant to change, dies.

The great challenge we Masons face is to face the fact of inevitable change with faith, not with fear. We have a philosophy with which to meet change. We have a system of morality with which we are provided with guidance. If Masonry is going to live in the future, it is going to be led by men who are determined to build eternity in time."

# APPENDIX "A" ADDRESS BY M.W. BRO. ERIC W. NANCEKIVELL AT THE GRAND MASTER'S BANQUET JULY 21, 1982

THE GRAND MASTER: I am now going to ask M.W. Bro. J. A. Irvine to introduce the speaker.

M.W. BRO. J. A. IRVINE:

Most Worshipful Grand Master, Distinguished Guests and Brethren.

Your Speaker was born in the City of Hamilton. Eric W. Nancekivell has to his credit a lifetime of service, not only in the city of his birth, but in a continually increasing professional and active Jurisdiction. In addition to his family, his time is shared in a variety of endeavors, such as his chosen profession of Medicine, his service to his Country, to his place of worship, and in an area with which his Brethren are most familiar.

M.W. Bro. Nancekivell took his Elementary and Secondary School training and education in the Hamilton school system. He attained a degree in Arts from McMaster University and studied Medicine at the University of Toronto, where the M.D. degree was conferred upon him in 1943.

For a period of over 35 years, Bro. Nancekivell has been associated with the military services. He shared his medical skills while he served as Medical Officer with the Royal Canadian Medical Corps in Canada and Overseas, and, in a similar capacity, with the Argyll & Sutherland Highlanders of Canada. His interest and capability in music is shown by his contribution as a member of a Military Band and a Church Choir.

He is a member of St. Stephen On The Mount Anglican Church, where he has served as Warden, as bass soloist of the Choir and as a licensed Lay Reader of the Church.

His contribution to Masonry spans over many a year and has been motivated by high sincerity of purpose and dedicated interest in the Craft. He was initiated into Hillcrest Lodge No. 594 G.R.C. in 1947. He is also a Charter Member of Composite Lodge No. 667 G.R.C., and was installed Worshipful Master of that Lodge in 1953. He was elected to the office of District Deputy Grand Master for Hamilton District "B" in 1960. He has served on the Board of General Purposes of our Grand Lodge continually from 1962 until the present time. Upon election as Deputy Grand Master in July of 1973, he became Chairman of our Board. For eight years he served with distinction as Chairman of the Committee on Benevolence. Our Speaker also served with distinction as Chairman of the Conference of Grand Masters of North America in 1977. Bro. Nancekivell was initiated into Hiram Chapter R.A.M. in 1973. He is a member of the Merton Lodge of Perfection A. & A.S.R. of Hamilton, the Chapter of Rose Croix, the Moore Sovereign Consistory, the Royal Order of Scotland and, at the

present time is the Deputy Grand Master of that body. He was coroneted Sovereign Grand Inspector General Honorary 33° A. & A.S.R. of Freemasonry in September of 1975.

My Brethren, a distinguished gentleman, practising Physician, citizen and Mason, he came to the Office of Most Worshipful Grand Master with proven qualities that made him well suited to discharge the duties and responsibilities of that high Office and important position. More important, he came to that Office ensured of the confidence, respect and gratitude of the members of the Grand Lodge of Canada in the Province of Ontario who were anxious to make his term of Office a highly pleasant, successful and satisfying experience. He served the Office of Grand Master of this Grand Lodge from 1975 to 1977. My Brethren, it was my great privilege to serve our Grand Lodge as Grand Secretary under M.W. Bro. Nancekivell. It was a gratifying and exhilarating experience for me and I want to tell you, my Brethren, it was a great joy to work with him during the term he served as your Grand Master.

So I say to you, my Brethren, I feel so happy and privileged to have the opportunity of presenting to you tonight — and I do hereby present him — M.W. Bro. Eric W. Nancekivell.

#### M.W. BRO. E. W. NANCEKIVELL:

Most Worshipful the Grand Master, distinguished brethren at the head table, including all our very welcome guests from other jurisdictions, and my brethren:

It is a great honour to be asked by our Grand Master, Most Worshipful Bro. Howard Polk, to address you this evening at our 127th Annual Communication and to be introduced in such a fine manner by Most Worshipful Bro. J. A. Irvine. The honour of being speaker at the Grand Master's Banquet has been shared in the past by few Canadians, but among these are Archbishop W. L. Wright, Right Worshipful Brothers Don Fleming and Allan Leal, Dr. Lorne MacKay, and last year Dr. B. C. Matthews of the University of Waterloo. These were all distinguished men and topnotch speakers, and I find it very flattering to be included in such company. There are about two thousand of you here to-night, all enthusiastic Masons, and it is a real thrill to look out at you from this vantage point and indeed recognize a great many of you. I am very well aware that my friends at the front tables have a stop watch on me and a pool going as to how long I am going to speak, but I took the precaution of telling each of them a different time frame, just for the sake of confusion.

As I look about at our distinguished American guests I am reminded of a true story (three elderly ladies in New York). I am, as most of you know, a physician, a family physician. I have been in the habit of explaining the difference between a general practitioner, or family physician, and a consultant, or specialist, by telling a story about cats — "the cat story." As well as being a physician, I am also a licensed lay reader in the Anglican Church — Episcopalian, to our American guests.

And so with this background, I propose to speak to you to-night about the subject in which not one of us can fail to be interested, i.e. Health — physical, mental and spiritual health — with an emphasis on the part Masonry plays in all three facets. The

World Health Organization defines Health as a "state of complete physical, mental and social well-being, not merely the absence of disease or infirmity." Far be it for me to differ with this August body in July, but after due thought it might be better to define Health as a "state of complete physical, mental, and spiritual well-being" and I believe Archbishop Wright would agree with me on this. Certainly as Masons, members of a great Fraternity which is religious in nature, we are deeply involved in the spiritual aspect of life, as Masonry complements the influence of the Church on our lives.

The ancient Romans had an expression which represented the ideal state to them (and I checked this out with Rt. Wor. Bro. Wallace McLeod, our Latin Scholar) — "mens sana in corpore sano" — a sound mind in a healthy body — and that should represent the great ambition of every human being.

I believe that Masonry has a considerable beneficial effect on the health — physical, mental and spiritual — of every constituent member and indeed, through programmes of substantial grants to medical research in several forms, on the future health of mankind in general. This I shall endeavour to elucidate as we proceed.

First let us consider physical health, that state of physical well-being which makes life so enjoyable. I don't need to tell you how very important physical health is to each of us. The state of health of any individual determines, in a large measure, his ability to live a full life, to participate in meaningful activities and associate with others who are also privileged to be active. Without health, brethren, you don't have much — a man can be a millionaire but, if he hasn't his health, he cannot enjoy life as he would if he had it. His quality of life would be inferior in many respects.

The old argument goes on as it has for many years, as to whether heredity or environment has the greater effect on a person's health — whether the genes in our chromosomes inherited from our parents are the most important factor in our make-up or whether the environment in which we have lived and been brought up is the predominent factor. One way of investigating this has been to study pairs of identical twins who have been brought up by foster parents, different ones for each child and living in different areas, and then to compare the children as they grow up. I suppose this is really a rather academic question and, of course, it has been determined that both heredity and environment have a very strong influence on an individual and it is very difficult to say which is stronger.

The geneticists tell us that there are now approximately 3,000 known genetically related diseases, i.e., that have a hereditary cause transmitted from parents to child by way of chromosomes. For example, there is familial polyposis (multiple polyps—small growths—in the bowel) a condition which is genetic in origin. These polyps frequently undergo cancerous change and are therefore dangerous. Also, all new babies now are screened for P.K.U. (Phenylketonuria), a metabolic defect genetic in origin but if this is discovered early in the child's life it can be controlled by a specific diet. Most diseases are, however, multifactorial, i.e. they have several causative factors which may include both heredity and environmental causes—in the case of some congenital malformations, e.g. with spinal cord defects in the newborn, the incidence in Canada declines as you go from East to West—4-5/1000 live births in Quebec, 2 in Ontario, 1+ in B.C. Therefore there must be an environmental factor in birth defects which are, however, primarily genetic or hereditary in origin.

It has been said that medical knowledge doubles every ten years and so it is difficult for a doctor to keep up with the advances as they are made. This is why we have specialists in the various fields of medicine and sub specialists in every specialty. They say that a specialist is a doctor who, as time passes, learns more and more about less and less until he ends up knowing everything about nothing, while a generalist learns less and less about more and more until he ends up knowing nothing about everything. Neither of these can be very reassuring to the general public. As an example of super-specialization, there has even been an entire book written on Diseases of the Umbilicus (or belly button).

The leading causes of death to-day are Cardiovascular Disease (heart attacks and strokes) and Cancer in its many forms. There are many factors in the greater incidence of mortality and morbidity from heart disease — there is first of all a statistical factor in that some of the prevalent causes of death in years past have been conquered — such as Small Pox, Diphtheria, Typhoid, etc., and therefore Cardiovascular causes of death rise higher on the mortality scale.

In heart disease specifically there are many factors involved — heredity, stress, obesity, diabetes, smoking, exercise, to mention some of the leading ones. I heard Dr. Denton Cooley, a great heart surgeon in the United States, say a few years ago that unfortunately the most important factor in heart disease — i.e. heredity — is not within our power to control. If a man's ancestors had a high rate of heart disease, he is more likely to suffer heart trouble than another man with little or no heart disease in his family. Diabetes too is an inherited disease — i.e., it follows the law of Mendelian Inheritance and it constitutes a factor in heart disease which cannot be avoided by the individual. It behooves those of us who are diabetic to gain and maintain good control of our diabetes since it is an established fact that diabetes, especially poorly controlled diabetes, causes early arteriosclerosis (hardening of the arteries) and this is often manifested in Arteriosclerotic Heart Disease.

Stress is also an important causative agent in heart disease. Dr. Hans Selye of Montreal Institute fame wrote a book way back in 1950 entitled "The General Adaptation Syndrome" — i.e. the body's reaction to stress — and dedicated it to "those who are under the exhausting nervous strain of pursuing their ideal, whatever it may be; to the martyrs who sacrifice themselves for others, as well as those hounded by selfish ambition, fear, jealousy — and worst of all, by hate." It has occurred to me that those among us Masons who are active, and vigorously so, in so many of the branches of our great order, subject themselves to great stress and so are at greater risk of heart problems than the majority.

Obesity is very harmful to physical health, particularly to the heart. I heard a panel of doctors from Florida recently, and one of them said, "here in Florida we see a lot of fat men and we see a lot of old men, but we don't see many fat old men." It behooves all you Junior Wardens out there to make sure that the Banquet Room does not include those high calorie goodies which can do a lot of harm to our weight reduction programme. (Woman — nothing, doctor, except of course my regular meals).

Smoking has been found to be a causative factor in heart disease — it has been said that a man who smokes doubles his chances of having an M.I. (Myocardial Infarction, i.e. a true heart attack). I tell my smoking colleagues that cigarettes are

"nails in your coffin." They reply that it is now so firmly nailed down, stopping smoking won't alter the prognosis — not so: it has been proven that no matter how many years a man has smoked, if he stops smoking he will increase his longevity. When I was a student we had a clinician by the name of Dr. Hepburn who said "if you have a heart patient don't let him smoke or drink, but if he must do one or the other, let him drink," implying that, of the two bad habits, smoking is the most harmful.

Exercise, too, or the lack of it, is another important factor in heart disease. All you joggers out there are probably improving your health (although there have been many instances of death by heart attack while jogging) but the secret is to start with a very short distance and to very gradually increase the distance to your tolerance and, secondly, not to exercise sporadically but consistently. The so-called week end athletes who sit at a desk all week and then on Saturday play 36 holes of golf or 4 sets of tennis, place themselves in great jeopardy as far as a heart attack and possibly sudden death are concerned. There have been many recent advances in the surgical approach to heart disease, with heart replacement, pacemakers, and cabbages — that is, Coronary Artery By-pass — and these have improved the prognosis immeasurably in many, many patients.

Cancer is the second leading cause of death considering all ages. Cancer is a dread word to everyone as not one of us has not had some experience with it. The cause of this disordered growth of cells in the body is as yet unknown, but many many medical scientists are spending their entire working lives in cancer research, and have proven that at least one form of malignancy is due to a virus, that is, the Rous Sarcoma in chickens. Much progress has been made in arresting, or indeed curing, some forms of cancer, e.g. the prognosis, the outlook, in Hodgkin's Disease, Lymphosarcoma, is now vastly improved. One fact has been firmly established and that is that the earlier the cancer can be discovered, the better is the outlook and I can do you no greater service to-night than to outline some of the danger signals which are 8 in number.

- 1. Unexplained loss of weight.
- 2. A "lump" anywhere which should not normally be there often painless.
- 3. Abnormal bleeding (a) coughing up blood
  - (b) vomiting up blood
  - (c) painless hematuria (blood in urine)
  - (d) Blood from the rectum or in the stool
  - (e) abnormal vaginal bleeding in women.
- 4. Change of bowel habits diarrhoea, constipation, or alternating these.
- 5. Anemia (unexplained on any other basis such as Iron deficiency).
- 6. Pain anywhere (usually painless except in late stages).
- 7. Persistent cough.
- 8. Fever of unknown cause (sometimes points to cancer of the kidney).

If you believe that miracles such as were recorded in the Volume of the Sacred Law were restricted to Biblical Times, I believe that any doctor can cite you modern miracles — occasions when medical science has already done its best, has nothing more to offer, and the patient dramatically improves to the point of complete recovery. This to me can only be explained as an Act of God, an influence from on high, which is miraculous. I remember vividly a very small, premature baby — one balf of a set of twins — who was born with a bowel obstruction. The surgeon was

unwilling to operate on this very small infant because it was almost certain that the baby would die during the operation. The next morning it became obvious that the obstruction had cleared spontaneously, and the baby did very well from then on.

On the lighter side, those of us who are practising the Healing Arts are sometimes amazed and indeed very amused at the *histories* of accidents which have occurred — as related by the workmen and I have a few of these, (which are absolutely true), to relate to you —

- 1. Got my right hand, 1st finger, in saw while helping Mike, and staying out of his way. My finger bled and this affected my mind.
- 2. Ran down steps. When I got to the end my feet wouldn't stop.
- 3. That night I done something I shouldna done and now my back hurts.
- 4. Gears smashed thumb while holding air cleaner in place, while putting nipple on with right hand, while balancing air cleaner with left hand away from right hand. Gears were not covered.
- 5. Falling off the truck I dislocated my pelvis and other male organs.
- 6. Carrying roll of roofing, caught my toe on a piece of tin that was froze in ground. The tin flipped against me, causing me to trip, letting the roofing fall into bucket of tar. Tar splashed out, burning my arm, causing me to jump back into ladder which fell against me, knocking me into building, breaking my tooth. Thus it burned, bumped, and broke me.

In the field of physical health, Masonry has done, and is doing many important things. In the Grand Lodge of Canada in the Province of Ontario the Masonic Foundation provides funds for research in Multiple Sclerosis, that terrible progressive illness that is so incapacitating. I have a patient, member of a local lodge, who has this terrible malady which is as yet, progressive and incurable. The Masons have provided him with a mechanical wheel chair in which he can "hot rod" all over the back yard. In our 125th Anniversary Year, 1980, project H.E.L.P. (hearing for every living person) raised approximately \$650,000 to provide ongoing funds for research in hearing problems which of course helps young and old, Mason and non Mason alike. The Shrine has built hospitals for crippled children, hospitals for burned patients in which very active burn research is done. Indeed, the Shrine provided the burn unit in our own Hamilton General Hospital which has been a great boon to so many in that Great Industrial City (A Commercial). The Royal Arch Masons in Ontario, too, have recently started a fund to commemorate their 125th Year. It is called "Release a Miracle" — a special foundation fund from which the annual interest will be entirely donated to medical research.

Sir William Osler, that great physician who was born in Dundas in this part of Ontario, once made a very profound statement which we should all heed. He said, "to live a long life, develop a chronic illness and look after it."

So much then (too much maybe) for physical health. What about the second part of our triad of total health — mental health?

Mental illness is becoming more prevalent each year. It has been said that approximately 1 out of every 10 adults will have spent some time in a mental

institution or on the Psychiatric ward of a General Hospital. Fortunately this form of illness no longer carries the stigma that it once did — an illness of the mind is now looked on, and rightly so, as simply equivalent to an illness of the body, excepting that the brain is the target organ. The same stress that can lead to heart disease is a very significant factor in mental illness. The term "nervous breakdown" is now obsolete, but the fact is still tenable that mental problems constitute an abnormal reaction of the brain to stresses. There is, of course, a hereditary factor at work also, in that, in some families, there is a constitutionally greater possibility of abnormal reaction to stress.

What part, you may ask, has Masonry to do with a man's mental health? To me, and I would presume to believe, to all of you, the peaceful recesses of the lodge offer a most welcome haven from the stresses of the world outside. The fellowship which prevails, the great unhurried dignity of our ceremonies and the hearing of our beautifully worded ritual are conducive to a tranquil state of mental relaxation and a deep satisfaction in being an integral part of it, no matter how great or how small our involvement may be. Lodge is a refreshing retreat from the so-called "rat race" which surrounds us in our daily lives and who can deny that this adds immeasurably to our mental state of well-being — our mental health?

I am constantly amazed at the mental stamina, the mental alertness and the mental agility of our older brethren — I think it may fairly be said that active involvement in Masonic activities (ritual work, proposing or answering toasts, planning social events, etc.) is the factor that keeps these senior members of our Craft so "sharp". The late Dr. Everon Flath, married for the third time at the age of 93, said that he and his wife were looking for a new house, but that it had to be near a school. We had a reception for Rt. Wor. Bro. Flath when he was over 90 years of age at which the attendance was over 600 men. He stood at the door after the reception was over, shaking hands with each one, and he could greet almost everyone by name.

With regard to mental illness in general, we recognize the great work of the Scottish Rite in Canada and in the United States, whose members have provided and are continuing to provide a very large fund for research in Mental Retardation and Schizophrenia — a most commendable project and again one which has great potential to benefit all segments of the population, Mason and non Mason.

It has long been my contention that Masons live longer than other men—probably because so many of them have a keen interest in something (i.e. Masonry) to occupy their attention and activate their mind in these later years, after retiring from their regular vocation. I made a sincere effort to prove this contention but was unable to unearth the necessary statistics to support this, since the figures from the Department of Health for Ontario would of necessity have to tabulate males only, and those only who died after their 21st birthday. However, the impression remains that Masons live longer than other men. (It is definitely not like the myth that married men live longer that single men: simply because it only seems longer.) Rt. Wor. Bro. Rod Connor, who runs a Retirement Course at Dofasco, one of the two large steel industries in Hamilton, informs me in this regard that their figures prove that retirees without a great interest to sustain them are usually dead in about three years, while others who have an absorbing, sustaining interest (and Masonry certainly deserves to be included in this) live a much longer span of years before death after retirement.

This is good statistical support for my announced contention that Masons live longer that other men.

What of the third and in many respects the most important part of the Health Triad, — spiritual health? The custodians of our spiritual health in Masonry are, of course, our Chaplains — the Grand Chaplain, the District Chaplains and the Lodge Chaplains — men for whom I have the greatest admiration. I also greatly admire and look up to the dean of our P.G.M.s, a great leader in Masonry and in the Church — Archbishop W. L. Wright — a man who epitomizes all that is good and great in Masonry and in religious matters.

It is on this aspect of health, spiritual health, that Masonry has the greatest impact. It has been said many times that Masonry is not a religion, although it is religious in nature. Our great Fraternity is in no way in competition with the Church nor should it detract in any way from the great teachings of the Church, Mosque or Synagogue as the case may be. On the contrary, Masonry is meant to complement the work of the Church and the influence of the Church on the individual. I know that in some instances Masonry has indeed taken the place of the Church in a brother's life—I can recall one fine Mason, a Grand Senior Warden, many years ago, who took this attitude — Masonry was his religion and he never darkened the Church door. But he was wrong, brethren, very wrong, as he had a somewhat perverted sense of the role of Masonry, and also necessarily of the Church itself, in his life.

A man who is a candidate for admission into our Masonic Fraternity has to answer certain questions as you all know, the first of which is "Do you believe in the existence of a Supreme Being?" and the answer must be in the affirmative or he is not allowed to proceed. Now this Supreme Being may be God, Allah, Jehovah, or other revered person to the individual and he then takes his obligations on the appropriate Volume of the Sacred Law. (The Grand Orient of France ceased to be recognized by the Grand Lodge of England in March 1876 and subsequently by all other regular Grand Lodges because its members denied the existence of the G.A.O.T.U. and the lodges of the Grand Orient of France did not have a Volume of the Sacred Law on the Altar during their ceremonies).

Therefore, a man must have a belief in a Supreme Being before he is allowed to join Masonry. However, the teachings of Masonry are replete with references to the Almighty, to the G.A.O.T.U., to the G.G.O.T.U., to the Most High, and a Mason who pays any attention to the Ritual as it proceeds cannot fail to be greatly strengthened in his belief in a Supreme Being, in the wise dispensation of a Divine Providence.

Another very important and very fundamental Spiritual truth in Masonry is the certainty of life after death, a life in the great hereafter, in the Grand Lodge Above. What a dreary prospect it would be for those people who endure difficult, depressing and distressing circumstances on this earth if it weren't for a certain hope of Eternal Life? The apparent futility of the struggle for existence which is so much a part of life for a large percent of the world's population would be utterly meaningless and would inevitably lead to the lowest depths of despair were it not for the hope of salvation. This is the glorious light at the end of the tunnel for a great many on this earth.

What is Heaven like? I would venture to speculate that every single one of us in this great Banquet Hall to-night, if he has thought of the prospect at all, has his own

conception of Eternal Life. I shall not tell you mine, and I wouldn't presume to probe your innermost thoughts to find out yours. Of one thing I am sure, however, and that is that there is such, wherever it may be, and of whatever form or nature, and a man, particularly a Mason, can have no greater goal than to live in such a way that he may have a shining hope of being there some day.

This too is Masonic teaching, a great Masonic truth, and a Mason who believes in this with all his heart must, of necessity, be spiritually healthy.

The significant effect of Masonry as a way of life on health (physical, mental and spiritual health) is evident. Its effect on physical health may not be too significant — but walkathons (à la London, Ontario), our bowling parties, our golf tournaments, our freedom from stress in the lodge room and right eating in the banquet room must have a beneficial influence. The effect of our Craft on mental and spiritual health is much more apparent and indeed its effect is unquestionably significant in our individual lives. And also the research programmes financed by Masons will in future have a great and good effect on a very large number of non Masons as well.

And so it may be concluded that we who are Masons have greatly improved our physical, mental and spiritual health by being members of our great Fraternity, so that we can look forward to living a fuller, more fulfilling, more satisfying life on this earth and in the end, ascending to the Grand Lodge Above where we can endlessly chant with the Celestial host "All glory to the Most High."

## Appreciation to Guest Speaker by R.W. Bro. R. E. Groshaw, Deputy Grand Master.

Most Worshipful Grand Master, Distinguished Head Table Guests and my Brethren, it is my good fortune and privilege on behalf of all assembled to express to our eloquent banquet speaker, profound appreciation and heartfelt thanks. On another occasion, I have heard M.W. Bro. Nancekivell state that "anticipation of Great events is often greater than the realization of the same" — Our Grand Master's Banquet Speaker this evening has proved the converse of that remark in beautifully enunciated remarks so graphically and succinctly delivered in this address — so timely, — so titillating, — so topical — and above all — so Masonically THERAPEUTIC.

DR. NANCEKIVELL, you have beautifully enhanced this festive occasion. The mesmerized attention and overwhelming applause that has been forthcoming, must indicate to you our most sincere gratitude. — THANK YOU MOST SINCERELY.
